Books in Print ,1987 Subject Guide to Children's Books in Print ,1987 **The Publishers' Trade List Annual** ,1985 A Harvest of Stars Cecily Wolfe,2016-06-07 contains sexual situations strong language violence and depictions of abuse This has all the hallmarks of CLASSIC AMERICANA rural small town life poverty dark family problems love and friendship author Paul Russell Parker III An EMOTIONAL ROLLER COASTER author Nikki Landis If you enjoy Jodi Picoult you ll love this book definitely worth the read Locklyn Gaines isn t her mother but the residents of her small southeastern Kentucky town don t care Her mother s secrets are Lock s shame and every time her drunk stepfather uses her as a punching bag Lock wonders how much her dying mother knows about what goes on in the crumbling old house her mother s family has lived in for generations Isaiah Parker hardly remembers life before the first day of kindergarten before he became obsessed with the serious dark haired girl in sunglasses who lives just beyond the field behind his house and rides the school bus with him every day Protecting Lock had been a fantasy for the child he was but Isaiah and Lock are nearly finished with high school and Isaiah knows that now is the time for him to save her Her stepfather has other plans however and one night may be all they have to do whatever it takes to escape and start over again together What are readers saying about A Harvest of Stars A beautiful portrayal of friendship love and loss An emotional roller coaster I absolutely loved this book even when I had to stop reading for a few moments to dab the tears from my eyes so I could see the print Well written exciting dark story Captured the meaning of everlasting friendship in the purest of forms Ripped my heart out in so many ways Poignant and timeless Profound fiction that will linger in my mind I was hooked and intrigued throughout I read this cover to cover because I couldn t put it down Elegant extracts ... Originally compiled by the Rev. V. K. A new edition ... prepared by J. G. Percival Vicesimus KNOX,1842 Reconstruction John Raffensperger, MD,2021-11-17 Reconstruction Heal or Kill takes place in a small Illinois town in 1871 portraying life in rural America The novel reveals the prejudices against freed slaves during the post Civil War era when the KKK was terrorizing freed slaves Tom a teenage boy had planned on a life fighting Indians until a new doctor trained in Edinburgh arrives on a steamboat and convinces him that healing is better than killing The doctor an ex Union soldier is an expert pistol shot drinks whisky and plays cards The townspeople reject him until he saves a friend of President Grant Tom now aspires to be a doctor but his plans are thwarted when his father dies and he is sent to an orphanage He escapes and nearly freezes to death A family of freed slaves nurse him back to health The Klan and the local sheriff have been terrorizing the family to get their land Tom becomes the doctor s assistant studying medicine by digging up a skeleton to learn anatomy He is also there to protect a freed slave from lynching Bullets fly when the doctor

Brothers of the Four Corners Elias Sassoon,2000-12-22 This is a very traditional untraditional novel On the surface it follows the lives of two brothers close in age who are bitter rivals in the end We have the biblical Cain and Able reborn in the bodies of Billy and Bruce Aben Bruce is the good brother Single middle class with a white collar job he leads a perfectly contented life in New York City He takes two vacations a year has his patented circle of friends and treasures playing the classical guitar He prides himself on being the most decent person he knows Billy on the other hand is the ultimate rebel He hates middle class values he abhors surrounding himself with comfort The world to him is one big sham Morality is for morons like his brother Bruce The only thing that matters is making a quick buck any way you can commodity trading stock manipulation outright theft are all permissible in Billys world So there you have the brothers One can only imagine their interaction Brothers Of The Four Corners is a serious book with comedic overtones There are elements of insanity combined with rivetting action adventure sequences The novel juggles a variety of issues simultaneously like a family gone wrong mans loneliness and alienation religious intolerance financial charlatanism and racketeering racism in the guise of humanitarianism and international espionage In the end these elements intertwine toward a twisted end This makes for a really good read that will take you on a journey thats never boring

,1814 Flames in the Wind: A Florentine Deception Lauren Castillo, **Yashodhara** Sai Hari N,2025-03-25 Vasumathi was no stranger to sacrifice From the ridicule she faced in college to the torment of a manipulative lover she endured it all with the hope that love would be her salvation Hemanth s cruelty left her scarred while the whispers of classmates turned her existence into a never ending trial Yet even after the world stripped her of her dignity she clung to the belief that Siddharth would be different But betrayal wears many faces Siddharth the man she gave her heart to repaid her loyalty with indifference Her devotion once his comfort became an inconvenience as he chased a future that had no place for her And when society had no more use for a woman deemed unworthy Vasumathi was left to crumble under the weight of its judgment The Final Goodbye is a heartbreaking exploration of love betrayal and the relentless condemnation faced by women who dare to give their all It is a story of survival in a world that glorifies power but forgets those it destroys along the way Not every sacrifice is remembered Not every goodbye is heard
