## **Heaven Where It Is Its Inhabitants And How To Get There:**

**Heaven** D. L. Moody, 2017-08-22 D L Moody's superb guide on the nature and location of the heavens and how Christians may reach this sublime sphere is presented here complete. An excellent and sincere manual of faith. This book by D L Moody is a guide for all Christians who wish to know whether and how they can enter the heavenly sphere. Moody first describes the condition of hope that heaven instills in the hearts of humanity before going on to describe who may journey and reach its location. Addressing curiosities regarding what it is like to be in heaven, D L Moody capably and sincerely explains the blissful feeling that inhabits all its residents. The wealth of happiness and the boundless riches of this supreme condition are detailed with God's love and oversight described in clear and bountiful terms. A lifelong adherent to Christianity, Dwight L. Moody was a prolific author associated with the Holiness Movement of the mid-late 19th century. His evangelical speeches around the United States put him in touch with many Christians, and it was their questions and thoughts that inspired several of the books Moody wrote. This edition of the text is the original with supplementary verse by fellow Christian author Anna Shipton. Also included are the original three appendixes which seek to list and explain various Biblical passages relevant to the heavens above. Finally, Moody appends a selection of inspiring songs and verses which are certain to buoy the hearts of readers.

**Heaven: where it is, its inhabitants, and how to get there**, **Heaven: Where It Is, Its Inhabitants, and How to Get There.** Dwight L. Moody, 2014-08-16 This little book upon a subject that is very dear to me has been carefully revised and is sent forth in the hope that it may give comfort and edification to many that the weak may be strengthened, the sorrowing consoled, and the despondent encouraged to look with increased faith to that fairest of fair cities in the Better Land which is the home of the Redeemer and the redeemed. Many books have been published in this country in my name but none of them with authority, and the only motive inspiring this small volume is that souls may be helped.
