Whittaker, James B. Allen, 2001 **Letters from a Lady Mormon Missionary** Wendy Kaye Woolley Soria, 2010-05-28 Wendy Soria is a wife mother grandmother and an active member of the Church of Jesus Christ of Latter day Saints or Mormon Church She has performed or supported missionary work most of her life and has held several missionary and teaching positions Her goal is to encourage missionaries from all denominations to honor Jesus Christ in faithful service to live exemplary lives of faithful obedience and to leave a personal written testimony for their posterity For this purpose and to assist other missionaries to accomplish similar goals and to prevent others from making the same mistakes she made in this book Sister Woolley Soria has written a prompt journal for missionaries entitled *Legacy A Journal of Missionary Service*

**Brigham Young** Leonard J. Arrington, 2012-06-12 Brigham Young comes to life in this superlative biography that presents him as a Mormon leader a business genius a family man a political organizer and a pioneer of the West Drawing on a vast range of sources including documents personal diaries and private correspondence Leonard J Arrington brings Young to life as a towering yet fully human figure the remarkable captain of his people and his church for thirty years who combined piety and the pursuit of power to leave an indelible stamp on Mormon society and the culture of the Western frontier From polygamy to the Mountain Meadows Massacre to the attempted preservation of Young s Great Basin Kingdom we are given a fresh understanding of the controversies that plagued Young in his contentious relations with the federal government Brigham Young draws its subject out of the marginal place in history to which the conventional wisdom has assigned him and sets him squarely in the American mainstream a figure of abiding influence in our society to this day **Excavating Mormon Pasts** Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John

Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue. It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored. It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century. *Mormon Enigma* Linda King Newell, Valeen Tippetts Avery, 1994 Winner of the Evans Biography Award the Mormon History Association Best Book Award and the John Whitmer Association RLDS Best Book Award. A preface to this first paperback edition of the biography of Emma Hale Smith Joseph Smith's wife reviews the history of the book and its reception. Various editorial changes effected in this edition are also discussed back cover. *Church History Study Guide, Pt. 3* Randal S. Chase, 2012-05-31 *Latter Day Prophets Since 1844* This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom the building of the Nauvoo Temple and the trek to the west of the Latter day Saint pioneers. We follow them through Iowa Winter Quarters and on to Utah. We witness the colonization of the state of Deseret while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th Century 20th Century and 21st Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives missions marriages and callings of each of these prophets seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building. *Joseph Smith III* Roger D. Launius, 1995 This interesting well researched biography of the founder of the Reorganized Church of Jesus Christ of Latter Day Saints covers the 54 years of his presidency a tenure marked by Mormon factionalism that he succeeded in controlling. The son of the founder of Mormonism Joseph Smith III at first resisted succeeding his father as leader and prophet but as his biographer underscores his governance from 1860 until his death in 1914 was fiercely committed to the religious legacy of his parent. Differing in style from the elder Smith's sometimes disastrous impracticality his son exemplified rugged individualism with a secular pragmatism that sprang from his legal education. An opponent of polygamy as proclaimed by Brigham Young the younger Smith established a viable bureaucracy and a style of leadership that characterizes the Mormon community today notes the author a military historian. *The Latter-Day Saints' Millennial Star*, 1857 *My Best for the Kingdom: History and Autobiography of John Lowe Butler, a Mormon Frontiersman* William G. Hartley, 2017-03-27 *My Best for the Kingdom* provides a valuable history of several little known events in early Mormon history the Church in Tennessee and Kentucky in the 1830s the Danites in Missouri Mormon resistance to Missouri persecutions the James Emmett expedition and pioneer Spanish Fork Utah John L. Butler's autobiography given here in full rivals and adds to the accounts of Hosea Stout and John D. Lee in telling the Mormon
