A cruise is a complete vacation so it's important that you choose the one that's right for you Frommer's Caribbean Cruises Ports of Call is the most user friendly opinionated and informative guide you can buy before you set sail Unlike other guides that try to cover cruises around the entire world in one volume we focus solely on the Caribbean so we can bring you much more in depth coverage Unlike those used in other guides our rating system is simple We break down the essential elements of a cruise experience dining activities children's activities entertainment service overall enjoyment and overall value and rate them from poor to outstanding Photos of each ship combine with the text to give a better sense of the very real differences among the various lines Most important this is the only cruise guide that provides the real prices people pay for cruises not just the rack rates Other guides tell you that a seven night cruise aboard Celebrity's Mercury costs 1 795 You can pay that if you want to but only Frommer's tells you that the same cruise is selling for 895 We give both the rack rates and the discount price for every cruise in the Caribbean This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip planning book among cruise guides Our author a noted cruise expert who has personally checked out every ship sailing the Caribbean offers candid and unbiased opinions on them all She's completely up to date with all the latest developments and the newest ships You'll also get complete coverage of 34 Caribbean port destinations

with advice on how to spend your limited time ashore **The Publishers Weekly**, 2003 *Frommer's Caribbean Cruises & Ports of Call 2004* Heidi Sarna, Matt Hannafin, 2003-08-29 A cruise is a complete vacation so it's important that you choose the one that's right for you. *Frommer's Caribbean Cruises Ports of Call* is the most user friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven night cruise aboard Royal Caribbean's *Brilliance of the Seas* costs 2,099. You can pay that if you want to, but only *Frommer's* tells you that the same cruise is selling for 649. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes *Frommer's Caribbean Cruises and Ports of Call* by far the most valuable trip planning book among cruise guides. Our authors, noted cruise experts who've personally checked out every ship sailing the Caribbean, offer candid and unbiased opinions on them all. They are completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 35 Caribbean port destinations with advice on how to spend your limited time ashore.

*Books In Print 2004-2005* Ed. Bowker Staff, Staff Bowker, Ed., 2004      **Gay Tourism** Gordon Waitt, Kevin Markwell, 2014-06-03 The gay tourism industry: a progressive social force or a pull towards an oppressive status quo? The pink tourism dollar is now recognized as a highly profitable niche of the tourism market. *Gay Tourism: Culture and Context* critically investigates the emergence of a commercial gay tourism industry for male clients, the way it is organized and how the tourism industry promotes cities, resorts and nations as gay destinations. This careful examination critically questions the social, political and cultural implications regarding relationships between gay tourism, Western gay male culture, the erotic, sexual politics and sexual diversity. *Gay Tourism: Culture and Context* begins by detailing how travel often enabled the expression of Western same-sex male desire in the nineteenth century and then charts the emergence of a Western gay tourism industry in the late twentieth century. A critical analysis is given of gay guidebooks and erotic videos that help to establish and maintain destinations as seemingly gay utopias, including Hawaii and the Greek island Mykonos. Careful consideration is given to debates about how the gay tourism industry operates in the context of questions regarding the globalization of sexuality, sexual citizenship and place marketing of homo-sexualised cities. The text includes an extensive bibliography plus several photographs, charts and figures to clearly present concepts and ideas. *Topics in Gay Tourism*

Culture and Context include the history of gay travel and tourism the effect of HIV AIDS on gay tourist destinations gay travel writing sustaining same sex fantasies about popular gay tourist destinations analysis of the socio political ramifications of gay tourism the sexual politics of a heterosexual nation gay tourists as an invading force of corruption the economic rationale for the homo sexualized city the concept of gay villages the role of special events and festivals in gay tourism and many more Gay Tourism Culture and Context is enlightening reading for tourism policymakers tourism planners tourism managers and teachers and students in the fields of tourism studies gay studies social and cultural geography and sociology
