Heavenly Breakfast An Essay On The Winter Of Love:

Heavenly Breakfast Samuel R. Delany, 1997 An essay on urban communes and cooperatives in the winter of sixty seven sixty eight based on the author s experience in a New York commune Cover **Heavenly Breakfast** Samuel R. Delany, 1997 Cultural Writing Memoir HEAVENLY BREAKFAST is Samuel R Delaney s wise and vivid essay on urban communes and cooperatives in the winter of Sixty seven Sixty eight It examines their function structure permanence and impermanence as precisely as a sociological study Because its method is narrative and anecdotal however it reads like a passionate memoir a marvelous document from an extraordinary time Based on journals he kept at the time these pages recount his encounters with other communes and experimental living arrangements some gentle some brutal of encounters between those inside and those outside the countercultural life of idealism and hopes pushing against a resistant reality A Checklist of Samuel R. Delany , 1991 *Reading by Starlight* Damien Broderick, 2005-06-29 Reading by Starlight explores the characteristics in the writing marketing and reception of science fiction which distinguish it as a genre Damien Broderick explores the postmodern self referentiality of the sci fi narrative its intricate coded language and discursive encyclopaedia He shows how for perfect understanding sci fi readers must learn the codes of these imaginary worlds and vocabularies all the time picking up references to texts by other writers Reading by Starlight includes close readings of paradigmatic cyberpunk texts and writings by SF novelists and theorists including Isaac Asimov Arthur C Clarke Brian Aldiss Patrick Parrinder Kim Stanley Robinson John Varley Roger Zelazny William Gibson Fredric Jameson and Samuel R Delaney **Prophecy in a Secular Age** David True, 2021-02-09 The place of religion within a secular society has been much discussed in recent years fueled in part by Charles Taylor s *Secular Age* 2007 The conversation surrounding Taylor s work suggests a widespread interest in religion in secular or post secular contexts Even as scholars have become increasingly interested in emerging and novel forms of religion prophecy has continued to be depicted in traditional forms employed to further partisan agendas In place of secularity as religious declension and culture clash this volume explores prophetic works in a variety of forms including satire tragedy the novel Native American tradition science fiction the Bible and higher education itself Together the contributors demonstrate that there is much to learn from both religious and secular prophecy The book is inspired by the idea that prophetic works are a promising subject area for a diverse audience in both higher education and the church The volume s contributors demonstrate as much in that they work in a wide range of disciplines including religious studies biblical studies theology American studies literature philosophy and political theory *Dark Horizons* Tom Moylan, Raffaella Baccolini, 2013-12-02 First published in 2003 With essays by an international and interdisciplinary group of scholars *Dark Horizons* focuses on the development of critical dystopia in science fiction at the end of the twentieth century In these narratives of places more terrible than even the reality produced by the neo conservative backlash of the 1980s and the neoliberal hegemony of the 1990s utopian horizons stubbornly anticipate a different and more just world The top notch team

of contributors explores this development in a variety of ways by looking at questions of form politics the politics of form and the form of politics In a broader context the essays connect their textual and theoretical analyses with historical developments such as September 11th the rise and downturn of the global economy and the growth of anti capitalist movements

Gender Talk Johnnetta B. Cole, Beverly Guy-Sheftall, 2009-01-16 Why has the African American community remained silent about gender even as race has moved to the forefront of our nation s consciousness In this important new book two of the nation s leading African American intellectuals offer a resounding and far reaching answer to a question that has been ignored for far too long Hard hitting and brilliant in its analysis of culture and sexual politics Gender Talk asserts boldly that gender matters are critical to the Black community in the twenty first century In the Black community rape violence against women and sexual harassment are as much the legacy of slavery as is racism Johnnetta Betsch Cole and Beverly Guy Sheftall argue powerfully that the only way to defeat this legacy is to focus on the intersection of race and gender Gender Talk examines why the race problem has become so male centered and how this has opened a deep divide between Black women and men The authors turn to their own lives offering intimate accounts of their experiences as daughters wives and leaders They examine pivotal moments in African American history when race and gender issues collided with explosive results from the struggle for women s suffrage in the nineteenth century to women s attempts to gain a voice in the Black Baptist movement and on into the 1960s when the Civil Rights movement and the upsurge of Black Power transformed the Black community while sidelining women Along the way they present the testimonies of a large and influential group of Black women and men including bell hooks Faye Wattleton Byllye Avery Cornell West Robin DG Kelley Michael Eric Dyson Marcia Gillispie and Dorothy Height Providing searching analysis into the present Cole and Guy Sheftall uncover the cultural assumptions and attitudes in hip hop and rap in the O J Simpson and Mike Tyson trials in the Million Men and Million Women Marches and in the battle over Clarence Thomas s appointment to the Supreme Court Fearless and eye opening Gender Talk is required reading for anyone concerned with the future of African American women and men

Black Dignity Vincent W. Lloyd,2022-11-15 Why Black dignity is the paradigm of all dignity and Black philosophy is the starting point of all philosophy This radical work by one of the leading young scholars of Black thought delineates a new concept of Black dignity yet one with a long history in Black writing and action Previously in the West dignity has been seen in two ways as something inherent in one s station in life whether acquired or conferred by birth or more recently as an essential condition and right common to all of humanity In what might be called a work of observational philosophy an effort to describe the philosophy underlying the Black Lives Matter movement Lloyd defines dignity as something performative not an essential quality but an action struggle against domination Without struggle there is no dignity He defines anti Blackness as an inescapable condition of American life and the slave s struggle against the master as the primal scene of domination and resistance Exploring the way Black writers such as Frederick Douglass Langston Hughes and Audre Lorde have dealt with themes such as Black rage Black love and Black magic Lloyd posits that Black dignity is the paradigm of all dignity and more audaciously that Black philosophy is the starting point of all philosophy

Heavenly Breakfast Samuel R. Delany,1979 **Feast of Excess** George Cotkin,2016 Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment

Black/Gay Simon Dickel,2012-06-01 This book explores key texts of the black gay culture of the 1980s and 90s Starting with an analysis of the political discourse in anthologies such as In the Life and Brother to Brother it identifies the references to the Harlem Renaissance and the Protest Era as common elements of

black gay discourse This connection to African American cultural and political traditions legitimizes black gay identity and criticizes the construction of gay identity as white Readings of Isaac Julien s Looking for Langston Samuel R Delany s Atlantis Model 1924 and The Motion of Light in Water Melvin Dixon s Vanishing Rooms Randall Kenan s A Visitation of Spirits and Steven Corbin s No Easy Place to Be demonstrate how these strategies of signifying are used in affirmative humorous and ironic ways Group Works Ethan Philbrick,2023-04-25 An exciting new reflection on the role of artistic collaboration collectivism and the politics of group formation in the neoliberal era The artist and author Ethan Philbrick s Group Works reimagines the group by undertaking an historiographic archaeology of group aesthetics and politics Written against both phobic and romantic accounts of collectivity Group Works contends that the group emerges as a medium for artists when established forms of collective life break down Philbrick pairs group pieces in dance literature film and music from the 1960s and 1970s downtown Manhattan scene alongside a series of recent group experiments Simone Forti s dance construction Huddle 1961 is put into relation with contemporary re performances of Forti s score and huddling as a feminist political tactic Samuel Delany s memoir of communal living Heavenly Breakfast An Essay on the Winter of Love 1969 78 speaks to performance artist Morgan Bassichis s 2017 communal musical adaptation of Larry Mitchell s 1977 text The Faggots and Their Friends Between Revolutions Lizzie Borden s experimental documentary of feminist collectivity Regrouping 1976 sits alongside visual artist Sharon Hayes s 2014 piece on Manhattan s Pier 54 Women of the World Unite they said and Julius Eastman s insurgent piece of chamber music for four pianos Gay Guerrilla 1979 resonates alongside contemporary projects that take up Eastman s legacy by artists such as Tiona Nekkia McClodden By analyzing works that articulate the politics of race gender and sexuality as questions of group formation Philbrick approaches the group not as a stable idealizable entity but as an ambivalent way to negotiate and contest shifting terms of associational life Group Works presents an engaging exploration of what happens when small groups become a material and medium for artistic and political experimentation

Judith Merrill Dianne Newell,Victoria Lamont,2014-01-10 Remembered as one of science fiction s best editors Judith Merrill 1923 1997 also wrote prolifically and stands as one of the genre s central figures in the United States and Canada This work offers a much needed literary biography and critical commentary on Merrill s groundbreaking science fiction anthologies reviews memoir and other endeavors A thorough account of Merrill s 50 year career it is a valuable source for students of science fiction women s life writing women s contributions to frontier mythology and women s activism

Dangerous Visions and New Worlds Andrew Nette,Iain McIntyre,2021-10-26 Much has been written about the long Sixties the era of the late 1950s through the early 1970s It was a period of major social change most graphically illustrated by the emergence of liberatory and resistance movements focused on inequalities of class race gender sexuality and beyond whose challenge represented a major shock to the political and social status quo With its focus on speculation alternate worlds and the future science fiction became an ideal vessel for this upsurge of radical protest Dangerous Visions and New

Worlds Radical Science Fiction 1950 to 1985 details celebrates and evaluates how science fiction novels and authors depicted interacted with and were inspired by these cultural and political movements in America and Great Britain It starts with progressive authors who rose to prominence in the conservative 1950s challenging the so called Golden Age of science fiction and its linear narratives of technological breakthroughs and space conquering male heroes The book then moves through the 1960s when writers including those in what has been termed the New Wave shattered existing writing conventions and incorporated contemporary themes such as modern mass media culture corporate control growing state surveillance the Vietnam War and rising currents of counterculture ecological awareness feminism sexual liberation and Black Power The 1970s when the genre reflected the end of various dreams of the long Sixties and the faltering of the postwar boom is also explored along with the first half of the 1980s which gave rise to new subgenres such as cyberpunk Dangerous Visions and New Worlds contains over twenty chapters written by contemporary authors and critics and hundreds of full color cover images including thirteen thematically organised cover selections New perspectives on key novels and authors such as Octavia Butler Ursula K Le Guin Philip K Dick John Wyndham Samuel Delany J G Ballard John Brunner Judith Merril Barry Malzberg Joanna Russ and many others are presented alongside excavations of topics works and writers who have been largely forgotten or undeservedly ignored

The Subject of Race in American Science Fiction Sharon DeGraw, 2006-12-19 While the connections between science fiction and race have largely been neglected by scholars racial identity is a key element of the subjectivity constructed in American SF In his Mars series Edgar Rice Burroughs primarily supported essentialist constructions of racial identity but also included a few elements of racial egalitarianism Writing in the 1930s George S Schuyler revised Burroughs normative SF triangle of white author white audience and white protagonist and promoted an individualistic highly variable concept of race instead While both Burroughs and Schuyler wrote SF focusing on racial identity the largely separate genres of science fiction and African American literature prevented the similarities between the two authors from being adequately acknowledged and explored Beginning in the 1960s Samuel R Delany more fully joined SF and African American literature Delany expands on Schuyler s racial constructionist approach to identity including gender and sexuality in addition to race Critically intertwining the genres of SF and African American literature allows a critique of the racism in the science fiction and a more accurate and positive portrayal of the scientific connections in the African American literature Connecting the popular fiction of Burroughs the controversial career of Schuyler and the postmodern texts of Delany illuminates a gradual change from a stable essentialist construction of racial identity at the turn of the century to the variable social construction of poststructuralist subjectivity today

American Paraliterature and Other Theories to Hijack Communication Blake Stricklin, 2021-03-30 American Paraliterature examines the generative encounters of post 1968 French theory with the postwar American avant garde The book begins with an account of the 1975 Schizo Culture conference that was organized by Semiotext e editor Sylv re Lotringer at Columbia University The conference

was an attempt to directly connect the American avant garde with French theory At the event John Cage shared the stage with Deleuze and Foucault introduced William S Burroughs This schizo connection presents a way to read the experimental methods of the American avant garde Burroughs Cage and Kathy Acker and how their writing creates a counterprogram to the power that Foucault and Deleuze started to articulate in the 1970s

Ethics for Apocalyptic Times Daniel Shank Cruz,2023-11-21 Ethics for Apocalyptic Times is about the role literature can play in helping readers cope with our present day crises including the COVID 19 pandemic climate change and the shift toward fascism in global politics Using the lens of Mennonite literature and their own personal experience as a culturally Mennonite queer Latinx person Daniel Shank Cruz investigates the age old question of what literature s role in society should be and argues that when we read literature theapoetically we can glean a relational ethic that teaches us how to act in our difficult times In this book Cruz theorizes theapoetics a feminist reading strategy that reveals the Divine via literature based on lived experiences and extends the concept to show how it is queer decolonial and equally applicable to secular and religious discourse Cruz s analysis focuses on Mennonite literature including Sofia Samatar s short story collection Tender and Miriam Toews s novel Women Talking but also examines a non Mennonite text Samuel R Delany s novel The Mad Man alongside practices of haiku and tarot to show how reading theapoetically is transferable to other literary traditions Weaving together close reading and personal narrative this pathbreaking book makes a significant and original contribution to the field of Mennonite literary studies Cruz s arguments will also be appreciated by literary scholars interested in queer theory and the role of literature in society
