## Hebrews A New And Better Way:

**Hebrews** Herbert W. Chilstrom,1983      *A Study of the Book of Hebrews* Dennis Dinger,2012-04-20 This book is a study of the epistle to the Hebrews Because the human author of this epistle is unknown we understand it to be a direct communication to us from God The main subject of this book is the Son of God the Lord Jesus Christ Throughout the epistle He is described in great detail in His many functions as Son of God Son of man Great High Priest after the order of Melchisedec Savior Redeemer and Sustainer of the world      [The Allegory of the Gospel of Jesus Christ](#) Vernon Mahelona Sr.,2007-12 Mahelona provides a remarkable chronicle of the gospel age written in the book of Genesis This amazing account of prophesy reveals the chronological age of the gospel Christ fulfilled in the incarnation Christian      **The Great Texts of the Bible: Thessalonians to Hebrews** James Hastings,1914      *Hebrews to Revelation* Philip McCarty,2025-06-18

Understanding what the Bible says about God and humans is very important for our life But sometimes the Bible can seem confusing especially when trying to read one of the letters in the Bible where we are only getting one side of the conversation This book comes alongside you in your study Written with an average person in mind you will find easy to understand language that helps clarify important concepts within a passage Technical words are explained as you read instead of having to use a glossary To help a passage come alive and the reader gain a better understanding passages are tied to other passages within the Bible and the cultural context is given by sharing the historical and cultural situation of the time when the passage was written The letters of the New Testament studied in this book are by various authors each with something important to say to the Church of their time and ours Hebrews reveals Jesus as the Messiah James gives guidance for practical Christian living Peter helps us sustain faith with truth amid suffering The writings of John emphasize the command for Christians to love others The letter of Revelation guides us to place our hope in God instead of misplacing it in other objects God did not design the Bible to be confusing This book is designed to be an understandable Bible commentary for the average person s study of the Bible      **Jesus - When Is He Coming?** Robert Y. Jackson,2011-09-21 For many years its been taught almost without contradiction that no one can know when Jesus will return for His church Thats because He spoke of His return saying But of the day and hour no one knows not even the angels in heaven NOR THE SON but only the Father Mark 13 32 That indeed was true at the time Jesus said it however shortly after His resurrection He said something else that changed the situation concerning the knowledge of His return He then said ALL AUTHORITY has been given to Me in heaven and on earth Matthew 28 18 Since Jesus now has ALL AUTHORITY in heaven and earth its inconceivable that He Himself no longer knows when He will come for His church That means Mark 13 32 above was true for ONLY a short time after He said it In I Thessalonians 4 15 17 we have a description of Jessuss return for His church Then Chapter 5 follows acknowledging that unbelievers will indeed have no idea when its about to happen however Verse 4 says But YOU brethren are NOT IN DARKNESS that this day should overtake you as a thief BELIEVERS ARE NOT IN DARKNESS ABOUT WHEN JESUS IS

COMING His return doesn't have to be a surprise to His Church Therefore this book examines both Bible prophecies and examples to see when Scripture indicates Jesus will return The first chapter of this book shows from Scripture that also contrary to general teaching there is at least one major prophecy that must still be fulfilled BEFORE Jesus can come

*Hebrews, the General Letters, and Revelation* Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion

**Holy Wars** Don Wigton,2008-01-25 Holy Wars is the most memorable book on the subject of church music I ve ever read Your work is exquisite Frank Pooler Professor Director Cal State Long Beach University Choir Holy Wars is a comprehensive worship study written for every believer who seeks to live a life of true biblical worship within the cultural storm that we find ourselves today It is an intimate book written for the benefit of promoting a personal relationship with Jesus Christ according to the guidance of God s Word When we think of Holy Wars one might picture terrorism But there is a Holy War raging within the church itself that is proving to be of far more consequence than Islamic dread Because this war is engaged within the worship life of the people of God the outcome could seriously undermine Christian orthodoxy and the Christian way of life for generations to come As the result of the efforts of Church Growth advocates congregations throughout America are contending over different notions of worship The decisions that Christians make in that regard will determine the shape and influence of the Church and the nature of our society over the next century We can find answers within this ongoing battle once we have come to a full understanding of the nature of biblical worship Many times manipulative entertainment schemes attempts to conform to the world watered down theology church politics mediocre music and unbiblical worship forms drag the people of God away from their true calling Holy Wars delves into each of these areas of church life to discern what is going wrong while offering specific biblical remedies

**Biblical Theology According to the Apostles** Chris Bruno,Jared Compton,Kevin McFadden,2020-06-23 How did the apostles understand the Old Testament The New Testament s explicit summaries of the Old Testament story of Israel give readers direct access into the way the earliest Christians did biblical theology This NSBT volume examines the passages

in the Synoptic Gospels Acts Paul's letters and Hebrews which recount the characters events and institutions of Israel's story  
Exodus in the New Testament Seth M. Ehorn, 2022-03-24 In focusing exclusively on the book of Exodus and its constant allusions in the New Testament this new collection of studies seeks both to increase knowledge of the textual transmission of Exodus in the first century and to encourage further methodological reflection on the use of Scripture vs scriptural traditions as employed by ancient authors First exploring the role of Exodus within Judaism in the Second Temple Period the contributors then reflect upon the rhetorical impact of Exodus citations and allusions in the New Testament By taking the reader from the Four Gospels through the Pauline and Disputed Letters and Hebrews and all the way to Revelation itself this volume demonstrates both the unity and the diversity of appeals to Exodus traditions in Jewish and Christian literature within the Second Temple Period
