Hall,2016 The first indepth examination of the architect of the Missouri Compromise In 1820 the Missouri controversy erupted over the issue of slavery in the newly acquired lands of the Louisiana Purchase It fell to Jesse Burgess Thomas 1777 1853 a junior U S senator from the new state of Illinois to handle the delicate negotiations that led to the Missouri Compromise Thomas s maturity good judgment and restraint helped pull the country back from the brink of disunion and created a compromise that held for thirtyfour years In

Dividing the Union Matthew W Hall examines the legal issues underlying the controversy and the legislative history of the Missouri Compromise while focusing on Thomas s life and influence As Hall demonstrates Thomas was perfectly situated geographically politically and ideologically to deal with the Missouri controversy The first speaker of the Indiana Territorial General Assembly and one of the first territorial judges in Illinois Territory Thomas served in 1818 as the president of the Illinois State Constitutional Convention That he was never required to clearly articulate his own views on slavery allowed Thomas to maintain a degree of neutrality and as Hall shows his varied political career gave him the experience necessary to craft a compromise Thomas s final version of the Compromise included shrewdly worded ambiguities that supported opposing interests in the matter of slavery By weaving Thomas s life story into the history of the Missouri Compromise Hall offers new insight into both a pivotal piece of legislation and an overlooked but important figure in nineteenth century American politics

 Frank Cicero Jr.,2018-03-15 In its early days Illinois seemed destined to extend the American South Its population of  
 transplants lived an upland southern culture and in some cases owned slaves Yet the nineteenth century and three  
 constitutions recast Illinois as a crucible of northern strength and American progress Frank Cicero Jr provides an appealing  
 new history of Illinois as expressed by the state s constitutions and the lively conventions that led to each one In Creating the  
 Land of Lincoln Cicero sheds light on the vital debates of delegates who freed from electoral necessity revealed the opinions  
 prejudices sentiments and dreams of Illinoisans at critical junctures in state history Cicero simultaneously analyzes decisions  
 large and small that fostered momentous social and political changes The addition of northern land in the 1818 constitution  
 for instance opened up the state to immigrant populations that reoriented Illinois to the north Legislative abuses and rancor  
 over free blacks influenced the 1848 document and the subsequent rise of a Republican Party that gave the nation Abraham  
 Lincoln as its president Cicero concludes with the 1870 constitution revealing how its dialogues and resolutions set the state
