**Front Row At The White House** Helen Thomas, 1999-08-14 I m still here still arriving at the White House in the wee hours of the morning reading the papers and checking the wire still waiting for the morning briefing still sitting down to write the first story of the day and still waiting to ask the tough questions From the woman who has reported on every president from Kennedy to Clinton for United Press International a unique glimpse into the White House and a telling record of the ever changing relationship between the presidency and the press From her earliest years Helen Thomas wanted to be a reporter Raised in Depression era Detroit she worked her way to Washington after college and unlike other women reporters who gave up their jobs to returning veterans parlayed her copy aide job at the Washington Daily News into a twelve year stint as a radio news writer for UPI covering such beats as the Department of Justice and other federal agencies Assigned to the White House press corps in 1961 Thomas was the first woman to close a press conference with Thank you Mr President and has covered every administration since Kennedy s Along the way she was among the pioneers who broke down barriers against women in the national media becoming the first female president of the White House Correspondents Association the first female officer of the National Press Club and the first woman member later president of the Gridiron Club In this revealing memoir which includes hundreds of anecdotes insights observations and personal details Thomas looks back at a career spent with presidents at home and abroad on the ground and in the air She evaluates the enormous changes that Watergate brought including diminished press access to the Oval Office and how they have affected every president since Nixon Providing a unique view of the past four decades of presidential history *Front Row at the White House* offers a seasoned study of the relationship between the chief executive officer and the press a relationship that is sometimes uneasy sometimes playful yet always integral to democracy Soon enough there will be another president another first lady another press secretary and a whole new administration to discover I m looking forward to it although I m sure whoever ends up in the Oval Office in a new century may not be so thrilled about the prospect      *Front Row at the Trump Show* Jonathan Karl, 2021-03-16 The Instant New York Times Bestseller A book historians will relish Peggy Noonan Wall Street Journal Must read I ve read every book about the Trump presidency This is the best Bill Press An account like no other from the White House reporter who has known President Donald Trump for more than 25 years We have never seen a president like this norm breaking rule busting dangerously reckless to some and an overdue force for change to others One thing is clear We are witnessing the reshaping of the presidency Jonathan Karl brings us into the White House in a powerful book unlike any other on the Trump administration He s known and covered Donald Trump longer than any other White House reporter With extraordinary access to Trump during the campaign and at 1600 Pennsylvania Avenue Karl delivers essential new reporting and surprising insights These are the behind the scenes moments that define Trump s presidency an extraordinary look at the president the person and those closest to him This is the real story of Trump s unlikely rise of the struggles and battles of

those who work in the administration and those who report on it of the plots and schemes of a senior staff enduring stunning and unprecedented unpredictability Karl takes us from a TV set turned campaign office to the strange quiet of Trump's White House on Inauguration Day to a high powered reelection campaign set to change the country's course He shows us an administration rewriting the role of the president on the fly and a press corps that has never been more vital Above all this book is only possible because of the surprisingly open relationship Donald Trump has had with Jonathan Karl a reporter he has praised fought and branded an enemy of the people This is Front Row at the Trump Show Clash Jon Marshall,2022-05 Finalist for the AEJMC James A Tankard Book Award Donald Trump's presidency was marked by angry attacks on journalists an extraordinary ability to capture the media spotlight a flood of disinformation from the White House and bitter partisanship reflected in the media Trump's dysfunctional relationship with the press affected how the United States dealt with the crises of COVID 19 climate change social unrest due to systemic racism and efforts to overturn the 2020 election But Trump's troubled relationship with the press didn't happen by chance Clash explores the political economic social and technological forces that have shaped the relationship between U S presidents and the press during times of crisis In addition to Trump's presidency Clash examines those of John Adams Abraham Lincoln Woodrow Wilson Franklin Roosevelt Richard Nixon Ronald Reagan Bill Clinton George W Bush and Barack Obama Some of these presidents faced military or international crises Others were challenged by economic downturns or political scandals And sometimes the survival of America's system of government was at stake By examining what happened between presidents and the press during these pivotal times Clash helps us understand how we arrived at our current troubled state of affairs It concludes with recommendations for strengthening the role the press plays in keeping presidents accountable **Barbara Bush** Myra G. Gutin,2008 A lively account of the outspoken first lady during her White House years showing how the Silver Fox used her rich experience in politics to master the public relations side of first ladyship with as much skill as any White House spouse **Grace Will Lead Us Home** Jennifer Berry Hawes,2019-06-04 A NEW YORK TIMES NOTABLE BOOK OF 2019 BARNES NOBLE DISCOVER GREAT NEW WRITERS PICK OPRAH MAGAZINE SUMMER 2019 READING LIST SELECTION NEW YORK TIMES EDITOR'S CHOICE A soul shaking chronicle of the 2015 Charleston massacre and its aftermath Hawes is a writer with the exceedingly rare ability to observe sympathetically both particular events and the horizon against which they take place without sentimentalizing her subjects Hawes is so admirably steadfast in her commitment to bearing witness that one is compelled to consider the story she tells from every possible angle The New York Times Book Review A deeply moving work of narrative nonfiction on the tragic shootings at the Mother Emanuel AME church in Charleston South Carolina from Pulitzer Prize winning journalist Jennifer Berry Hawes On June 17 2015 twelve members of the historically black Emanuel AME Church in Charleston South Carolina welcomed a young white man to their evening Bible study He arrived with a pistol 88 bullets and hopes of starting a race war Dylann Roof's massacre of nine innocents during their closing prayer horrified the nation Two days later some

relatives of the dead stood at Roof's hearing and said I forgive you That grace offered the country a hopeful ending to an awful story But for the survivors and victims families the journey had just begun In *Grace Will Lead Us Home* Pulitzer Prize winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy's aftermath With unprecedented access to the grieving families and other key figures Hawes offers a nuanced and moving portrait of the events and emotions that emerged in the massacre's wake The two adult survivors of the shooting begin to make sense of their lives again Rifts form between some of the victims families and the church A group of relatives fights to end gun violence capturing the attention of President Obama And a city in the Deep South must confront its racist past This is the story of how beyond the headlines a community of people begins to heal An unforgettable and deeply human portrait of grief faith and forgiveness *Grace Will Lead Us Home* is destined to be a classic in the finest tradition of journalism
