**Heather's Treehouse: A Macabre Thriller** Christopher Alan Broadstone, A MACABRE THRILLER For Those Who Love POE Clive BARKER and The TWILIGHT ZONE Purisima Concepci n Mission Tej's 1716 Despelleja los diablos rojos vivos cried Guarco More soldiers ran past the Spanish jailer as he cheered them on Skin the red devils alive I say And may God damn them to hell Roaring with laughter Guarco forced the jail door shut against the whiplash wind and secured it With the intense heat of the day colliding with the cold of this evening tempest hail and worse would soon follow Pulling a torch from its hammered scone he made his way from the

jail's anteroom and down its unlit corridor to look in on his newest prisoner Brezo. She did not lift her chin from her chest. Witch he growled. You hurt my friend. You let him kiss and kiss and kiss and you ate his tongue. You chewed out his eyes while he choked on his own blood. You you you. Brezo moved so quickly Guarco did not even see her head jerk or shudder let alone rise her upturned eyes so intense the whites so bared it looked as if two hard-boiled eggs had been set into her sockets. And for the first time in his life Guarco the jailer felt he had become the prisoner. So begins Heather's Treehouse a tale sprigging from the brutal black magic of Native American witchcraft vengeance and the savage merciless end of things in the Old World gone to seed in 1716 and burgeoning 272 years later in the far more modern world of 1988 Edgewood Texas. On the outskirts of this sleepy little town the purest form of evil has been nurtured by the blood and somatic fluids of centuries of slaughter and simmering hatred gestating within a morbidly gnarled black oak named Heather's Treehouse by fifteen-year-old aspiring author Matley Joe Roberts. For Matley Sheriff R.J. Whittaker and the elderly Tawakoni Indian Pappy Sobs the horrific and grisly fight to save Edgewood is a fight not only to save their home and its unsuspecting populace but also their own souls and the higher ideals of humanity. It is a reckoning that quickly escalates into the first battle in a timeless war of tribalism versus individualism ensconced identity fueled vengeance versus commonsense and reason the inevitable result an epic total war ruin that could threaten all of mankind if allowed to flourish and spread beyond the borders of Edgewood. And that says the ever-wise Pappy Sobs to young Matley is why we fight. Cause the very Devil himself might run this world but he still doesn't own it. Not as long as we never ever ever lie down. Broadstone creates three-dimensional mythologies for his fictional worlds and with Heather's Treehouse suggests that if the bad histories man keeps buried underground aren't exhumed they will find a way to burst forth and reclaim an unassuming civilization with a bloody vengeance. With sharply defined characters inhabiting a small town familiarity the reader becomes invested in the misfits the bullies and the civil servants to the point where their commingling with supernatural forces results in genuine mind-altering shock. Written with page-turning urgency Heather's Treehouse is yet another gem from an innovative literary mind. Jonny Numb Heather's Treehouse is full of unexpected twists and action. It's epic it's blood-curdling and its raw human drama left me astounded. A tale masterfully crafted and brilliantly told. The story of Bloodmoon will haunt you for nights to come. L.R. Liverpool. Author of The Man In Black. *Screening Generation X* Christina Lee, 2016-04-01. *Screening Generation X* The Politics and Popular Memory of Youth in Contemporary Cinema examines popular representations of Generation X in American and British film. In arguing that the various constructions of youth are marked by major cultural shifts and societal inequalities it analyzes the iconic Gen X figures ranging from the slacker the teenage time traveller and third-wave feminists to the oeuvre of Molly Ringwald and Richard Linklater. This book explores the important cultural work performed by films that mediate the experiences of Generation X and critiques the ongoing marginalization of the youth who struggle to find their identity and a voice in increasingly unstable times. Specific analyses of such films as Pump Up the Volume The Breakfast Club Heathers
