## **From Working Daughters To Working Mothers Immigrant Women In A New England Industrial Community:**

**From Working Daughters to Working Mothers** Louise Lamphere, 1987      **Working Women of Collar City** Carole Turbin, 2023-02-13 Why have some working women succeeded at organizing in spite of obstacles to labor activity Under what circumstances were they able to form alliances with male workers Carole Turbin explores these and other questions by examining the case of Troy New York In the 1860s Troy produced nearly all the nation's detachable shirt collars and cuffs The city's collar laundresses were largely Irish immigrants Their union was officially the nation's first women's labor organization and one of the best organized Turbin provides a new perspective on gender and shows that women's family ties are not necessarily a conservative influence but may encourage women's and men's collective action      **Women's Work and Chicano Families** Patricia Zavella, 2018-03-15 At the time *Women's Work and Chicano Families* Cannery Workers of the Santa Clara Valley was published little research had been done on the relationship between the wage labor and household labor of Mexican American women Drawing on revisionist social theories relating to Chicano family structure as well as on feminist theory Patricia Zavella paints a compelling picture of the Chicano women who worked in northern California's fruit and vegetable canneries Her book combines social history shop floor ethnography and in depth interviews to explore the links between Chicano family life and gender inequality in the labor market      *The Elgar Companion to Feminist Economics* Janice Peterson, Margaret Lewis, 2001-01-01 Comprehensive reference work introducing readers to the field of feminist economics It addresses key concepts as well as feminist economic critiques and reconstructions of major economic theories and policy debates      *Immigrant Women's Lives* Ruth A. Charles, 2018-10-24 First published in 1999 Driven by the interest of the author this study looks at the lives of immigrant women in central New York who are working in the garment industry in hope that by raising awareness Congress will current review legislation when its highlighted how it affects these women and their families Her view is that the media and public discussion tends to present these women as if they are all illegal immigrants looking for welfare benefits instead of law abiding hard working residents This research is written to describe what these women are like what their experiences regarding immigration have been and how arbitrary legislative policies and regulations affect them much these women it also illuminates how much personally the woman have sacrificed in the way of social status cultural comfort and family relationships to come to the United States      **A Companion to American Women's History** Nancy A. Hewitt, 2008-04-15 This collection of twenty four original essays by leading scholars in American women's history highlights the most recent important scholarship on the key debates and future directions of this popular and contemporary field Covers the breadth of American Women's history including the colonial family marriage health sexuality education immigration work consumer culture and feminism Surveys and evaluates the best scholarship on every important era and topic Includes expanded bibliography of titles to guide further research      **Accommodation Without Assimilation** Margaret A. Gibson, 1988 A holistic portrait which reveals why Sikh high school students despite language

barriers prejudice and significant cultural differences often outperform their majority peers and other United States minority groups

Public Anthropology in a Borderless World Sam Beck, Carl A. Maida, 2015-07-01 Anthropologists have acted as experts and educators on the nature and ways of life of people worldwide working to understand the human condition in broad comparative perspective As a discipline anthropology has often advocated and even defended the cultural integrity authenticity and autonomy of societies across the globe Public anthropology today carries out the discipline's original purpose grounding theories in lived experience and placing empirical knowledge in deeper historical and comparative frameworks This is a vitally important kind of anthropology that has the goal of improving the modern human condition by actively engaging with people to make changes through research education and political action

*Gender and U.S. Immigration* Pierrette Hondagneu-Sotelo, 2003-08 Publisher Description "Getting Paid" Mercer L. Sullivan, 2018-05-31 The working class in New York City was remade in the mid nineteenth century In the 1820s a substantial majority of city artisans were native born by the 1850s three quarters of the city's laboring men and women were immigrants How did the influx of this large group of young adults affect the city's working class What determined the texture of working class life during the antebellum period Richard Stott addresses these questions as he explores the social and economic dimensions of working class culture Working class culture Stott maintains is grounded in the material environment and when work population consumption and the uses of urban space change as rapidly as they did in the mid nineteenth century culture will be transformed Using workers first person accounts letters diaries and reminiscences as evidence and focusing on such diverse topics as neighborhoods diet saloons and dialect he traces the rise of a new youth oriented working class culture By illuminating the everyday experiences of city workers he shows that the culture emerging in the 1850s was a culture clearly different from that of native born artisans of an earlier period and from that of the middle class as well

**Cities, Classes, and the Social Order** Anthony Lee, 2017-04-10 Cities Classes and the Social Order brings together nine conceptual and theoretical essays by the anthropologist Anthony Leeds 1925 1989 whose pioneering work in the anthropology of complex societies was built on formative personal and research experiences in both urban and rural settings in the United States Brazil Venezuela and Portugal Leeds brought to his anthropology a simultaneous concern for science and humanism and for explanation and interpretation He constructed a nuanced and intricate vision of the connections among ecology technology history evolution structure process power culture social organization and human creativity The essays in this book draw on his approach to demarcate the role of cities in human history the use and abuse of class analysis the bases of power in complex societies and an agenda for ethnographic and social historical research in the contemporary world In addition to major but little known writings and an important essay on Marx here published for the first time in English a selection of Leeds's ethnographically and politically inspired poems are included as are several of his professionally exhibited photographs In addition introductory essays by R Timothy Sieber and Roger Sanjek chart the course of Leeds's career and

the development of his theoretical viewpoint      **Dismantling Apartheid** Walton Johnson, 2018-08-06 As a result of Pretoria's 1976 imposition of independence on the black homeland of Transkei its capital city Umtata became one of the first communities in South Africa to experience fundamental changes in the apartheid This timely book discusses those relationships that remained unchanged as well as the important race and class realignments that accompanied apartheid's dismantling Walton R Johnson shows that although the universal franchise radically altered municipal government and desegregation changed access to some public and private amenities transformation of the basic patterns of dominance and subordination occurred slowly He describes how the established dominant group perpetuated key parts of the old order by guiding and manipulating a pliable new African middle class For the mass of Africans the facade was new he makes clear but the underlying structures were the same effective social and political control stayed for a long while in the hands of the white elite and few new economic opportunities opened for Africans His chapter on personal ideologies shows how deeply cultural much of this behavior was Providing an informed account of change and continuity in one town *Dismantling Apartheid* is a compelling preview of future social relations in South Africa      *The Varieties of Ethnic Experience* Micaela Di Leonardo, 2018-08-06 Taking a novel anthropological approach to the issue of white ethnicity in the United States this book challenges the model of uniform ethnic family and community culture and argues for a reconsideration of the meaning of class kinship and gender in America's past and present Micaela di Leonardo focuses on a group of Italian American families who live in Northern California and who range widely in economic status Combining the methods of participant observation oral history and economic historical research she breaks decisively with the tradition of viewing white ethnicity solely as Eastern urban and working class The author integrates lively narrative accounts with analysis to give a fresh interpretation of ethnic identity as both materially grounded and individually negotiated She examines the ways in which different occupational experiences influence individual choice of family or community as the unit of collective ethnic identity and she considers the boundaries at which individuals particularly women work out their personal ethnic identities Her analysis illuminates the political meanings that the images of ethnic woman and family have taken on in popular discourse A provocative study that sets the reflections of a broad range of Italian Americans in the context of their varied life histories this book provides an informed commentary on family class culture and gender in American life      *Creativity/Anthropology* Smadar Lavie, Kirin Narayan, Renato Rosaldo, 2018-03-15 Creativity and play erupt in the most solemn of everyday worlds as individuals reshape traditional forms in the light of changing historical circumstances In this lively volume fourteen distinguished anthropologists explore the life of creativity in social life across the globe and within the study of ethnography itself Contributors include Barbara A Babcock Edward M Bruner James W Fernandez Don Handelman Smadar Lavie Jos E Limon Barbara Myerhoff Kirin Narayan Renato Rosaldo Richard Schechner Edward L Schieffelin Marjorie Shostak Anna Lowenhaupt Tsing and Edith Turner      *In the Name of Harmony and Prosperity* Anru Lee, 2004-05-26 Since the 1980s

Taiwan has grown into a global manufacturing powerhouse a model of success that has inspired emulation throughout the developing world Yet at the very peak of this expansion Taiwan began to feel squeezed by changes both domestically and internationally In the Name of Harmony and Prosperity examines Taiwan s economic restructuring since the late 1980s Anru Lee discusses the latest phase of Taiwan s socio economic development most importantly the dialectical relationship between its export oriented industrialization change in production processes and discourse on work ethics including the subject formation of women workers as it relates to conditions in the global economy At the center of this study is the process by which labor capital relations become fair and legitimate and how they contribute to our understanding of Asian capitalism and its role in the world economy *The ^AOxford Handbook of American Immigration and Ethnicity* Ronald H.

Bayor,2016-06-01 The Oxford Handbook of American Immigration and Ethnicity brings together thirty leading scholars to make sense of all the themes methodologies and trends that characterize the debate on American immigration They examine a wide range of topics including pan ethnicity whiteness intermarriage bilingualism religion museum ethnic displays naturalization regional mobility census categorization immigration legislation and its reception ethnicity related crime and gang formation By exploring the idea of assimilation in a multicultural society this Handbook shows how deeply pan ethnicity changed American identity over the time **Anthropology and Migration** Caroline Brettell,2003 Brettell s new book

provides new insight into the processes of migration and transnationalism from an anthropological perspective She analyzes macro and micro approaches to migration theory utilizing her extensive fieldwork in Portugal and many other countries Key issues she discusses include immigrant incorporation vs assimilation models the impacts on individual household and community as well as institutions and states ethnic group composition illegal immigration city vs suburban enclaves ethnic entrepreneurship the role of religion men and women as migrants and the use of oral histories in understanding immigration and the mediation of new social boundaries This book will be indispensable to instructors and researchers in anthropology race and ethnic studies immigration studies urban studies sociology and international relations Visit our website for sample chapters [The Near Northwest Side Story](#) Gina Perez,2004-10-04 In The Near Northwest Side Story Gina M P rez offers

an intimate and unvarnished portrait of Puerto Rican life in Chicago and San Sebastian Puerto Rico two places connected by a long history of circulating people ideas goods and information P rez s masterful blend of history and ethnography explores the multiple and gendered reasons for migration why people maintain transnational connections with distant communities and how poor and working class Puerto Ricans work to build meaningful communities P rez traces the changing ways that Puerto Ricans have experienced poverty displacement and discrimination and illustrates how they imagine and build extended families and dense social networks that link San Sebastian to barrios in Chicago She includes an incisive analysis of the role of the state in shaping migration through such projects as the Chardon Plan Operation Bootstrap and the Chicago Experiment The Near Northwest Side Story provides a unique window on the many strategies people use to resist the

negative consequences of globalization economic development and gentrification

### **The Economic Sociology of**

**Immigration** Alejandro Portes, 1995-06-22 Portes suggests that immigration constitutes an especially appropriate Mertonian strategic research site for economic sociology in that it provides very good opportunities for investigating the embeddedness of economic relationships in social situations the contributors expand the conventional domain of economic sociology quite literally in both time and space Contemporary Sociology Alejandro Portes and his splendid band of collaborators make clear that the causes processes and consequences of migration vary dramatically from group to group that a group's history makes a profound difference to its fate in the American economy They have produced a sinewy book a book worth arguing with Charles Tilly Columbia University The Economic Sociology of Immigration forges a dynamic link between the theoretical innovations of economic sociology with the latest empirical findings from immigration research an area of critical concern as the problems of ethnic poverty and inequality become increasingly profound Alejandro Portes lucid overview of sociological approaches to economic phenomena provides the framework for six thoughtful wide ranging investigations into ethnic and immigrant labor networks and social resources entrepreneurship and cultural assimilation Mark Granovetter illustrates how small businesses built on the bonds of ethnicity and kinship can under certain conditions flourish remarkably well Bryan R Roberts demonstrates how immigrant groups expectations of the duration of their stay influence their propensity toward entrepreneurship Ivan Light and Carolyn Rosenstein chart how specific metropolitan environments have stimulated or impeded entrepreneurial ventures in five ethnic populations Saskia Sassen provides a revealing analysis of the unexpectedly flexible and vital labor market networks maintained between immigrants and their native countries while M Patricia Fernandez Kelly looks specifically at the black inner city to examine how insular cultural values hinder the acquisition of skills and jobs outside the neighborhood Alejandro Portes also depicts the difference between the attitudes of American born youths and those of recent immigrants and its effect on the economic success of immigrant children *Caribbean New York* Philip Kasinitz, 1992 Since 1965 West Indians have been emigrating to the United States in record numbers and to New York City in particular Caribbean New York shows how the new immigration is reshaping American race relations and sheds much needed light on factors that underlie some of the city's explosive racial confrontations Philip Kasinitz examines how two forces racial solidarity and ethnic distinctiveness have helped to shape the identity of New York's West Indian community He compares new post 1965 immigrants with West Indians who arrived earlier in the century and looks in detail at the economic political and cultural rules that Afro Caribbean immigrants have played in the city during each period
