Heavens Child Recovering From The Loss Of An Infant:

Heaven's Child Christine Ikenberry, 2003-06-01 On a mother's journey to recovery through poetry after losing her child to SIDS sudden infant death syndrome **Children in Heaven, Or, The Infant Dead Redeemed by the Blood of Jesus** William Edward Schenck, 1865 Dying Infants sav'd by Grace, proved ... in a sermon ... By S. A. [i.e. Samuel Acton.] S. A., Samuel ACTON, 1699 **Infants in Heaven: or, the Probable future state of deceased children** Richard EDLESTON, 1851 Heaven in the American Imagination Gary Scott Smith, 2011-06-01 Does heaven exist? If so, what is it like? And how does one get in? Throughout history, painters, poets, philosophers, pastors, and many ordinary people have pondered these questions. Perhaps no other topic captures the popular imagination quite like heaven. Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven. He argues that whether Americans have perceived heaven as reality or fantasy, as God's home or a human invention as a source of inspiration and comfort or an opiate that distracts from earthly life or as a place of worship or a perpetual playground has varied largely according to the spirit of the age. In the colonial era, conceptions of heaven focused primarily on the glory of God. For the Victorians, heaven was a warm, comfortable home where people would live forever with their family and friends. Today, heaven is often less distinctively Christian and more of a celestial entertainment center or a paradise where everyone can reach his full potential. Drawing on an astounding array of sources including works of art, music, sociology, psychology, folklore, liturgy, sermons, poetry, fiction, jokes, and devotional books, Smith paints a sweeping, provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven. My Father's House; Or, The Heaven of the Bible James Madison MacDonald, 1856

Children's Spirituality, Second Edition Kevin E. Lawson, Scottie May, 2019-06-13 The Society of Children's Spirituality Christian Perspectives launched in 2003 with its first conference held at Concordia University Chicago in River Forest, Illinois. An earlier edition of this book, composed of chapters based on presentations from that conference, was published in 2004. In 2018, a decision was made to revise this book from the inaugural conference, updating some chapters and providing a new perspective on the ongoing work of the organization, now called the Children's Spirituality Summit. For example, given the advances in what we are learning from brain research, a chapter on this topic has been extensively updated. What this revised volume provides is a collection of chapters offering theological perspectives, social science research, and insights on ministry practice about the spiritual lives of children: how they relate to God, how this relationship grows, and what helps in promoting the spiritual formation and vitality of children in the home, church, and school. This book offers twenty-three chapters by professors, graduate students, social science researchers, and ministry leaders from different denominational traditions, addressing a wide range of issues in theory, research, and ministry practice with children. This second edition offers much to learn from, stimulate your thinking, and improve your practice. *Concerning infants, or little children, in heaven, etc.* [By John Clowes.] John CLOWES, 1815 **A Consolatory Poem on the Death of Infants ..., with other occasional hymns,**

The Spiritual Condition of Infants Adam Harwood,2011-03-15 What is the spiritual condition of infants According to the Augustinian Calvinist view all people inherit from the first Adam both a sinful nature and his guilt The result is that all infants are subject to the judgment of God against their nature before they knowingly commit any sinful actions But is this the clear teaching of Scripture In The Spiritual Condition of Infants Adam Harwood examines ten relevant biblical texts and the writings of sixteen theologians in order to clarify the spiritual condition of infants Although no passage explicitly states the spiritual condition of infants each text makes contributions by addressing the doctrines of man sin the church and salvation If this biblical historical analysis exposes the traditional Augustinian Calvinist view to be inadequate then is it possible to construct an alternate view of the spiritual condition of infants Such a view should remain faithful to the biblical emphasis on humankind s connection to Adam and his sin but also recognize the guilt and condemnation of an individual only in the manner and time that God does in Scripture That is the aim of this book
