True Teen Stories from Syria Kristin Thiel, 2018-07-15 Since 2011 Syria has been embroiled in a civil war that has killed more than a quarter of a million people and it all started with teenagers That year fifteen teenagers were arrested for writing antigovernment graffiti The teens were reportedly subjected to horrific treatment Peaceful protests calling for the young people s release turned violent when the government sent the army to break up the crowd This compelling volume introduces readers to the country and region It includes teens firsthand accounts of the conflict both displaced teens and those who have become soldiers to paint a holistic engaging portrait of one of today s worst human rights crises **Palestinian**

Refugee Women from Syria to Jordan Afaf Jabiri, 2024-01-11 Based on four years of field research in Palestinian camps in Jordan including unique interviews with Palestinian refugee women aid workers and representatives of international organisations and NGOs in Jordan the book reveals the extraordinary layers of discrimination suffered by Palestinian women from Syria displaced to Jordan The women s experiences show them caught between settler colonialism militarism nationalism refugees global governance and gender regimes that subjected them to multiple forms of structural gender based violence The book argues for a feminist analysis of settler colonialism s epistemic violence of anti Palestinianism to expose the history and geopolitics of intersecting oppressive systems that work through and upon gendered bodies of Palestinian refugee women in humanitarian settings The book also highlights how local women s groups and frontline workers attempt to fill service gaps Using a rich theoretical lens to understand the experiences of women in refugee camps this book attempts to decolonise issues around migration displacement refugees and women Previous work on the Syrian refugee crisis has overlooked the very particular experiences of Palestinian refugee women which has weakened feminist analysis of gendered processes of humanitarianism and feminist transnational and intersectional solidarity This book offers a vital critique of how feminists adoption of a universality based analysis of the Syrian refugee crisis has contributed to the further marginalisation of Palestinian refugee women from Syria The Pianist from Syria Aeham Ahmad, 2019-02-12 This astonishing true story presents an affecting viewpoint on life in Syria before and in the midst of extreme violence Booklist offering a deeply personal and unique perspective on one of the most devastating refugee crises of this century Aeham Ahmad was born a second generation refugee the son of a blind violinist and carpenter who recognized Aeham s talent and taught him how to play piano and love music from an early age When his grandparents and father were forced to flee Israel and seek refuge from the conflict ravaging their home Aeham s family built a life in Yarmouk an unofficial camp to more than 160 000 Palestinian refugees in Damascus As a devoted family they waited for the conflict to be resolved so they could return to their homeland Their only haven was in music and in each other especially when another deadly fight overtook their asylum Forced to leave his family behind Aeham sought out a safe place for them to call home and build a better life taking solace in his indestructible familial bond to keep moving forward Heart wrenching yet ultimately optimistic and told in a raw

and poignant voice *The Pianist from Syria* is a deeply moving account of one man's struggle to survive while bringing hope to thousands through his music Publishers Weekly starred review *From Syria to Europe: Experiences of Stateless Kurds and Palestinian Refugees from Syria Seeking Protection in Europe* Thomas McGee, 2019-01-01 Syria has been the country of origin of the largest number of asylum seekers in the EU every year since 2013 Given the long standing existence of stateless communities in Syria it is evident that there are stateless refugees among those displaced by the conflict and ending up in Europe Against this background this report explores the treatment of stateless refugees from Syria within the European asylum system outlining the particular challenges they face and discussing related law and policy gaps Building on existing research about the situation of stateless refugees and those at risk of statelessness in the neighbouring Middle Eastern countries this study focuses on the Greece corridor the most common route for Syrians coming to Europe as a framework through which to analyse the experiences of stateless Syrians in the EU Within this corridor the research focuses on two countries Greece and the Netherlands where in depth interviews were conducted with stateless Palestinians and stateless Kurds from Syria who have arrived in Europe within the recent migration flow Their testimonies help us to better understand the implications of the approach of relevant stakeholders policies and procedures to the treatment of stateless refugees from Syria

The Russian Military Resurgence René De La Pedraja, 2018-12-11 The transition from the Soviet to the post 1991 Russian military is a fascinating story of decline and reinvention The Soviet army suffered a slow demise dissolving in 2000 and only gradually reforming based on radically different principles The First Chechnya War 1994 1996 was the lowest point for the Soviet military but the Second Chechnya War 1999 2004 saw the initial stirrings of the new Russian army The Five Day War with Georgia in August 2008 was its first major success and marked Russia's return to world power status Lively accounts and maps describe the actions of these wars along with the Crimea operation of 2014 the separatist struggles in eastern Ukraine and the ongoing Russian intervention in Syria
