Hebrew Bible:

The Hebrew Bible for Beginners Dr. Joel N. Lohr, Dr. Joel S. Kaminsky, 2015-09-15 Jews call the Hebrew Scriptures the Tanakh and Christians call them the Old Testament. It doesn't take long to see that Jews and Christians view the same set of books differently and interpret these scriptures in unique and at times conflicting ways. *The Hebrew Bible for Beginners* introduces students to the tremendous influence the Hebrew Bible has had on western society for over two millennia and explores the complexities of reading ancient religious literature today. The book also addresses how certain modern critical approaches may initially be alarming, indeed even shocking to those who have not been exposed to them, but it tackles the conversation in a respectful fashion. Avoiding jargon and convoluted prose, this highly accessible volume provides textboxes, charts, a timeline, a glossary, and regularly includes artistic renderings of biblical scenes to keep lay and beginning readers engaged. *The Hebrew Bible: A Translation with Commentary (Vol. Three-Volume Set)* Robert Alter, 2018-12-18 A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible now complete reanimates one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

Introduction to the Hebrew Bible, Third Edition - The Torah/Pentateuch John J. Collins, 2019-04-15 John J. Collins's *Introduction to the Hebrew Bible* is one of the most popular introductory textbooks in colleges and seminary classrooms. Enriched by decades of classroom teaching, it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments. The third edition is presented in a new and engaging format with new maps and images. An index has been added to the volume for the first time. In order to enhance classroom use, Collins's major text has now been divided into four volumes, one for each major part of the Hebrew Bible. This volume focuses on the Torah/Pentateuch. Here Collins explores the Near Eastern context and the nature of the pentateuchal narrative and provides helpful insights into Genesis through Deuteronomy. The volume also contains the introduction to Collins's major text and is now available with even more student-friendly features, including charts, maps, photographs, chapter summaries, and bibliographies for further reading. Collins presents the current state of historical, archaeological, and literary understandings of the biblical text and engages the student in questions of significance and interpretation for the contemporary world. *The Hebrew Bible* David M.
