**Richard C. Moreland**

## **From Tobacco Road To Route 66 The Southern Poor White In Fiction:**

**From Tobacco Road to Route 66** Sylvia Jenkins Cook, 2018-08-25 In the early nineteenth century the southern poor white had a reputation for comic vulgarity and absurd violence postbellum writers saw him as a quaint peasant the 1920s transformed him into a revolutionary proletarian Of the literary treatments discussed Steinbeck's *Grapes of Wrath* emerges as a skillful compromise of documentary accuracy and political daring by reviving the tradition of degeneracy Originally published in 1976 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

**The Companion to Southern Literature** Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook *The Companion to Southern Literature* treats every conceivable topic found in southern writing from the pre-Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take *The Companion's* authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old-fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche The South's lavishly rich literature provides the best means of understanding the region's deepest nature and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries

**A Companion to William Faulkner** Richard C. Moreland, 2017-06-14 This comprehensive Companion to William Faulkner reflects the current dynamic state of Faulkner studies Explores the contexts criticism genres and interpretations of Nobel Prize winning writer William Faulkner arguably the greatest American novelist Comprises newly commissioned essays written by an international contributor team of leading

scholars Guides readers through the plethora of critical approaches to Faulkner over the past few decades Draws upon current Faulkner scholarship as well as critically reflecting on previous interpretations **Gathering Storm** Myra Page,2025-10-01 This novel is one of the most clear eyed and compelling works of the Great Depression As Marge Crenshaw grows up in the cotton mills she learns to fight the forces of racial sexual and class oppression that hold her her family and her community back With her brother Tom who has joined the Communist Party Marge eventually becomes a union organizer who leads the famous strike at Loray Mill in Gastonia North Carolina a real life strike in 1929 that claimed numerous lives including that of organizer and songwriter Ella May Wiggins Myra Page was an active member of the Communist Party and Gathering Storm stands out from other Gastonia novels because it was printed in the Soviet Union Yet this is not a novel about outsider agitators infiltrating a peaceful Southern town Page was born in Virginia and worked as a labor organizer throughout the South And as Marge s heart wrenching story demonstrates the fight against the forces of capitalist exploitation and inequality was entirely homegrown Gathering Storm is a bona fide Communist novel but with the story of Marge and her family at its heart it is also a deeply intimate novel that proves the personal is always political **The Cambridge Companion to American Literature of the 1930s** William Solomon,2018-09-20 Offers a timely introduction to the intersection of radical politics and American literature in the period of the Great Depression The Humor of the Old South M. Thomas Inge,Edward J. Piacentino,2014-10-17 The humor of the Old South tales almanac entries turf reports historical sketches gentlemen s essays on outdoor sports profiles of local characters flourished between 1830 and 1860 The genre s popularity and influence can be traced in the works of major southern writers such as William Faulkner Erskine Caldwell Eudora Welty Flannery O Connor and Harry Crews as well as in contemporary popular culture focusing on the rural South This collection of essays includes some of the past twenty five years best writing on the subject as well as ten new works bringing fresh insights and original approaches to the subject A number of the essays focus on well known humorists such as Augustus Baldwin Longstreet Johnson Jones Hooper William Tappan Thompson and George Washington Harris all of whom have long been recognized as key figures in Southwestern humor Other chapters examine the origins of this early humor in particular selected poems of William Henry Timrod and Washington Irving s The Legend of Sleepy Hollow which anticipate the subject matter character types structural elements and motifs that would become part of the Southwestern tradition Renditions of Sleepy Hollow were later echoed in sketches by William Tappan Thompson Joseph Beckman Cobb Orlando Benedict Mayer Francis James Robinson and William Gilmore Simms Several essays also explore antebellum southern humor in the context of race and gender This literary legacy left an indelible mark on the works of later writers such as Mark Twain and William Faulkner whose works in a comic vein reflect affinities and connections to the rich lode of materials initially popularized by the Southwestern humorists *Narrative Personae and Desire in Modernist Fiction* Kevin Ohi,2025-09-25 Examining modernist fiction in the context of a longer tradition of narrative impersonality Narrative

Personae and Desire in Modernist Fiction explores how narrative language renders subjective states of interiority and desire Inspired by linguistic analyses of the speakerless sentences of narrative language and their unoccupied centers of perception Kevin Ohi argues that modernist texts are populated by quasi persons narrative voices that are impersonal while trailing effects of personality and characters whose personhood is suspended the incisive rendering of psychology and desire produced by externalizations of consciousness Certain first person texts highlight the constitutive tension between the functions of narrator and character joined in that first person while in third person texts a charismatic or impervious central voice can be shown nevertheless to hold the psychologies it empties from the characters it describes At stake is the particular way that modernist narrative responds to the question of literature s capacities for addressing psychic life In Virginia Woolf s *Jacob s Room* William Faulkner s *As I Lay Dying* Ford Madox Ford s *The Good Soldier* Eudora Welty s *The Golden Apples* Ronald Firbank s *Concerning the Eccentricities of Cardinal Pirelli* and James Purdy s *Mourners Below* this volume finds a paradoxical merger a humanizing effect achieved by narrative depersonalization and its evocations of psychology and desire

**Reading Southern Poverty Between the Wars, 1918-1939** Richard Godden, Martin Crawford, 2006 Franklin D Roosevelt once described the South as the nation s number one economic problem These twelve original interdisciplinary essays on southern indigence between the World Wars share a conviction that poverty is not just a dilemma of the marketplace but also a cultural and political construction Although previous studies have examined the web of coercive social relations in which sharecroppers wage laborers and other poor southerners were held in place this volume opens up a new perspective These essays show that professed forces of change and modernization in the South writers photographers activists social scientists and policymakers often subtly upheld the structures by which southern labor was being exploited Planters politicians and others who enforced the southern economic and social status quo not only relied on bigotry but also manipulated deeply held American beliefs about sturdy yeoman nobility and the sanctity of farm and family Conversely any threats to the system were tarred with the imagery of big cities northerners and organized labor The essays expose vestiges of these beliefs in sources as varied as photographs from the Farm Security Administration statistics for incarceration and child labor and the writings of Grace Lumpkin Ellen Glasgow and Erskine Caldwell This volume shows that those who work to eradicate poverty and even victims of poverty themselves can hesitate to cross the line of race gender memory or tradition in pursuit of their goal

**Reading Erskine Caldwell** Robert L. McDonald, 2006-01-24 Erskine Caldwell has been compared to literary giants like Faulkner and Hemingway yet he has also been reviled as peddler of pop trash Was he a genius or just a shooting star whose brilliance faded long before he stopped writing Caldwell began his career in the late 1920s and gained fame for revealing the gritty backwoods South in novels such as his seminal *Tobacco Road* He wrote prolifically sometimes as much as a book a year As the editor of this book maintains perhaps anyone who wrote so much would inevitably stumble These 12 essays explore a variety of issues They discuss Caldwell as humorist social

commentator modernist and revolutionary novelist They examine his themes and tropes political images social injustice the environment ideological struggles and his use of artistic devices short stories cubist strategies repetition A generous bibliography includes not only books on Caldwell but also chapters and forewords journal articles essays news items and obituaries The reader is encouraged to look at Caldwell with fresh eyes to press beyond his controversial image and to compare his works especially his early ones to those of any of the top names in literature

**From Good Ma to Welfare Queen** Vivyan Campbell Adair, 2000 Through this exploration the connection between textual representation and social productions of the Real become startlingly apparent

The Enduring Legacy of Old Southwest Humor Edward Piacentino, 2006-02-01 The Old Southwest flourished between 1830 and 1860 but its brand of humor lives on in the writings of Mark Twain the novels of William Faulkner the television series The Beverly Hillbillies the material of comedian Jeff Foxworthy and even cyberspace where nonsoutherners can come up to speed on subjects like hickphonics The first book on its subject The Enduring Legacy of Old Southwest Humor engages topics ranging from folklore to feminism to the Internet as it pays tribute to a distinctly American comic style that has continued to reinvent itself The book begins by examining frontier southern humor as manifested in works of Faulkner Erskine Caldwell Flannery O Connor Eudora Welty Woody Guthrie Harry Crews William Price Fox Fred Chappell Barry Hannah Cormac McCarthy and African American writers Zora Neale Hurston Ralph Ellison Alice Walker Ishmael Reed and Yusef Komunyakaa It then explores southwestern humor's legacy in popular culture including comic strips comedians and sitcoms and on the Internet Many of the trademark themes of modern and contemporary southern wit appeared in stories that circulated in the antebellum Southwest Often taking the form of tall tales those stories have served and continue to serve as rich reusable material for southern writers and entertainers in the twentieth century and beyond The Enduring Legacy of Old Southwest Humor is an innovative collaboration that delves into jokes about hunting drinking boasting and gambling as it studies among other things the styles of comedians Andy Griffith Dave Gardner and Justin Wilson It gives splendid demonstration that through the centuries southern humor has continued to be a powerful tool for disarming hypocrites and opening up sensitive issues for discussion

**The New Encyclopedia of Southern Culture** Larry J. Griffin, Peggy G. Hargis, Charles Reagan Wilson, 2012-07-01 This volume of The New Encyclopedia of Southern Culture offers a timely authoritative and interdisciplinary exploration of issues related to social class in the South from the colonial era to the present With introductory essays by J Wayne Flynt and by editors Larry J Griffin and Peggy G Hargis the volume is a comprehensive stand alone reference to this complex subject which underpins the history of the region and shapes its future In 58 thematic essays and 103 topical entries the contributors explore the effects of class on all aspects of life in the South its role in Indian removal the Civil War the New Deal and the civil rights movement for example and how it has been manifested in religion sports country and gospel music and matters of gender Artisans and the working class indentured workers and steelworkers the Freedmen's Bureau and the Knights of Labor are all examined This volume

provides a full investigation of social class in the region and situates class concerns at the center of our understanding of Southern culture      Twentieth-Century Sentimentalism Jennifer A. Williamson, 2013-12-15 Today's critical establishment assumes that sentimentalism is an eighteenth and nineteenth century literary mode that all but disappeared by the twentieth century In this book Jennifer Williamson argues that sentimentalism is alive and well in the modern era By examining working class literature that adopts the rhetoric of feeling right in order to promote a proletarian or humanist ideology as well as neo slave narratives that wrestle with the legacy of slavery and cultural definitions of African American families she explores the ways contemporary authors engage with familiar sentimental clichés and ideals Williamson covers new ground by examining authors who are not generally read for their sentimental narrative practices considering the proletarian novels of Grace Lumpkin Josephine Johnson and John Steinbeck alongside neo slave narratives written by Margaret Walker Octavia Butler and Toni Morrison Through careful close readings Williamson argues that the appropriation of sentimental modes enables both sympathetic thought and systemic action in the proletarian and neo slave novels under discussion She contrasts appropriations that facilitate such cultural work with those that do not including Kathryn Stockett's novel and film *The Help* The book outlines how sentimentalism remains a viable and important means of promoting social justice while simultaneously recognizing and exploring how sentimentality can further white privilege Sentimentalism is not only alive in the twentieth century It is a flourishing rhetorical practice among a range of twentieth century authors who use sentimental tactics in order to appeal to their readers about a range of social justice issues This book demonstrates that at stake in their appeals is who is inside and outside of the American family and nation      **A History of American Literature** Richard

Gray, 2011-09-23 Updated throughout and with much new material *A History of American Literature* Second Edition is the most up to date and comprehensive survey available of the myriad forms of American Literature from pre Columbian times to the present The most comprehensive and up to date history of American literature available today Covers fiction poetry drama and non fiction as well as other forms of literature including folktale spirituals the detective story the thriller and science fiction Explores the plural character of American literature including the contributions made by African American Native American Hispanic and Asian American writers Considers how our understanding of American literature has changed over the past thirty years Situates American literature in the contexts of American history politics and society Offers an invaluable introduction to American literature for students at all levels academic and general readers      *Hollywood's Tennessee* R. Barton Palmer, William Robert Bray, 2009-04-01 No American dramatist has had more plays adapted than Tennessee Williams and few modern dramatists have witnessed as much controversy during the adaptation process His Hollywood legacy captured in such screen adaptations as *A Streetcar Named Desire* *Cat on a Hot Tin Roof* and *Suddenly Last Summer* reflects the sea change in American culture in the mid twentieth century Placing this body of work within relevant contexts ranging from gender and sexuality to censorship modernism art cinema and the Southern Renaissance Hollywood's

Tennessee draws on rarely examined archival research to recast Williams's significance. Providing not only cultural context, the authors also bring to light the details of the arduous screenwriting process Williams experienced with special emphasis on the Production Code Administration, the powerful censorship office that drew high profile criticism during the 1950s and Williams's innovative efforts to bend the code. Going well beyond the scripts themselves, Hollywood's Tennessee showcases findings culled from poster and billboard art, pressbooks, and other production and advertising material. The result is a sweeping account of how Williams's adapted plays were crafted, marketed, and received, as well as the lasting implications of this history for commercial filmmakers and their audiences.

*Not Quite White* Matt Wray, 2006-11-03 Analyzes the origins of the derogatory phrase "white trash" by documenting the meanings projected on to poor rural whites in the U.S. from the early 1700s through the early 1900s.

*The Economy of Religion in American Literature* Andrew Ball, 2022-04-07 Examining how economic change influences religion and the way literature mediates that influence, this book provides a thorough reassessment of modern American culture. Focusing on the period 1840-1940, the author shows how the development of capitalism reshaped American Protestantism and addresses the necessary role of literature in that process. Arguing that the spirit of capitalism was not fostered by traditional Puritanism, Ball explores the ways that Christianity was transformed by the market and industrial revolutions. This book refutes the long-held secularization thesis by showing that modernity was a time when new forms of the sacred proliferated and that this religious flourishing was essential to the production of American culture. Ball draws from the work of Émile Durkheim and cultural sociology to interpret modern social upheavals like religious awakenings, revivalism, and the labor movement. Examining work from writers like Rebecca Harding Davis, Jack London, and Countee Cullen, he shows how concepts of salvation fundamentally intersect with matters of race, gender, and class, and proposes a theory that explains the enchantment of modern American society.

**Racism in the United States** Meyer Weinberg, 1990-05-21 This volume represents the most comprehensive book-length bibliography on the subject of racism available in the United States. Compiler Meyer Weinberg has surveyed a wide-ranging group of material and classified it under 87 subject headings, drawing on articles, books, congressional hearings, and reports, theses, and dissertations, research reports, and investigative journalism. Historical references cover the long history of racism, while the heightened awareness and activity of the recent past is also addressed in detail. In addition to works that fit the narrow definition of racism as a mode of oppression or group denial of rights based on color, Weinberg includes references dealing with sexism, antisemitism, economic exploitation, and similar forms of dehumanization. References are grouped under a series of subject headings that include Civil Rights, Desegregation, Housing, Socialism, and Racism, Unemployment, and Violence against Minorities. Items which do not have self-explanatory titles are annotated, and virtually every section is thoroughly cross-referenced. Also included is one section of carefully selected references on racism in countries other than the United States. Unlike the remainder of the book, this section is not comprehensive but rather provides an opportunity to view racism comparatively. The

volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history      Critical Approaches to American Working-Class Literature Michelle Tokarczyk, 2012-03-29 This book is one of the first collections on a neglected field in American literature that written by and about the working class Examining literature from the 1850s to the present contributors use a wide variety of critical approaches expanding readers understanding of the critical lenses that can be applied to working class literature Drawing upon theories of media studies postcolonial studies cultural geography and masculinity studies the essays consider slave narratives contemporary poetry and fiction Depression era newspaper plays and ethnic American literature Depicting the ways that working class writers render the lives the volume explores the question of what difference class makes and how it intersects with gender race ethnicity and geographical location      ,

## Whispering the Strategies of Language: An Psychological Journey through **From Tobacco Road To Route 66 The Southern Poor White In Fiction**

In a digitally-driven earth where monitors reign great and instant connection drowns out the subtleties of language, the profound secrets and mental nuances hidden within words often go unheard.
