uses Scripture to recalibrate our hearts so we can walk in the freedom Christ has provided from sin and from the encumbrances that weigh us down There s nothing more heartbreaking than to see saints who are bound by performance not realizing there is freedom through Christ In the midst of performance we try to please everyone to do what we think makes God happy to live a good life and we don t realize that the walls are closing in around us There are four walls in the trap of performance our trajectory our relationships our affirmation and our peers Each of these speaks deeply to our souls as something we need in order to have a good life but we enslave ourselves to something that will never be enough Instead God invites us into the trap of grace which frees us The life giving walls of this trap are trust in God reconciliation with God affection from God and partnership with our brothers and sisters in Christ As we acknowledge how we are bound by performance we can with God s help flee into the captivity of grace and rest in God s unfailing love Strategies from

Tomson,2001-04-01 This is both an introduction to the New Testament and a study of its writings in relation to Judaism The aim is to explore both the clear Jewish roots of the New Testament and its incipient anti Judaism The first two chapters give an overview of Jewish life and religion in the Greco Roman world with special attention to the various groups and schools among which the Jesus movement originated Another chapter focusses on the tradition of the words and deeds of Jesus the enigmatic teacher from Nazareth The rest of the book studies the range of New Testament writings in their varied attitude towards Judaism The concluding chapter is about how Christians might handle anti Jewish texts in their Bible

Hitchhiking to Heaven Henry J. Olis, 2010-03 Prayer for America Lord Jesus You have created America the greatest nation on earth by selecting righteous statesmen to lead it in its infancy and it became the most prosperous nation on earth and it inspired freedom loving people to come and enjoy the freedom and opportunities it offered You are a God that sees all hears all and knows all We confess that we have fallen asleep and allowed the nation to slip so low morally We have allowed Your Name and Word to be removed from our schools and thereby creating a condition where the title of coach commands more respect than You or Reverend Lord forgive us We come to You with humbled hearts to claim Your grace and mercy Former President George Bush tried to get us to believe that You are the same God as Allah You have said to us You shall have no other gods before me We pray that You change his mind and if he is not man enough to admit that he is wrong then let him be history President Obama has tried to convince us that he has the answers to the world's problems It is obvious that he leading us in the wrong direction and aiding our enemies that are trying to destroy us You have informed us through Your angel Gabriel that with You nothing is impossible So we pray that you change his mind as You changed Saul's mind when he was on his way to Damascus to arrest Your disciples and help us to repent and correct the errors of our ways so we can restore the nation as it was Amen Pennies-Fun-Heaven! Whose Heaven Is It? Gurdev Naegeli, 2014-08-06 Mankind is on this physical earthly level for a purpose that of continuing his spiritual journey He senses there is more to existence in seeking meaning and happiness The Spiritual Platform contains the natural spiritual laws that govern our individual and collective development Religions are but part of the expression of this journey and not the final outcome and today we need to understand the specific spiritual laws of good and bad as compared with right and wrong More unites us than divides us and using these natural spiritual laws will help us to fulfill our destiny **Re-Created for Greatness** Evangelist Francis Bofo, 2011-08-23 Many people seek God's Heaven and His promised glory but are ignorant of the demand it places on them after their redemption The attainment of the promised glory requires submission to God's dominion power and authority in Christ Jesus now Your submission prepares and makes you ready for your eternal destiny in heaven where the all consuming presence of God dwells The Bible says that without holiness no one will see God The infinite Lord constrained Himself within our finite body to give you the opportunity

to share His infinite nature and glory in heaven What is your response Are you correctly oriented toward this divine destiny Do not be like people whose lifestyles relationship with people and with the things of this evil age show that they are oblivious to the demand of their eternal destiny Many people have their hearts inordinately oriented toward their now needs with little regard for their eternal destiny If you truly are seeking your promised glory in heaven journey through the pages of this book to discover some of the things you need to know and practice to ensure your promised glory

Beyond Heaven and Earth Gabriel Levy, 2022-02-01 An approach to understanding religion that draws on both humanities and natural science but rejects approaches that employ simple monisms and radical dualisms In *Beyond Heaven and Earth* Gabriel Levy argues that collective religious narratives and beliefs are part of nature they are the basis for the formation of the narratives and beliefs of individuals Religion grows out of the universe but to make sense of it we have to recognize the paradox that the universe is both mental and material or neither We need both humanities and natural science approaches to study religion and religious meaning Levy contends but we must also recognize the limits of these approaches First we must make the dominant metaphysics that undergird the various disciplines of science and humanities more explicit and second we must reject those versions of metaphysics that maintain simple monisms and radical dualisms Bringing Donald Davidson's philosophy a form of pragmatism known as anomalous monism to bear on religion Levy offers a blueprint for one way that the humanities and natural sciences can have a mutually respectful dialogue Levy argues that in order to understand religions we have to take their semantic content seriously We need to rethink such basic concepts as narrative fiction information agency creativity technology and intimacy In the course of his argument Levy considers the relation between two closely related semantics fiction and religion and outlines a new approach to information He then applies his theory to discrete cases ancient texts modern media and intimacy
