A Curious Student's Guide to the Book of Exodus Reuven Travis, 2021-07-01 No matter how many times you have read stories from the Bible, there is always something new to learn from the lives of its characters and the challenges they face. This is especially true for the book of Exodus, and this second Curious Student's Guide will help your children glean new insights into the Exodus narrative. This book will guide your children to these lessons by first summarizing key stories from Exodus and then asking thought-provoking questions. Consider the following example: Every reader of Exodus knows that Moses is its hero, but how many are aware of Miriam's heroism? Miriam is six years old when Moses is

born Very often adults tell six year old children that they are too little to do this or that But it is Miriam who approaches Pharaoh s daughter after she pulls baby Moses from the river to ask Shall I go and get you a Hebrew woman to nurse the child for you How dare any slave especially a child speak to Pharaoh s daughter and tell her what to do Miriam dares and by highlighting her bravery this book challenges young readers to think about what they can accomplish by speaking up With this Curious Student s Guide in hand your children will discover similarly important life lessons they can apply to their own lives **School Library Journal** ,2000 **The Old and New Testament Connected in the History of the Jews and Neighbouring Nations**, Humphrey Prideaux,1724 The Old and New Testament Connected in the History of the Jews and Neighbouring Nations, from the Declension of the Kingdoms of Israel and Judah to the Time of Christ Humphrey Prideaux,1718
