From The Fairway:

Slices I. J. Schecter, 2010-02-18 Millions of words are written in this field every year but few better than those that come from I J Schecter Jane Carter Editor Golf Monthly In golf there are the elite and then there are the rest of us We others lumped together in the Duffer Zone you know us from the formal announcements we send out whenever we break 100 are like the thousands who finish mid pack in a big city marathon happily unremarkable content just to enjoy the sunshine with some like minded others unconcerned about the guy who crossed the tape forty minutes earlier We are competent but not brilliant We are enthusiastic though a far cry from intense Our fairway woods are mostly reliable but put a 3 iron in our hands and we might as well be swinging a screwdriver To the low and high handicapper alike golf represents an ongoing quest and an exhilarating challenge In this brilliant collection award winning author I J Schecter embarks on a dogged pursuit of golf s elusive Holy Grail breaking 100 with hilarious results Clinging to boundless and often groundless optimism Schecter attempts to untangle the secret to good golf in increasingly desperate ways like playing five different courses in five days accompanying a greenskeeping team on their pre dawn rounds trying to replicate one of Tiger Woods legendary shots and turning to a three year old for guidance Like any golfer he comes to realize that the journey though demanding proves its own reward A unique book from a gifted writer Slices is an eloquent witty celebration of both the game of golf and the unwavering efforts of those who try again and again to tame it

Nanninga,2024-01-15 In golf competition foursomes are often played at a high level an example is the Ryder Cup competition between American and British European professionals But foursomes can also be played at a different level of competition In this story set in the 1950s a wealthy publisher in England sponsors a tournament in which teams composed of professionals and sportswriters compete on a links course that was once a vegetable farm The publisher believes that pairing a sportswriter and professional as a team will improve the quality of the reporting about a tournament which the sportswriter is covering There is a cash prize for the professional on the winning team which encourages a golf professional to compete in a tournament he might otherwise avoid An outstanding young lady amateur golfer also enters the tournament playing as a professional in an era in which it was highly unusual for a woman to compete with the men The team of an American sportswriter and the young lady prove to be a formidable pair and they advance to the finals Find out who wins in *Golf among the Vegetables and the Seven Club Challenge* *Golfing the Virginias* Armstrong, Robert,1999 Nearly fifty of the Old Dominion s public daily fee and resort courses are profiled for golfers of every ability Having personally played all these courses the author describes each in exacting detail lists courses by region and recommends the best courses for both beginners and women For each course ratings slopes and pars for every hole are provided Those of special note are examined more thoroughly and advice is given on the best ways to play them With an abundance and variety of courses combined with a central location near the nation s capital Virginia and West Virginia are becoming two of the golfing capitals of the United States *Golfing the Virginias* is the only guide anyone will ever need to the multitude of courses found in the Old Dominion **Sailing Directions (enroute) Philippine Islands** ,1993 **India Directory, Or, Directions for Sailing to and from the East Indies, China, New Holland, Cape of Good Hope, Brazil, and the Interjacent Ports** James Horsburgh,1826 India Directory, Or Directions for Sailing to and from the East Indies, China, New Holland, Cape of Good Hope, Brazil and the Interjacent Ports. 3.
