Slater, 2023-02-07 Channelling 6th December 2022 Great Mystery You must know that all I say is true that the End of the World is nigh and all shall be saved for to raise our consciousness is the goal not only of Creator but of all souls who see Yeshua as their Saviour and Mary his Mother as their own I commend this book to the destitute and to the wicked that they may know their Creator and their lives be washed clean with Creator's Light and they shall be as One as others are as One that know God and that know and love themselves For this love is the greatest of all and Divine Love knows those that suffer and wishes to relieve them of their burdens and all those that come to her shall be freed of their burdens to

live on Earth in joy love and abundance This book is written from a spiritual perspective that all who come to her will be healed They will feel all their problems lift off they will just disappear Everyone will feel whole and content once more Look into My Soul Evelyn Goughnour, 2012-06-21 This is book is filled with the words that come directly from my heart Some of them are from a time when all I wished was to die and join the ones that I have always love but they decided to journey on with out me I know that one day we will be together again My Soul Longs for Thee Betty S. Divers, 2008-08-26 Lord take my books and use them for Your glory Each one might tell a different story I write the things You put into my heart And hope it will help someone get a new start Bless each of these poems in a special way That others might hear what You have to say I tell of things that I feel inside And I want to share my feelings far and wide Keep sending the thoughts to me here below And I will keep telling about the gifts You bestow How Christ came down from above to show us the way To be with Him in heaven some glorious day A Dialogue with My Soul Roger Mahloch, 2012-05-18 This very inspirational book is more than a simple memoir it is his ethical will The author relates how events and circumstances in his life have influenced him to be the man he is It truly is a dialogue with his soul as he contemplates just what are the values that have been the guiding principles of his life and what happenings throughout his life were shaped by and did also shape his moral compass Reading his ethical will imparts encouragement to everyone to consider the value of embarking on this endeavor A question we all at sometime ask ourselves is what is really important and what kind of legacy do I want to leave Passing on his sincere thoughts values and beliefs abrogates the interpretation of them by others His ethical will reflects the voice of his heart Born in rural Nebraska on a farm without indoor plumbing at the end of the Depression served in the US Navy and after a long and highly successful career in business and followed then with a diagnosis of cancer he decided to stop and have literally a dialogue with his soul And through that searching for his real self which he so beautifully relates gained a clearer perspective on his life as he lived it in the past and continues in the present He had a delightful entrepreneurial bent beyond his big corporation life with some successes and yes some non success stories He loved to be busy with remodeling projects in every house they lived in as he and his wife moved around the country frequently on his rapid moving up the corporate ladder And what fun stories some of these are He always has had an overriding can do drive and coupled with a love for treating others well and honestly We all can see ourselves many many times throughout this wonderful book And reading his Dialogue With My Soul hopefully will help the reader to also have such a dialogue create their ethical will and gain the blessings it has meant to him and his loved ones Water My Soul Darla Weaver, 2017-09-05 Darla Weaver writes out of her own struggles with Christian discipleship so that others will know Old Order Mennonites are human too and often long to walk closer to God She bares her heart in these 90 devotionals drawn from her home centered life in western Ohio s hills While family gardening cooking with home grown food and living as naturally as possible off the land are the focus of her days her utmost goal is to serve and honor the Christ she loves and serves through all aspects of her life Women especially will relate to these

meditations generously sprinkled with stories from Darla's children marriage community and wider friends and family Daily scripture readings poignant prayers and journal prompts or ideas for active responses are included with each inspiring devotional Reflections Into My Soul Francine N. D'Aprile,2009-03 Through my journey in life I have met many people Everyone has a story to tell sometimes our lives take us into so many directions that at the end of the journey you look back and wonder where have all the years gone by The pathway that led me to this book took me in many directions in my life Writing Poetry has always been a passion of mines As I take you into my soul you will come to realize that deep within ourselves we are all the same From my years in Hawaii to the love of a United States Marine Corps Vietnam Vet I continue Along Life's Journey and then I hit the lowest point in my life My poetry continues with a mixture of inspirational thoughts and other poems At the end of the day may you be inspired by Reflections into My Soul and write your own poetry of life

she started to write she had nothing of value to say Louise did not desire to write a love story or some sort of fairy tale Louse desired to write something that would help inspire and motivate fellow Christians to not give up Louise prayed and prayed that God would allow her to share His love through her life journey As a Christian Louise could not write her life journey without writing about her spiritual journey which included her errors flaws and sins As a Christian Louise had to write about how God delivered her In return God gave Louise an amazing gift to share with every reader Louise has been blessed with an amazing gift of seeing and experiencing a small glimpse of what her soul endured during very difficult times in her life
