Assembly West Point Association of Graduates (Organization), 2004      **Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War      **Vietnam's Forgotten Army** Andrew Wiest, 2009-10 War      Vietnam War Slang Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang      The God Machine James R.

Chiles,2008-09-30 From transforming the ways of war to offering godlike views of inaccessible spots revolutionizing rescues worldwide and providing some of our most watched TV moments including the cloud of newscopters that trailed O J Simpson s Bronco the helicopter is far more capable than early inventors expected Now James Chiles profiles the many helicoptrians who contributed to the development of this amazing machine and pays tribute to the selfless heroism of pilots and crews A virtual flying lesson and scientific adventure tale The God Machine is more than the history of an invention it is a journey into the minds of imaginative thinkers and a fascinating look at the ways they changed our world Fighting Elites John C. Fredriksen,2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today Fighting Elites A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities *Troubled Hero* Randy K. Mills,2006-09-21 In deference to his nonviolent beliefs the Army assigned him to a medical unit he refused to carry a weapon On May 7 1970 after only seventeen days in Vietnam and just one day after joining a new platoon the young medic found himself in a ferocious fire fight Kays actions at Fire Support Base Maureen would bring him the nation s highest award for military valor The fighting that night at FSB Maureen was four hours of terrifying chaos Seven men died Yet it was just another unheralded skirmish toward the end of a long and fruitless war Kays returned home with little fanfare and with other vets struggled to reconcile his anti war beliefs and what he and others had done in Vietnam **BOOK JACKET A Shau Valor** Thomas R. Yarborough,2016-04-05 From the author of Da Nang Diary A military history of the Battle of Hamburger Hill and other fights between the NVA and the US and its Vietnamese allies Throughout the Vietnam War one focal point persisted where the Viet Cong guerrillas and Army of the Republic of Viet Nam ARVN were not a major factor but where the trained professionals of the North Vietnamese and US armies repeatedly fought head to head A Shau Valor is a thorough study of nine years of American combat operations encompassing the crucial frontier valley and a fifteen mile radius around it the most deadly killing ground of the entire war Beginning in 1963 Special Forces A teams established camps along the valley floor followed by a number of top secret Project Delta reconnaissance missions through 1967 Then US Army and Marine Corps maneuver battalions engaged in a series of sometimes controversial thrusts into the A Shau designed to disrupt NVA

infiltrations and to kill enemy soldiers part of what came to be known as Westmoreland's war of attrition. The various campaigns included Operation Pirous 1967, Operations Delaware and Somerset Plain 1968, and Operations Dewey Canyon, Massachusetts Striker, and Apache Snow 1969, which included the infamous battle for Hamburger Hill, culminating with Operation Texas Star and the vicious fight for and humiliating evacuation of Fire Support Base Ripcord in the summer of 1970, the last major US battle of the war. By 1971, the fighting had once again shifted to the realm of small Special Forces reconnaissance teams assigned to the ultra secret Studies and Observations Group (SOG). Other works have focused on individual battles or units, but *A Shau Valor* is the first to study the campaign for all its courage and sacrifice chronologically and within the context of other historical, political, and cultural events.

**Vietnam Journal: Series Two #15** Don Lomax, 2020-06-29. Don Lomax's critically acclaimed *Vietnam Journal* is back with all new tales of Scott Journal Neithammer as he reports on the heartache and headache and the young soldiers on both sides of the Vietnam War. **THIS ISSUE:** The Death of Firebase Ripcord. The shooting down of a resupply Chinook helicopter sets off a chain reaction that renders Ripcord virtually impossible to continue as a viable fire support base. The decision is finally made to abandon the ill-fated fire base. As Scott Journal Neithammer would write, "It is always easier to get into a fight than to get out of one." The evacuation of Ripcord would be the exception that proved the rule. **A Caliber Comics release.**

**America's Last Vietnam Battle** Dale Andrade, 2000-12-31. In the spring of 1972, North Vietnam launched a massive military offensive designed to deliver the coup de grace to South Vietnam and its rapidly disengaging American ally. But an overconfident Hanoi misjudged its opponents, who, led by American military advisers and backed by American airpower, were able to hold off the North's onslaught in what became the biggest battle of a very long war. Dale Andrade rescues this epic engagement from its previous neglect to tell a riveting tale of heroism against great odds. Originally published in cloth in 1995 as *Trial by Fire* and drawing upon recent Vietnamese language sources, this new paperback edition will finally allow a true classic on the war to reach the wide readership it deserves.

*Vietnam Journal: Series Two - Volume 3: Ripcord* Don Lomax, 2020-06-29. *Vietnam Journal*, the award-winning series, returns. July 1970. Scott Journal Neithammer has been reporting first-hand on President Nixon's military incursion into Cambodia to root out the North Vietnamese Army's until then untouchable sanctuaries. However, this all comes to an abrupt end when he is kidnapped by over-zealous Military Police and returned to South Vietnam to face the Provost Marshall's wrath. The incident sparks Neithammer's unexpected journey back into the dreaded A Shau Valley, where the 101st Airborne Division once again attempts to bloody the noses of the NVA. This brings us to the siege of Fire Support Base RIPCORDER. This is a story of over-confidence, arrogance, and revenge on the part of Military Assistance Command Vietnam in Saigon, coupled with an under-strength U.S. force sent to face an enemy who outnumbers them ten to one. RIPCORDER was the final large unit battle in the waning days of the Vietnam War for the United States. The troops were expected to face a massive enemy presence, have minimal or no casualties, and receive limited ordinance and support while vanquishing a highly

motivated and well supplied enemy In the jargon of the boonie rats of the day f king typical RIPCORDER a little known battle with an all too predictable outcome Collects Vietnam Journal Series 2 issues 11 15 A Caliber Comics release *The Encyclopedia of the Vietnam War* Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition *The Encyclopedia of the Vietnam War A Political Social and Military History* adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO *Hell On A Hill Top* Benjamin L.
