important that you choose the one that's right for you. Frommer's Caribbean Cruises Ports of Call is the most user friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven night cruise aboard Celebrity's Mercury costs 1,795. You can pay that if you want to, but only Frommer's tells you that the same cruise is selling for 895. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip planning book among cruise guides. Our author, a noted cruise expert who has personally checked out every ship sailing the Caribbean, offers candid and unbiased opinions on them all. She's completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 34 Caribbean port destinations with advice on how to spend your limited time ashore.

Frommer's Cancun, Cozumel & the Yucatan 2004 David Baird, Lynne Bairstow, 2003-08-29. Completely updated every year, unlike most of the competition, Frommer's Cancun Cozumel the Yucatan features gorgeous color photos of the stunning beaches, the colorful underwater world and the mysterious Maya ruins that await you. This authoritative guide captures all the glitter of Cancun as well as the more rustic and authentic charms of Cozumel, which boasts world class diving and snorkeling in the turquoise waters of the Caribbean. The authors have lived in and written about Mexico for years so they're able to provide candid reviews of all the beach resorts, the best local dining and the latest hottest nightlife. Beyond the major resort areas, we'll show you sleepy beachfront towns, sea turtle preserves and fascinating inland towns where you can bargain in local markets. You'll travel Mexico like a pro with our candid advice and handy Spanish language glossary. Also included are accurate regional and town maps, including site plans of the major ruins, up to date advice on finding the best package deals, a free color fold out map and an online directory that makes trip planning a snap. Other helpful guides for your trip include Frommer's Mexico and Frommer's Portable Cancun.
