Skye Stories Raymond Moore, 2021-01-29 Five years for an adult passes in five minutes Five years for a kid is a lifetime An attempted bike stealing incident in Glasgow when Raymond Moore was 13 led to him living in Linicro on the Isle of Skye with his Great Granny and Great Aunt His family stayed in the city whilst his life changed on the island Skye Stories tells the adventures he had growing up the girls he fancied the sheep he worried and the music he loved Although the book is about Skye and his love for the island the account of his experiences and emotions will strike a chord with people who have never been near there Skye changed the author s life forever and for the better You could say the Isle of Skye saved his life This book Volume 1 tells the story of the first two years on Skye the Linicro years *Stars, Studios, and the Musical Theatre Screen Adaptation* Dominic Broomfield-McHugh, 2023 The final of three volumes Stars Studios and the Musical Theatre Screen Adaptation An Oxford Handbook traces how stardom and technology has affected the evolution of the genre of the stage to screen musical Many chapters examine specific screen adaptations in depth with case studies on the screen versions of Broadway favorites Carousel and Brigadoon while others deal with broad issues such as how music rights affected how studios approached screen adaptations Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies **A Natural Year** Michael Fewer, 2020-03-02 In A Natural Year critically acclaimed travel writer Michael Fewer celebrates the everyday wonder of Irish nature in these beautifully written diaries observed from his homes in south Dublin and rural Waterford in which he delights at the startling beauty and extraordinary complexity of the natural world through the tranquil rhythms of the passing seasons Fewer s infectious passion

for his subject simply inspires our own observation and suggests how careful study of the natural world around us can be a sure antidote to the stresses of modern life At a time when it s essential for us to understand the crisis that faces our wildlife and environment we need to know more about the natural world around us the treasures that are being needlessly lost and the threat to our very way of life A Natural Year will open eyes and hearts to a greater understanding of the world around us and its innate beauty and fragility

**Brigadoon, Braveheart and the Scots** Colin McArthur,2003-09-26 The films Brigadoon and Braveheart have an enormous resonance both for Scots throughout the world and the wide audience of non Scots for whom such films provide general impressions of Scottishness This provocative book discusses the films representations of Scotland and the Scots looking at that cluster of images and stories whereby Scotland is mis recognized and yet often comes to be known Colin McArthur explores Brigadoon and documents the contempt the film has elicited particularly from the Scots intelligentsia He succumbs to Brigadoon s charm but finds no such mitigating features in Braveheart Tracing the film s appropriation by political touristic and sporting figures he argues that far from being about Scottish history it is primarily about Hollywood and its cinematic traditions He looks at the way film distorts history and examines Braveheart s sinister appeal to the proto fascist psyche
