Heaven A Dance An Evelyn Underhill Anthology:

Heaven a Dance Evelyn Underhill, 1992-01-01 A collection of retreat addresses letters and poems chosen from the works of Evelyn Underhill The editors seek to bring out her remarkable qualities of insight and vision as both mystic and teacher

Evelyn Underhill Annice Callahan, 1997 This book explores Evelyn Underhill's spirituality for daily living by describing aspects of her life and writings that are relevant for contemporary Christians in their daily living It combines scholarly research and pastoral applications The first part focuses on three influences on her life experiences and images her study of the mystics and her work with spiritual guides The second part discusses Underhill's spirituality for daily living based on a study of her letters retreats and other spiritual writings The third part presents her legacy for the third millennium her study of mysticism her spiritual guidance and her spirituality for daily living This work highlights aspects of her life with which readers may identify for example her own return to the Anglican communion after fourteen years her ecumenical dialogue with the Orthodox church and her lifelong attraction to the mystical and sacramental aspect of Roman Catholicism her study of Sufi mystics bringing her into interfaith dialogue her pacifist stance in World War II and her prophetic contribution to the Anglican church as a woman spiritual director retreat preacher theologian spiritual writer and spiritual resource for today

Evelyn Underhill: Anglican Mystic Arthur MacDonald Allchin, Michael Ramsey, 2002-05-01 Fairacres Publications 126 The publication of *Mysticism* in 1911 established Evelyn Underhill's reputation as a significant writer on a subject previously somewhat neglected within the Church of England Her writings emanating from a life of profound prayer have become classics for those seeking to deepen their prayer lives They combine learning authority and readability and are written in an ecumenical spirit of striking breadth and generosity These two essays together with a series of letters she wrote to a novice testing her vocation to the religious life demonstrate her gifts as writer theologian and spiritual director *Heaven's Face, Thinly veiled* Sarah Anderson, 1998-03-17 Women religious and secular medieval and modern have always demonstrated their own unique approach to matters of the spirit Limited in their public roles throughout much of history women have been compelled to turn inward developing rich interior lives in uniquely feminine ways This anthology brings together women's writing from classic religious literature Christian Jewish Buddhist Muslim and Hindu as well as many passages of fiction and poetry that are truly undiscovered treasures of women's spirituality With writers ranging from Helen Keller to Aung San Suu Kyi from Agatha Christie and Ursula K Le Guin to Rabi a the Mystic and Hildegard of Bingen Sarah Anderson's collection proves beyond a doubt that the exploration of the hidden seas within is a journey on which we can all embark *Emily Dickinson and Hymn Culture* Victoria N. Morgan, 2016-12-05 Extending the critical discussion which has focused on the hymns of Isaac Watts as an influence on Emily Dickinson's poetry this study brings to bear the hymnody of Dickinson's female forbears and contemporaries and considers Isaac Watts's position as a Dissenter for a fuller understanding of Dickinson's engagement with hymn culture Victoria N Morgan argues that the emphasis on autonomy in Watts a quality

connected to his position as a Dissenter and the work of women hymnists who sought to redefine God in ways more compatible with their own experience posing a challenge to the hierarchical I Thou form of address found in traditional hymns inspired Dickinson's adoption of hymnic forms As she traces the powerful intersection of tradition and experience in Dickinson's poetry Morgan shows Dickinson using the modes and motifs of hymn culture to manipulate the space between concept and experience a space in which Dickinson challenges old ways of thinking and expresses her own innovative ideas on spirituality Focusing on Dickinson's use of bee imagery and on her notions of religious design Morgan situates the radical re-visioning of the divine found in Dickinson's alternative hymns in the context of the poet's engagement with a community of hymn writers In her use of the fluid imagery of flight and community as metaphors for the divine Dickinson anticipates the ideas of feminist theologians who privilege community over hierarchy **Evelyn Underhill** Ann Loades,1997 Evelyn Underhill 1875 1941 was born into an English legal family and herself married a lawyer She devoted her life to writing in particular about the lives and thoughts of the mystical saints and eventually became a leader of contemplative prayer This is an account of her life and work **The Sunlit Summit** Robin Lloyd-Jones,2013-08-15 William Hutchison Murray 1913 1996 was one of Scotland's most distinguished climbers in the years before and after the Second World War As a prisoner of war in Italy he wrote his first classic book Mountaineering in Scotland on rough toilet paper which was confiscated and destroyed by the Gestapo The rewritten version was published in 1947 and followed by the now equally famous Undiscovered Scotland In 1951 he was depute leader to Eric Shipton on the Everest Reconnaissance Expedition which discovered the eventual successful route which would be climbed by Hilary and Tensing From the 1960s onwards he was heavily involved in conservation campaigns and his book Highland Landscape commissioned by the National Trust for Scotland identified areas of outstanding beauty that should be protected It proved to be extremely influential In 1966 he was awarded an OBE as he pursued a life of service as is well illustrated by the various posts he held Commissioner for the Countryside Commission for Scotland 1968 1980 President of the Scottish Mountaineering Club 1962 1964 and of the Ramblers Association Scotland 1966 82 Chairman of Scottish Countryside Activities Council 1967 82 Vice President of the Alpine Club 1971 72 President of Mountaineering Council of Scotland 1972 75 He was a prolific author but a proper understanding of his life and work requires that we appreciate that his driving force was a quest to achieve inner purification that would lead him to oneness with Truth and Beauty For many years the climber author and teacher Robin Lloyd Jones above has been researching the life and work of Bill Murray and working steadily on this biography It is not only a triumph of fine writing and interest but a worthy accolade for this great man **Journey into Truth** Peter Ball,1999-01-11 Spiritual direction is a relationship in which God is at work using one person to help another on their journey of faith This book shows what this kind of relationship has meant to the Anglican Church over the centuries and what it means for people today **T&T Clark Handbook of Christian Prayer** ,2021-12-16 The essays collected in this volume provide a resource for thinking theologically about the

practice of Christian prayer In the first of four parts the volume begins by reaching back to the biblical foundations of prayer Then each of the chapters in the second part investigates a classical Christian doctrine including God creation Christology pneumatology providence and eschatology from the perspective of prayer The chapters in the third part explore the writings of some of the great theorizers of prayer in the history of the Christian tradition The final part gathers a set of creative and critical conversations on prayer responding to a variety of contemporary issues Overall the T T Clark Handbook of Christian Prayer articulates a theologically expansive account of prayer one that is deeply biblical energetically doctrinal historically rooted and relevant to a whole host of critical questions and concerns facing the world today
