A cruise is a complete vacation so it's important that you choose the one that's right for you. *Frommer's Caribbean Cruises* is the most user-friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in-depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven-night cruise aboard *Celebrity's Mercury* costs \$1,795. You can pay that if you want to, but only *Frommer's* tells you that the same cruise is selling for \$895. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes *Frommer's Caribbean Cruises* by far the most valuable trip planning book among cruise guides. Our author, a noted cruise expert who has personally checked out every ship sailing the Caribbean, offers candid and unbiased opinions on them all. She's completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 34 Caribbean port destinations with advice on how to spend your limited time ashore. ***Frommer's Caribbean Ports of Call*** Christina Paulette Colón, 2008-09-09. America's #1 bestselling travel series. Written by more than 175 outspoken travelers around the globe, *Frommer's Complete Guides* help travelers experience places the way locals do. More annually updated guides than any other series. 16-page color section and foldout map in all annual guides. Outspoken opinions, exact prices and suggested itineraries. Dozens of detailed maps in an easy-to-read two-color design. The ship is only half of the cruise experience; the other half is the time you spend ashore. *Frommer's Caribbean Ports of Call* offers the most complete guide to all the ports with a critical insider's look at all the organized shore excursions offered by the cruise lines themselves. Since it usually makes more sense to explore on your own, we'll take you to all the best beaches, golf, water sports, shopping, dining and casinos, the attractions and activities that can easily fit into your limited time starting from the cruise docks. You may only have a few hours but we'll make sure you know exactly how to hit the highlights on your own. You'll also get a complete rundown of all the major ports of embarkation and maps of each destination. ***Frommer's Caribbean Ports of Call*** Christina Colón, 2010.
