**LOVE IN WAR TIME** PEDRO ARTURO ROJAS ARENAS, 2023-07-14 Here is a reading of the Colombian and South American reality with its clashes over the application of methods and practices based on essentially materialist ideologies which occurred in the 50s 60s and 70s with the author Pedro Arturo Arenas experiencing many of the social challenges concepts and spirituality of that time Love in times of war offers a panoramic photograph of the transformations that took place in Latin America especially from the end of the 1950s onwards a period of great social changes and full of illusions many of which ended up dragging entire populations into especially youth to embark on a quest for collective justice but which in the end led to immense frustrations and tragic results in some countries The unrestricted exercise of doctrines and dogmas both on the left and on the right finally produced an increase in social and economic disparities evident in many parts stimulating and intensifying class struggles such as the emergence of resistance movements peasant and working class

urban guerrillas and other forms of violence without achieving their goals Without adequately responding to the aspirations of collective justice such ideologies deepened the abyss between poverty and wealth producing even more greater apathy hopelessness and disillusionment in the hearts of the impoverished and anguished masses in countless parts of the planet The search for a more just social order continued to lead Pedro Arenas through tortuous paths and intellectual clashes until after a long and arduous journey he found himself disenchanted with the political practice of members of supposed socialist organizations realizing then the limitations of ethical and spiritual nature of the cited movements especially in the daily interrelationships of the members of these organizations that in turn ignored or despised the evident religiosity of the Colombian peasants With the new possibilities a new world opened before his eyes when he reunited with his old friend Gabriel Branco through whom he learned about the Bah teachings Upon investigating the subject more deeply he was led to conclude that such teachings constituted an incomparable social and spiritual project of a magnitude never before imagined Leaving behind his past as a union and political activist Pedro Arturo was now seeking new horizons of understanding reaching the conclusion that social and political transformations are incomplete unless they advance concomitantly with a deep spiritual transformation and that the way to establish a new order in human affairs requires the use of new means and methods From those new teachings emerged the understanding that conflict resolution can take place through methods of consultation and dialogue that humanity cannot continue to be sacrificed for the maintenance of certain outdated postulates that the sole purpose of legal norms as well as political and economic theories is the protection of the common interests of all peoples that love for the homeland although legitimate needs to give way to a broader loyalty that is to love for humanity as a whole and as a consequence for the concept of world citizenship That all kinds of prejudices need to be abandoned that new institutions need to be erected that the recognition of ethnic climatic historical idiomatic and traditional diversity thoughts and customs can help to promote a broader loyalty a greater aspiration that contemplates the uniqueness of humanity that the maintenance of order can be sustained by a single code of international law by an Executive and a Parliament and a World Supreme Court that the Cause of Peace can be achieved through a binding treaty with inviolable and clearly defined clauses fruit of a broad global consensus Inspired by these principles and a clear vision Pedro Arenas rose to promote these teachings traveling and supporting local Bah activities and institutions in Colombia where he learned about the exciting experience and fieldwork of the Rural University FUNDAEC and the Ruh Institute Served as a Bah pioneer in El Salvador Central America during a period of great uncertainty and conflict between the army and the FFLN collaborated in activities to promote the Institute of Bah training in indigenous areas on the borders of Brazil Colombia and Peru as well as dedicated a brief period of his life in the archipelago of Cape Verde on the African coast and later now back to Brazil in the region of Northeast where he established himself as a Bah pioneer working as a professor linked to the Rio Grande do Norte State University Finally Pedro Arturo dedicates the last chapters and some accompanying texts to remembering relatives and

friends both from the oldest and most recent times dedicating to them lines of recognition affection and high esteem all as a reflection and demonstration of his love and ample thanks to the Beloved of his heart Bah u ll h for guiding him and enabling him to reach a height of achievement and joy The whole story is told with the enthusiasm of one who was an active protagonist and is testimony to the personal transformations experienced by the author under the influence of Bah u ll h s Revelation This young Colombian seeker like many others of his age and generation was galvanized by the overwhelming strength and foresight of the Bah teachings and still continues untiring in his efforts in the challenging task of contributing each in a humble way and according to his abilities in the construction of that new order advocated by Bah u ll h     See Under: Love David Grossman,2002-01-12 One man attempts to come to terms with his family s history with the Holocaust in this dazzling work of imagination Michiko Kakutani New York Times A phantasmagoric novel that successfully merges history personal mythology and literary experiment A tour de force difficult elusive circular and a triumph Kirkus Reviews starred review In this powerful novel by one of Israel s most prominent writers Momik the only child of Holocaust survivors grows up in the shadow of his parents history Determined to exorcise the Nazi beast from their shattered lives and prepare for a second holocaust he knows is coming Momik increasingly shields himself from all feeling and attachment But through the stories his great uncle tells him the same stories he told the commandant of a Nazi concentration camp Momik too becomes infected with humanity David Grossman s masterly fusing of vision thought and emotion make See Under Love a luminously imaginative and profoundly affecting work In a few nearly mythic books such as Faulkner s The Sound and the Fury G nter Grass s The Tin Drum Gabriel Garc a M quez s One Hundred Years of Solitude large visions of history get hold in innovative ways See Under LOVE may be a worthy successor to this small but awesome canon Edmund White The New York Times Book Review A world class work of fiction one of the most profound compelling and ingenious novels that I have read in years Tom LeClair USA Today An incredibly original and imaginative novel by one of Israel s truly gifted young writers Library Journal

identity before his employers act The novel has a solid sense of intrigue and suspense and its depiction of the world of international espionage feels accurate as it should since the author is a former Mossad agent The characterizations are precise too these aren't stick figures in a spy story but real people in a real environment A nice blend of classic spy novel conventions with a thoroughly contemporary setting Booklist starred review [In the Country We Love](#) Diane Guerrero, Michelle Burford, 2017-05-30 The star of Orange Is the New Black and Jane the Virgin presents her personal story of the real plight of undocumented immigrants in this country **The House That Love Built** Sarah Jackson, 2020-07-14 2021 Christian Book Award Finalist Jackson's visionary account is a beautiful model of sacrificial love Publishers Weekly Starred Review The House That Love Built is the quintessential story of one woman's questioning what it means to be an American and a Christian in light of a broken immigration system Through tender stories of opening her heart and home to immigrants Sarah Jackson shines a holy light on loving our neighbor Sarah Jackson once thought immigration justice was administered through higher walls and longer fences Then she met an immigrant a deported young father separated from his US citizen family and everything changed As Sarah began to know fractured families ravaged by threats in their homeland and further traumatized in US detention biblical justice took on a new meaning As Sarah opened her heart and her home to immigrants she experienced a surprising transformation and the gift of extraordinary community The work she began through the ministry of Casa de Paz joined the centuries old Christian tradition of hospitality shining a holy light on what it means to love our neighbor The dilemma of undocumented people continues to hover over America and it raises urgent questions for every Christian What is our responsibility to the stranger in our midst What does God's kingdom look like in the global political reality of immigration What difference can one person make Sarah engages these questions through profound and tender stories placing readers in the shoes of individuals on every side of the issue asylum seekers torn from their families the guards who oversee them ordinary people with lapsed visas the families left to survive on their own the unheralded advocates for immigrants rights and the government officials who decide the fates of others Ultimately Sarah's journey illuminates how hope can be restored through simple yet radical acts of love **If You Love This Planet** Helen Caldicott, 2009-09-14 Presents a picture of our world and the forces that threaten its existence It gives a prescription for a cure and cause for hope rallying readers to action with the contention that our fight for the planet will draw its strength from love for the Earth itself
