crashing noisily through the buck brush As I broke out on the road at the bottom of the hill a bear broke out about ten or fifteen yards to my left He had been crashing noisily down the same slope and neither one of us had heard the other We looked at each other with a great deal of surprise we both grunted and we both took off running in opposite directions Bear Human Aaaahhhhh John describes the danger and tragedy he faced at times and shares the joys of developing a comradeship with his fellow crewmen by taking you inside his experiences 28 glorious full black and white photographs included
