Invitation to Biblical Theology Jeremy M. Kimble,Ched Spellman,2020-06-30 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy

The Virgin Birth of Christ J. Gresham Machen,2022-01-01 In what remains a widely discussed issue in contemporary theology J Gresham Machen s *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American Princeton theology in the early twentieth century Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth He begins with a close reading of the scriptural accounts comparing and

contrasting the stories of Jesus birth told in Luke and Matthew Secular historical accounts are then considered as well as possible alternative theories including the likelihood of the story being of early Jewish or Pagan origin Machen s study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an apologetic work and as a time capsule of theological progress *The Christian Century* ,1927 **An essay towards an unfolding the glory of Christ, sermons. [With] Sermons of doctrinal, experimental and practical subjects** Samuel Eyles Pierce,1811 *Meditations on the Glory of Christ* J. Craig Chaffin,2014-02-17 Meditations on the Glory of Christ is the beginning volume in a new series Each day you will read a Scripture passage and then the author will lead you through a devotion concerning Christ s glory found in that passage Following this path you will have read Genesis through 2 Chronicles in a year savoring the wonder of Christ So grab your Bible and this book and seek His glory **From Glory to Glory, the Life, Ministy, Death, and Resurrection of Jesus Christ** Continuing Daily Ministries,2009-08 He was born in obscurity yet a star boldly proclaimed the actual event of His birth His coming had been prophesied for 4 000 years but when He did arrive only a few recognized who He truly was His birth brought the announcement of peace on earth between God and man but His ministry brought a sword to the kingdom of darkness As a child He was hidden from those who would destroy Him so that as a man He could allow His destruction to be for the salvation of all mankind who will receive Him Jesus Christ lived a little over 33 years but it was His last three that made all the difference in the world He healed the sick raised the dead restored the physically disabled and brought forth great abundance where there was very little This is His story From Glory to Glory The Life Ministry Death and Resurrection of Jesus Christ as written by the New Testament Gospel authors Matthew Mark Luke and John KJV It is recomposed in this unique format for convenience and edification **Job to Solomon's Song** Adam Clarke,1850 **Ecclesiastes** William John Deane,1893 **Christ the head, the Church His body, its dangers, duties, glories; or, The argument of Colossians** Robert Govett,1890 *A new History of the World, ... from the Creation to the Birth of ...
