From Hungary with Love Tibor Weinzierl, 2024-01-02 In this book The Immigrant From Hungary with Love you will read the true story of a Hungarian who is a well known artist singer and virtuoso violinist This is my life as an immigrant who came to the free world through many surprises in his ninety three years of living My life was put in danger many times from escaping a Russian hard labor camp as a young teenager after a two and a half years of torture and pain to finally arriving back home to my family in Hungary as a seventeen year old boy with God helping me find my way home Starting a new life was not an easy task to embrace as an escaped prisoner I was forced to leave Hungary and my family behind I went through many adventures and hard times to make it to America and start a better life I believe that my hard work and perseverance paid off and I never quit on my quest for freedom I truly hope you enjoy my story and come away

from reading it with renewed energy and hope Life is a great teacher for everybody You learn how to survive when the wheel goes down and you must work hard to push up that wheel It happened to me many times in my life This book is the life of an immigrant who fought for his future Please keep the life wheel moving forward up always and never give up An Immigrant's Love Letter to the West Konstantin Kisin, 2022-07-14 For all the West's failings terrible food cold weather and questionable politicians with funny hair to name a few it has its upsides Konstantin would know Growing up in the Soviet Union he experienced first hand the horrors of a socialist paradise gone wrong having lived in extreme poverty with little access to even the most basic of necessities It wasn't until he moved to the UK that Kisin found himself thriving in an open and tolerant society receiving countless opportunities he would never have had otherwise Funny provocative and unswervingly perceptive An Immigrant's Love letter to the West interrogates the developing sense of self loathing the Western sphere has adopted and offers an alternative perspective Exploring race politics free speech immigration and more Kisin argues that wrongdoing and guilt need not pervade how we feel about the West and Britain today and that despite all its ups and downs it remains one of the best places to live in the world After all if an immigrant can't publicly profess their appreciation for this country who can Summary of Konstantin Kisin's An Immigrant's Love Letter to the West Everest Media, 2022-08-08T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In the 1980s it was common for black families to give their children advice about how to act if they were stopped by the police as this could be a consequence of having an unpopular opinion in the Soviet Union 2 The Pavlik Morozov story is a perfect example of how communist leaders praised a disloyal teenage boy who threw his own family under the bus for the sake of a failed political philosophy 3 Bernie Sanders a politician in America promotes socialism to the masses as if it's some magical panacea despite the fact he earns nearly 200 000 per year as a senator The danger of this sort of stupidity was clear back in the 1980s when Sanders lived it up with the West's enemy 4 The education system in Russia was also artificially flattened to stop inequalities manifesting later in life The Soviet system was also free healthcare and racial unrest was entirely absent

Trentaz,2018-08-29 How do we love people who we are afraid of The political climate of the US in recent years has revealed significant divisions in our nation and our neighborhoods divisions often fueled by fear For those who follow a call and commitment to love our neighbors how do we love in the midst of this fear In this book Cassie Trentaz looks that question in the eyes and asks her friends and neighbors in four communities currently facing pressure and often viewed with suspicion immigrants Muslim Americans LGBTQ people and young African American men what feels like love to them and alternatively what does not Trentaz brings their honest heartfelt responses in their own words helping us to know people we might not know and bringing us powerful stories of offerings of love that were received as love as well as stories of good intentions that missed their mark She then offers us tools to help us act on what we hear This book is both an invitation and a toolbox for listening It takes love from a good idea to a concrete force that can speak to our fears reach across divisions and just might heal our world Race, Gender, and Citizenship in the African Diaspora Manoucheke Celeste,2016-07-01 Winner of the

National Communication Association s 2018 Diamond Anniversary Book Award With the exception of slave narratives there are few stories of black international migration in U S news and popular culture This book is interested in stratified immigrant experiences diverse black experiences and the intersection of black and immigrant identities Citizenship as it is commonly understood today in the public sphere is a legal issue yet scholars have done much to move beyond this popular view and situate citizenship in the context of economic social and political positioning The book shows that citizenship in all of its forms is often rhetorically representationally and legally negated by blackness and considers the ways that blackness and representations of blackness impact one s ability to travel across national and social borders and become a citizen This book is a story of citizenship and the ways that race gender and class shape national belonging with Haiti Cuba and the United States as the primary sites of examination **Dr. Foote's New Plain Home Talk on Love** Edward Bliss Foote,1902

Samira Mehta, 2023-01-10 An unflinching look at the challenges and misunderstandings mixed race people face in family spaces and intimate relationships across their varying cultural backgrounds In this emotionally powerful and intellectually provocative blend of memoir cultural criticism and theory scholar and essayist Samira Mehta reflects on many facets of being multiracial Born to a white American and a South Asian immigrant Mehta grew up feeling more comfortable with her mother's family than her father's they never carried on conversations in languages she couldn't understand or blamed her for finding the food was too spicy In adulthood she realized that some of her Indian family's assumptions about the world had become an indelible part of her and that her well intentioned parents had not known how to prepare her for a world that would see her as a person of color Popular belief assumes that mixedness gives you the ability to feel at home in more than one culture but the flipside shows you can feel just as alienated in those spaces In 7 essays that dissect her own experiences with a frankness tempered by generosity Mehta confronts questions about authenticity and belonging conscious and unconscious cultural inheritance appropriate mentorship the racism of people who love you The Racism of People Who Love You invites people of mixed race into the conversation on race in America and the melding of found and inherited cultures of hybrid identity

Statements at Public Hearings of the Commission on Population Growth and the American Future United States. Commission on Population Growth and the American Future, 1974 **My Love Affair with America** Norman Podhoretz, 2001-02-21 In this touching and delightful memoir Norman Podhoretz charts the ups and downs of his lifelong love affair with his native land and warns that to turn against America from the Right no less than from the Left is to fall into the rankest ingratitude While telling the story of how he himself grew up to be a fervent patriot one of this country's leading conservative thinkers urges his fellow conservatives to rediscover and reclaim their faith in America A superb storyteller Podhoretz takes us from his childhood as a working class kid in Brooklyn during the Great Depression the son of Jewish immigrants singing Catholic hymns in a public school staffed by Irish spinsters and duking it out on the streets with his black and Italian classmates to his later education his shifting political alliances and his arrival at a happy personal and intellectual resolution My Love Affair with America shows us a gentler and funnier Podhoretz than readers have seen before At the same time it presents a picture of someone eager to proclaim against all comers that America represents one of the high points in the history of human civilizations In this powerful elegantly written and poignant cautionary tale Podhoretz pleads with his fellow conservatives not to fall as some have lately done into their own special brand of anti Americanism as he reminds them of the disastrous consequences that followed the assault by the New Left against the United States in decades gone by Warm in feeling and brilliantly perceptive My Love Affair with America points the way back to a thoroughly unabashed love of country the kind of patriotism that has rarely been encountered in recent years and that is as invigorating as it is inspiring
