Helen Portrait Of A Prime Minister:

Helen Brian Edwards,2001 Part oral history part biography this narrative follows Helen s life and career from childhood through to the present day *Ms. Prime Minister* Linda Trimble,2018-01-18 Ms Prime Minister offers both solace and words of caution for women politicians After closely analyzing the media coverage of former Canadian Prime Minister Kim Campbell two former Prime Ministers of New Zealand Jenny Shipley and Helen Clark and Australia s 27th Prime Minister Julia Gillard Linda Trimble concludes that reporting both reinforces and contests unfair gender norms News about female leaders gives undue attention to their gender identities bodies and family lives Yet equivalent men are also treated to evaluations of their gendered personas And as Trimble finds some media accounts expose sexism and authenticate women s performances of leadership Ms Prime Minister provides important insight into the news frameworks that work to deny or confer political legitimacy It concludes with advice designed to inform the gender strategies of women who aspire to political leadership roles and the reporting techniques of the journalists who cover them **New Zealand Prime Ministers** , Speak Easy 3rd Edition Maggie Eyre,2015-11-27 Surveys show that most people fear public speaking more than death So how do you prepare effectively for a speaking engagement What do you need to know about your body your voice the audience the technology Maggie Eyre has over 30 years experience as a media trainer communications consultant and performer In *Speak Easy* she takes the reader through the complete process from initial concept to final delivery Included are chapters on body language voice health warming up managing your audience fear media skills social media how to use technology grooming and learning your lines The text is illustrated with anecdotes and case studies based on Maggie s own work and experience and is packed with useful tips Practical and authoritative this is the essential book for anyone facing a business presentation or an after dinner speech **Being You** Maggie Eyre,2019-05-24 How do people like Oprah Winfrey and the Dalai Lama create massive audiences and globally recognizable brands The key is authenticity presenting a genuine version of yourself in person on the stage and across your entire online presence But while that s easy to say it s much harder to actually do Written by Maggie Eyre an internationally recognized expert in personal presence and leadership motivation *Being You* will teach you everything you need to know about personal branding Whether you are the leader of an organization or team engaged in creative work searching for a new career giving an important speech or presentation wanting to network more effectively or lobbying for a public position this book provides you with a complete toolkit to developing a confident personal brand both face to face and online Illustrated with stories and case studies from some of the world s biggest personal brands *Being You* is practical authoritative and inspirational It s your definitive guide to personal branding in the 21st century Defense and Security Karl DeRouen Jr.,Uk Heo,2005-09-27 An authoritative up to date examination of the national security and defense policies of 50 influential nations and regions across the globe *Defense and Security A Compendium of National Armed Forces and Security Policies* presents highly readable authoritative essays profiling the defense and security

policies of over 50 individual countries and regions with a focus on present day developments Written by leading national and international scholars and edited by eminent political science experts Karl DeRouen and Uk Heo the essays take an in depth look at each nation s current security situation defense spending present and potential military confrontations civil military relations alliances relations to terrorism and other topics of importance Historical events and conflicts are highlighted as well with emphasis on the post Cold War era The essays are parallel in structure allowing readers to pinpoint similarities and draw comparisons among nations The two volume set also includes a detailed introduction featuring a cross national comparison

Political Life Writing in the Pacific Jack Corbett, Brij V. Lal, 2015-07-29 This book aims to reflect on the experiential side of writing political lives in the Pacific region The collection touches on aspects of the life writing art that are particularly pertinent to political figures public perception and ideology identifying important political successes and policy initiatives grappling with issues like corruption and age old political science questions about leadership and dirty hands These are general themes but they take on a particular significance in the Pacific context and so the contributions explore these themes in relation to patterns of colonisation and the memory of independence issues elliptically captured by terms like culture and tradition the nature of self presented in Pacific life writing and the tendency for many of these texts to be written by outsiders or at least the increasingly contested nature of what that term means

Timing is Everything Peter Greener, 2009-10-01 This book identifies the critical factors that shaped and influenced New Zealand s defence acquisition decision making processes from the election of the Fourth Labour Government in 1984 and the subsequent ANZUS crisis through to the 11 September 2001 terrorist attacks on the United States and the following war on terror It explores and analyses decision making processes in relation to the ANZAC frigates the military sealift ship HMNZS Charles Upham the F 16 strike aircraft the P 3C Orion maritime patrol aircraft upgrade and the LAV IIIs

Women of Power Torild Skard, 2015-03-09 At a time when a woman Angela Merkel is arguably the most powerful leader in Europe and another Hilary Clinton continues to be at the center of the US political stage it seems that women have broken through the glass ceiling and begun to populate the highest offices of the political world *Women of Power* is a testament to that accomplishment offering the most comprehensive overview of female presidents and prime ministers to date Looking at over fifty countries and over seventy women leaders since 1960 Torild Skard herself an experienced politician examines how and why these women rose to the top and what their leadership has meant for women s empowerment throughout the latter half of the twentieth century Skard examines the achievements and life stories of the world s female leaders up to the current era She offers nuanced portraits that draw on a number of materials including many interviews that she conducted herself All of the women discussed are organized by both chronology and geography and Skard includes a number of helpful chapters that provide an overview and assessment of how different women leaders have come to power in different regions Overall the book provides a fascinating account of women s empowerment as it has manifested itself at the very top of the political hierarchy

Have Loved Me a Man Sharon Mazer, 2019-02-04 I Have Loved Me a Man takes readers inside the social revolution that has moved New Zealand from the 1960s to the present day through the story of the queer Maori performance artist Mika. Adopted into a white family, Mika learnt Maori culture from the back of a cereal box. He discovered disco in the 1970s, worked with Carmen Dalvanus Prime and others to develop outrageous stage shows, and came out on screen with Harvey Keitel playing a takatapui role in the film *The Piano*. Mika has never been in the closet; his life has been an ongoing production of both the fabulous and the revolutionary. This highly visual book interweaves research with images hand-picked from Mika's extensive archive to reveal the life and times of a queer brown boy from Aotearoa who took on the big white world.

Women Political Leaders J. Jensen, 2008-11-24 This book examines the many routes forty or so women have taken to become president or prime minister of their countries and the problems they have encountered once in office. Their ability to deal with the difficulties of governmental and party leadership in a male-dominated culture are discussed along with an evaluation of their performance in managing domestic problems and handling the issues of war and peace. The essential question asked throughout is what difference being female made in their governing style.

Christianity, Modernity and Culture John Stenhouse, G. A. Wood, 2005 For much of the twentieth century New Zealand historians like most Western scholars largely took it for granted that as modernity waxed religion would wane. Secularization, the fading into insignificance of religion, would distinguish the modern era from previous ages. Until the 1980s only a handful of scholars around the world raised serious empirical and theoretical questions about a Grand Theory that had become central to the self-understanding of the social sciences and of the modern world. Heated debates since then and the unmistakable resurgence of world religions have raised fundamental questions about the empirical and theoretical adequacy of secularization theory and especially about how far it applies outside Europe. This volume revisits New Zealand history when secularization is no longer taken for granted as the Only Big Story that illuminates the country's social and cultural history. Contributors explore how New Zealanders' diverse religious and spiritual traditions have shaped practical everyday concerns in politics, racial and ethnic relations, science, the environment, family life, gender relations, and other domains.

Understanding Prime-Ministerial Performance Paul Strangio, Paul 't Hart, James Walter, 2013-03-28 At the beginning of the twenty-first century, prime ministers loom larger in the consciousness of their nations than perhaps in any previous era. But how well do we really understand the variables of prime ministerial performance and specifically why some prime ministers apparently flourish in the role while others wither? This study examines how prime ministers perform as leaders of their governments, parties, and nations. It offers new ways of thinking about prime ministerial power and leadership and systematic empirical studies of prime ministerial leadership practices in four Westminster democracies: the United Kingdom, Canada, Australia, and New Zealand. The volume features contributions from leading political scientists from all of these countries and is organised into three major sections: understanding power in prime ministerial performance, prime ministers and their parties, and evaluating prime ministerial

performance Through its collaborative and multifaceted approach the volume demonstrates that there are no hard and fast propositions or rules of thumb to capture what it is that makes us think of some prime ministers as so much more effective than others Instead it highlights the importance for students of executive government to grasp the contingent interplay between personal institutional and contextual factors in understanding and evaluating prime ministerial performance

America's 'Special Relationships' John Dumbrell, Axel Schäfer, 2009-09-10 This unique volume seeks to offer an original collection of essays on the theme of America's special relationships The essays vary in their focus some are primarily historical some are more contemporary All consider the quality of specialness in the context of America's relationship with

particular countries including the United Kingdom Canada Australia New Zealand Holland Russia Iran and Israel **Gender and Women's Leadership** Karen O'Connor,2010-08-18 These volumes provide an authoritative reference resource on leadership issues specific to women and gender with a focus on positive aspects and opportunities for leadership in various domains *Public Leadership* Paul 't Hart,John Uhr,2008-11-01 Leadership is routinely admired vilified ridiculed invoked trivialised explained and speculated about in the media and in everyday conversation Despite all this talk there is surprisingly little consensus about how to answer basic questions about the nature place role and impact of leadership in contemporary society This book brings together academics from a broad array of social science disciplines who are interested in contemporary understandings of leadership in the public domain Their work on political administrative and civil society leadership represents a stock take of what we need to know and offers original examples of what we do know about public leadership Although this volume connects scholars living in and mostly working on public leadership in Australia and New Zealand their contributions have a much broader scope and relevance
