

Professor Pole has tackled an immense subject. Not surprisingly, his most definitive chapters are on the ideas and practice of the Revolutionary generation. To a large extent this book is a treatment of that generation's morality of equal legal and political rights and the impact of that morality on subsequent American history, including its contribution to contemporary concerns with equality of esteem. The treatment of the ideas and practice of equality of opportunity is much more sketchy, most noticeably in the chapter that includes the only substantial references to the Jacksonian period.

In his concluding paragraphs Professor Pole argues that from the Revolutionary generation's "idea that justice required equality of procedure" (equality before the law) is derived the justification of "the broader outlines of public policy, taking their roots in American principles of republican government, . . . addressing themselves through the application of equal rules towards rather than away from the equalisation of results." In his references to the idea of equality of opportunity Professor Pole calls attention to its logical incompatibility with equality of results. But historical analysis must take precedence over logical purity: I believe a fuller treatment of the "one unifying theme" of Jacksonian democracy and what derives from it would show it as having made a greater contribution to "the primary aim . . . to redress a gross imbalance" than the ideas of the Founding Fathers.

In sum, this is a superb book, demonstrating once more Professor Pole's mastery in exploring the history of ideas in politics. On those aspects of his subject with which he is most familiar he is wholly convincing. For the rest what he says is always interesting; and I predict that fuller treatments of some of the topics he deals with only briefly will merely confirm in more detail the validity of his sketches and asides. However, there are aspects that need further exploration for a more balanced as well as more comprehensive account of the pursuit of equality in American history. Professor Pole, I feel sure, would agree.

ALLEN M. POTTER

Allen Guttmann, *From Ritual to Record: the Nature of Modern Sports* (New York: Columbia Univ. Press, 1978, \$12.95). Pp. viii, 198.

This original and spritely essay offers a persuasive model for an approach to modern sports, the subject of an enormous and still growing literature but one provoking so many diverse and conflicting views that it is hard to get a handle on it.

Allen Guttmann has steeped himself in this literature — theoretical commentaries, histories, empirical studies, and fiction. He questions and challenges the claims of ideologues while extracting insights from their work, and he has consulted the articles and monographs of German and French as well as English and American specialists in evolving his own ideas about the origins and emergence of sport from ancient and medieval times to the present day. The thesis of his book, succinctly and readably expounded at the outset, is then tested by specific examinations of American sports, especially baseball and football.

Although indebted to Marx and Freud, Guttmann derives his thesis princi-

From Ritual To Record:

From Ritual to Record Allen Guttman, 2004 Examines the relationship between sports and society including the degree to which modern sport expresses the characteristics of modern society such as secularism equality specialization rationalization and bureaucracy *From Ritual to Record* Allen Guttman, 2004-08-04 Originally published in 1978 *From Ritual to Record* was one of the first books to recognize the importance of sports as a lens on the fundamental structure of societies In this reissue Guttman emphasizes the many ways that modern sports dramatically different from the sports of previous eras have profoundly shaped contemporary life **Sport: The development of sport** Eric Dunning, Dominic Malcolm, 2003 A collection of texts providing a useful resource for students in the field of sports studies Subject headings include approaches to the study of sport the development and structure of modern sport sport and power relations and major issues in contemporary sport *The Craft of Ritual Studies* Ronald L. Grimes, 2014 Readership Students and scholars of ritual studies religious studies anthropology *Discipline and Indulgence* Jeffrey Montez de Oca, 2013-07-31 The early Cold War 1947 1964 was a time of optimism in America Flushed with confidence by the Second World War many heralded the American Century and saw postwar affluence as proof that capitalism would solve want and poverty Yet this period also filled people with anxiety Beyond the specter of nuclear annihilation the consumerism and affluence of capitalism's success were seen as turning the sons of pioneers into couch potatoes In *Discipline and Indulgence* Jeffrey Montez de Oca demonstrates how popular culture especially college football addressed capitalism's contradictions by integrating men into the economy of the Cold War as workers warriors and consumers In the dawning television age college football provided a ritual and spectacle of the American way of life that anyone could participate in from the comfort of his own home College football formed an ethical space of patriotic pageantry where men could produce themselves as citizens of the Cold War state Based on a theoretically sophisticated analysis of Cold War media *Discipline and Indulgence* assesses the period's institutional linkage of sport higher education media and militarism and finds the connections of contemporary sport media to today's War on Terror *The Field* Douglas Booth, 2007-05-07 2006 North American Society for Sports History Book of the Year The literature on sport history is now well established taking in a wide range of themes and covering every activity from aerobics to zorbing However in comparison to most mainstream histories sport history has rarely been called upon to question its foundations and account for the basis of its historical knowledge In this book Booth offers a rigorous assessment of sport history as an academic discipline exploring the ways in which professional historians can gather materials construct and examine evidence and present their arguments about the sporting past Part 1 examines theories of knowledge while Part 2 goes on to scrutinize the uses of historical knowledge in popular and academic studies of sport history With clear structure examples summary tables and a detailed glossary *The Field* provides students teachers and researchers with an unparalleled resource to tackle issues fundamental to the future of their subject and sets the agenda for the debate to come **The**

Four-Minute Mile John Bale, David Howe, 2020-11-25 Breaking records and challenging the limits of human ability are central to much of our understanding of athletic track and field sports with a world record title arguably as valued as an Olympic gold medal. Some particular limits and records take on greater significance however as in the case of the Four Minute Mile which was roundly believed to be impossible until Roger Bannister shattered the illusion with half a second to spare in May 1954. These essays look at the background of Bannister's achievement and the meaning that was ascribed to it by the media and the public at large drawing on an array of interdisciplinary and international influences to unpick the legend surrounding an historic moment in our social and sporting past. *Ritual and Record* John M. Carter, Arnd

Kruger, 1990-09-25 This volume expands the debate over the origins and purposes of sports records. Developing the thesis of Allen Guttman, Carter and Kruger explore the history and meaning of quantitative sports records in several pre-modern societies. The book is a chronological study of evidence of sports records in ancient Egypt, Greece and Rome, medieval England, the Renaissance, Tudor and Elizabethan England, pre-modern Hawaii and pre-modern Japan. Thematic essays on various aspects of sports records are also included. The book concludes with Guttman's response to the preceding chapters. Useful reference notes are provided within each chapter as well as in the bibliography. This book is essential reading for students of anthropology and the history of sports. On the Eighth Day Matt Hoven, J. J. Carney, Max T. Engel, 2022-06-07

During a 1980s Edmonton Oilers game, fans unveiled a banner claiming 'On the 8th day God created Gretzky'. Intersections between religious belief and sporting participation are nothing new where players, coaches and fans are known to pray, cross themselves and point to the heavens during a game. But what should be the relationship between sports and religious faith? On the Eighth Day introduces the theology of sport from a Catholic standpoint. It wrestles with sport's universal appeal, its rich symbolism and its spiritual and moral characteristics. Sport is a place where embodied games can be sacramental where traditions of the past speak to contemporary peoples and where truth and justice are demanded in a world affected by sin. The eighth day recalls the playful re-creative work of God the Creator embodied in Christ's resurrection. In this sense, this book marks out a new day in Christian attitudes toward modern sport and the continuing call to redeem sport in service of human flourishing. Comprehensive yet accessible, the book will engage thoughtful lay sports fans and academic students alike.

Routledge Companion to Sports History S. W. Pope, John Nauright, 2009-12-17 The field of sports history is no longer a fledgling area of study. There is a great vitality in the field and it has matured dramatically over the past decade. Reflecting changes to traditional approaches, sport historians need now to engage with contemporary debates about history to be encouraged to position themselves and their methodologies in relation to current epistemological issues and to promote the importance of reflecting on the literary or poetic dimensions of producing history. These contemporary developments along with a wealth of international research from a range of theoretical perspectives provide the backdrop to the new Routledge Companion to Sports History. This book provides a comprehensive guide to the international field of sports history as it has

developed as an academic area of study Readers are guided through the development of the field across a range of thematic and geographical contexts and are introduced to the latest cutting edge approaches within the field Including contributions from many of the world s leading sports historians the Routledge Companion to Sports History is the most important single volume for researchers and students in and entering the sports history field It is an essential guide to contemporary research themes to new ways of doing sports history and to the theoretical and methodological foundations of this most fascinating of subjects

From Ritual to Refuse: Faunal Exploitation by the Elite of Chinikihá, Chiapas, during the Late Classic Period Coral Montero López,2022-02-17 From Ritual to Refuse explores the faunal exploitation by the Maya elite at the site of Chinikih Chiapas during the end of the Late Classic period AD 700 850 by applying zooarchaeological and statistical analyses to a faunal assemblage located in a basurero or midden behind a palatial structure at the core of the site

Sports and Society Scott Witmer,2012 Sports and Society examines the role that sporting traditions have played in human society from primitive cultures to the present day Did sports begin simply for practical reasons such as training soldiers for war or do humans have a less practical need to play active physical games How have different sports migrated around the world and what effect have new cultures had on these imports Exciting and varied case studies are used throughout this book to illustrate issues and concepts

The Irish Ecclesiastical Record ,1908 Medical Record George Frederick Shrady,Thomas Lathrop Stedman,1900 *International Record of Medicine and General Practice Clinics* ,1898 **The Catholic Record Society** ,1907 Catholic Record Society Publications ,1907 Publications of the Catholic Record Society ,1907 Vol 5 7 9 11 12 15 17 24 26 41 48 52 include Report of the Society 1907 1925 1927 1957 58 Religion and Sport Charles S. Prebish,1993 Prebish offers a thoughtful look at sport as a religious experience and argues that sport has become an American religion The first section of the work contains three chapters that provide a definitional theoretical and methodological frame for examining sport as religion The five chapters that follow each written by an authority in the field treat different aspects of the religious dimension of sport These chapters represent the most important writings on sport as a religious experience and each author offers a full and thoughtful discussion rather than a cursory overview A final chapter by Prebish closes the work The first chapter of the book challenges traditional assumptions about religion and encourages the reader to reconsider what religion is The second chapter examines the difficulty of defining sport and the third probes the close relationship between sport and religion The anthology that follows contains chapters that examine religion and sport from sociological historical theological philosophical and psychological perspectives A concluding bibliography lists material for further reading

Qualitative Methods in Sports Studies David L. Andrews,Daniel S. Mason,Michael L. Silk,2005-09 This book makes a timely contribution to a broader methodological project as the first systematic examination and explication of qualitative research methods within sports studies Qualitative Methods in Sports Studies assesses a variety of approaches ranging from social historical media text and personal narrative to ethnographic and interview based qualitative research

methodologies Drawing on the diversity of sport studies literature contributors outline the major issues and strategies associated with each method This practical research guide is an essential reference tool for students and scholars of sport and leisure studies

From Ritual To Record Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free From Ritual To Record PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free From Ritual To Record PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of From Ritual To Record free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About From Ritual To Record Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From Ritual To Record is one of the best book in our library for free trial. We provide copy of From Ritual To Record in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From Ritual To Record. Where to download From Ritual To Record online for free? Are you looking for From Ritual To Record PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another From Ritual To Record. This method for see exactly what may be included and

adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of From Ritual To Record are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with From Ritual To Record. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with From Ritual To Record To get started finding From Ritual To Record, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with From Ritual To Record So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading From Ritual To Record. Maybe you have knowledge that, people have search numerous times for their favorite readings like this From Ritual To Record, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. From Ritual To Record is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, From Ritual To Record is universally compatible with any devices to read.
