anyone who seeks a closer and more intimate relationship with God *How Far Down Does the Elephant Go?* Hugh P. Kemp, 2024-05-23 Coming out of eight years teaching at a high school in Auckland New Zealand this book explores big questions that teenagers themselves generated in Christian Education classes and in a course called Theory of Knowledge in the International Baccalaureate Diploma In thirty letters to his students Hugh Kemp addresses their big questions noting that many conversations are unfinished and that we grow in the direction of our questions All the letters are creatively generated but do represent real questions that students actually asked revealing the inner lives and priorities of twenty first century teenagers Kemp demonstrates a warmth and love for his students but also a critical edge always challenging them to examine their assumptions to see how far down the elephant goes *Rescuing God from Christianity* Sven E. Erlandson, 2004-09 Erlandson articulates the growing frustration that many people have with Christianity and shows how a church is not needed to create a challenging and life changing new path based on the simple call to love God and love one's neighbor *When I Get Where I'm Going* Cheryl Robinson, 2010-09-07 From the bestselling author an inspirational novel about three sisters who rediscover each other and themselves After thirteen years in Hollywood Alicia Day is giving up her dream of stardom and heading home to Detroit and back to her roots Hope Teesdale is desperately seeking the truth about her husband's death when she hears from her long lost half sister Alicia Suddenly her idea of family is put into question Heaven Jetter hasn't spoken to her sister Hope in years Her spirit is being held captive by an abusive boyfriend Her only comfort comes from admiring a mysterious man from afar on the streets of Detroit As the sisters reunite they're determined to help one another find their silver linings And realize that they never have to go it alone again *Complete Works of Swami Vivekananda* Swami Vivekananda, 2019-11-27 Text from all nine volumes of Complete Works of Swami Vivekananda as well as some unpublished material is available here All proceeds are donated to Advaita Ashrama India **Get Right Church & Let's Go Home** Cassandra J. Snyder, 2008-05-23 Get Right Church and Let's Go Home is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world's deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just

a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means everything to us When time ends it ends Everyone will go to heaven once some to be judged and some to be welcomed home This book is designed to help you get home Dead Bibles Created Dead Religions Darrell Herron,2021-08-30 This book exposes the biggest cover up story that has ever existed which should never have needed to be written but sadly because of what has happened it truly must be written At no time in our history has such a book been written which exposes religions and Bibles through historical facts and how religious corruption began In discovering the alterations of Bibles that have risen many religions to the power of dominance through propaganda Through the entity of both we will receive the knowledge of discovery of history s facts of how it happened and how it all began Discovering written manuscripts of the true disciples of Christ that have been buried under the sands for over two thousand years and have recently been found The discovery of these manuscripts have exposed what and who and the reasons Bibles have been written showing how we have been exposed with propaganda the way that religions have called us to follow All has been hidden and are now being exposed from the religious conspiracies to the truth In which the world now has the opportunity to learn the truth about Bibles and religions In discovering how truth gives life and deception takes it away Unlocking the mysteries of the gate to receive the keys of understanding With raging questions of what to believe and what not to believe with revelations of which will emerge victorious After reading this book you will never see the world the same way again **The Theology of Time** Elijah Muhammad,2004 Get Out of Heaven's Waiting Room Joyce Ackley,2008-08 Joyce Ackley is an 83 year old living in Washington State with her little dog Annie an orphan After her husband retired from the Navy the two went to college and became school teachers They became grandparents before they graduated Joyce became a widow 29 years ago and has constantly sought to be useful and happy in her life As she ages she still looks for ways to find life fulfilling She does not want to retire to Heaven s Waiting Room Can t do the things you used to do Ready to give up on life This book is full of ideas to get you out of Heaven s Waiting Room and back to enjoying the wonderful life God has given you The book is a series of essays and ideas for you to try You will find out why to cough in a plastic bag or find out how you get pregnant Other laughable notes as well as a touching story of a grandfather crying in church on Christmas Eve It s a book that will start you thinking make you laugh and make you begin to live again Young at Hearts are the main focus of the book although anyone needing ideas to spice up their life will find it helpful **Word and Work of David J. Lewis** David J. Lewis,1900 A Dictionary of Numeral Words, by which all difficulty in the remembrance of figures is removed: with an explanation of the plan ... Second edition William Henry Crook (LL.D.),1838 Inching Toward Heaven's Door John F. Sieckhaus, Ph.D.,2001-11-01 There are few clues as to why a person responds to the vicissitudes of life in a given way As John Sieckhaus states in this memoir of his own spiritual journey some have the courage to choose life from their earliest moments of sober reflection while others opt to soothe their pain with addictions of the mind and body some choose an early final exit and still others stay the healing course

trusting that there is purpose to their lives meaning in their suffering and healing as the intended outcome of some higher power The tragic slaying of his parents propels the author as sixteen year old onto a life course dictated initially by his own errant choices and the acculturations of family tribe and society His decision to pursue a Ph D in chemistry is consistent with his search for life s magic formula the alchemist s quest for the philosopher s stone but the first fruits of this venture are depression and a horrific encounter with his family demons Resort to psychotherapy and chemical dis ease management a therapeutic model characterized by a patient s need to trust in the alchemical wisdom of his or her therapist proves to be a mere palliative in a desperate striving to arrest the pain and it is only through an encounter with the living God amidst a small band of refugees from mainline Christian churches that his journey of faith remembrance and healing begins John Sieckhaus tells this story with conviction and a deep sense of gratitude for God s provision of trustworthy guides and fellow travelers on the way It was from James and Mary Baird a couple whose decision to stand against the racial prejudices inherent in their small town culture in Baird Mississippi in the 1950s forced them to leave family clan and culture to reach out to the hurting and the needy in southeast Asia that he learned to heed God s call in his life and to pursue his vocation with a new sense of adventure and purpose In so doing he had to come to grips with his work as a scientist engaged in the development of weapon systems and was eventually led to challenge his company s involvement with nerve gas research and resign his position With each step in his vocational journey the healing went deeper and finally after staying the course for more than twenty years the author was gifted with a revelation of his family pathology which provided the clues concerning his own responses to life This is a story that the author was compelled to tell because the telling was an integral part of his healing journey and because as he states in the introduction I believe that what I have experienced and learned is not just for my own healing and spiritual growth that perhaps it may help others walk their own path to wholeness If this should prove to be the case for only one other person it the telling will have been worth the effort
