Colquhoun, 2025-08-05 A classic travelogue exploring the meeting point of Ireland's landscape and legends by Britain's foremost female surrealist painter Colquhoun has a very beguiling pen To Irish landscapes she brings a painter's eye writing particularly beautifully about skies twilights river valleys sea frayed coasts and the intensive atmosphere of remote places Tatler Into the world of 1950s Ireland a lushly green windswept landscape studded with holy wells and the decaying country houses of a vanished ruling class arrives Ithell Colquhoun An occultist and a surrealist painter Colquhoun's travels around the island are guided by her artist's eye and her feeling for the world beyond our own as well as her spikily humorous view of the people she meets We encounter faeries and pagan rituals ruined churches and Celtic splendour rowdy bohemians and Anglo Irish landowners fallen on hard times as the author carouses through Dublin and tramps the hills of Connemara in this classic travelogue Through her unique perceptions we discover a land that is fiercely alive and compelling It is a place where the wind cries the stones tell old tales and the mountains watch over the roads and those who travel on them By intuiting the eerie magic of Ireland Colquhoun casts her own spell She offers up a land of myth and legend stripped of its modern signs at the same time offering herself to the reader in this portrait of the artist as a young woman Richly visual and full of sly wit this is an account of Ireland as only Colquhoun could see it a land where myth and magic meet wind and rain and the song of the secret kingdom is heard on city streets **Ireland** Donn Byrne, 1929 **Ireland** Dáithí Ó hÓgáin, 2003 Compiled by Ireland's leading folklorist Daithi O hOgain Ireland's People and Places takes the reader from the Blackstairs Mountains to Killybegs from horse fairs in Co Cork to the grand tour of Dublin Castle from mummers and strawboys to racing at Punchestown and hurling in Croke Park Each doublepage spread is illustrated with full colour photography It provides an attractive yet authoritative overview of Ireland's cultural heritage [Ireland - Culture Smart!](#) John Scotney, 2016-05-19 The island of Ireland is famous for its timeless beauty the variety of its landscape its quiet towns and lively cities the poetic and literary genius of so many of its citizens its music and folklore and its colorful and bloody history What is also true is that the Irish people have in many ways changed in recent years while retaining the scars and proud memories of their past and their thriving national culture Twenty first century Ireland North and South is the product not only of its history and culture but also of massive political change remarkable efforts to heal centuries old animosities a metamorphosis in social and religious attitudes and the dramatic peaks and troughs of a transformed economy Until the late twentieth century Southern Ireland's economy was essentially rural tied to the UK the North a place of heavy industry Then came the so called Celtic Tiger springing forward into a largely new type of economy that reaped colossal rewards New industries arose old industries
