Bruce Narramore

Help A Handbook For Working Mothers:

Handbook on Well-Being of Working Women Mary L. Connerley, Jiyun Wu, 2015-07-27 This handbook provides an overview and synthesis of relevant literature related to the issue of the well being of working women This focus addresses a gap that currently exists in the quality of life and well being fields The work of the authors answers the following broad questions Does gender matter in the well being of working women Do prejudices against and stereotypes of women still play a role in inter personal interactions in the workplace that could hinder women from flourishing professionally Does the organizational context such as organizational culture reward systems and leadership contribute to the well being of working women What impact does the national context have on the well being of working women And finally how can public policies help enhance the well being of working women These are important issues for academics researchers and graduate students interested in gender issues in the fields of management sociology psychology social psychology economics and quality of life studies Policy makers and practitioners will also find this book beneficial Equitable treatment and outcomes for all regardless of gender remains a challenging goal to achieve with various barriers in different contexts and different cultures and this book provides strong coverage of this important topic of well being of working women [The New Freelancer's Handbook](#) Marietta Whittlesey, 1988 One third of all Americans are now self employed or work part time The New Freelancer's Handbook offers these millions invaluable practical guidance on how to turn going it alone into a stimulating liberated secure way of life **Working Mother**, 1985-06 The magazine that helps career moms balance their personal and professional lives **Help! I'm a Parent** Bruce Narramore, 1995 This revised and expanded edition of the classic best seller offers a wealth of tested proven methods for building strong families *Working Mother*, 1987-08 The magazine that helps career moms balance their personal and professional lives *Sexual Harassment of Working Women* Catharine A. MacKinnon, Professor Catharine A MacKinnon, 1979-01-01 A comprehensive legal theory is needed to prevent the persistence of sexual harassment Although requiring sexual favors as a quid pro quo for job retention or advancement clearly is unjust the task of translating that obvious statement into legal theory is difficult To do so one must define sexual harassment and decide what the law's role in addressing harassment claims should be In *Sexual Harassment of Working Women* Catharine MacKinnon attempts all of this and more In making a strong case that sexual harassment is sex discrimination and that a legal remedy should be available for it the book proposes a new standard for evaluating all practices claimed to be discriminatory on the basis of sex Although MacKinnon's inequality theory is flawed and its implications are not considered sufficiently her formulation of it makes the book a significant contribution to the literature of sex discrimination MacKinnon calls upon the law to eliminate not only sex discrimination but also most instances of sexism from society She uses traditional theories in an admittedly strident manner and relies upon both traditional and radical feminist sources The results of her effort are mixed The book is at times fresh and challenging at times needlessly provocative <https://www.jstor.org> Sep 30

2016 **Resources in Education** ,2000 **Family Disintegration** Anton Purcell,2002 The contemporary family is being distracted disturbed and distraught by societal pressures from every direction The nuclear family concept believed crucial to child rearing is becoming pass according to census data Or has the wave of disruption to families crested It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century The Wiley-Blackwell Handbook of Family Psychology James H. Bray,Mark Stanton,2012-07-23 The Handbook of Family Psychology provides a comprehensive overview of the theoretical underpinnings and established practices relating to family psychology Provides a thorough orientation to the field of family psychology for clinicians Includes summaries of the most recent research literature and clinical interventions for specific areas of interest to family psychology clinicians Features essays by recognized experts in a variety of specialized fields Suitable as a required text for courses in family psychology family therapy theories of psychotherapy couples therapy systems theory and systems therapy *Working Mother* ,1987-11 The magazine that helps career moms balance their personal and professional lives

Training Manual on Protection of Women from Domestic Violence Act Shivani Kumari, Ujjwal Ashutosh,2025-04-23 This comprehensive manual aims to equip individuals with knowledge and understanding of domestic violence legal recourse authorities involved legal remedies support schemes and recommendations for eradicating the social evil of Domestic Violence By increasing awareness and promoting legal empowerment we strive to combat domestic violence and create a safer and more equitable society We believe that everyone deserves to live a life free from fear abuse and violence Together we can build a future where respect equality and safety prevail in every home and community The Nanny Manual Alyce Desrosiers,2018-08-01 What s the secret to hiring the right nanny The thought of leaving your child in the care of a stranger can seem daunting but it doesn t have to be that way With compassion and clarity The Nanny Manual takes parents on a journey of self discovery through their heart soul and mind to help them with one of the most important hiring decisions they ll ever make Whether investigating the viability of choice for working mothers debunking the myth of perfection that is Mary Poppins or exploring the minefields of emotions values and the hiring process The Nanny Manual prepares parents for that important day when they leave their child in the care of another Manual of Community Nursing and Communicable Diseases Marie E. Vlok,1996-01-28 This edition written as South Africa moves from expensive curative health care to a more people focused primary health care system highlights transitional structures and bridges the gap between past and present Part One focuses on the Government of National Unity and population development programmes emphasising the role of community nurses in the primary health care system Subsequent sections cover factors playing an important role in community nursing including housing urbanisation and malnutrition In accordance with the National Health care Plan for South Africa prominence is given to issues such as health education and maternal and child health care The section on communicable diseases has been updated and takes into account changes in legislation and the latest statistical

information Primary health care problems at community level are covered in depth Students and practitioners will benefit from the wealth of information in this new edition
