**Heaven and Hell (Visited)** Robert Adams,2014-03-06 This book is about a man that is given a tour of heaven and hell by two angels While it is fictional it is written around biblical truths so much of it is true      **Visiting the Calvario at Mitla, Oaxaca** William R. Arfman,2008 In the centre of the Mexican town of Mitla stands a run down chapel on an overgrown pre colonial pyramid The chapel housing three crosses is the town s Calvario the local representation of the hill on which Christ died Although buses full of tourists on their way to Chiapas or on daytrips from Oaxaca City swarm the town every day almost none of them ever visit the Calvario Instead they stick to the tourist zone to marvel at the famous mosaic friezes of the pre colonial temples and shop for traditional souvenirs in the tourist market If they would climb the steep steps to the chapel they would discover that despite appearances the building still sees extensive use as pilgrims from the wide Zapotec region visit it to bring offerings to and ask favours of the souls of their dearly departed And as these offerings consist of elaborate arrangements of flowers fruits black candles cacao beans and bundles of copal incense such tourists might well start to wonder where the origins of these practices lie It is this question that this thesis seeks to answer To achieve this current theories on cultural continuity syncretism the materiality of religion and ritual theory are combined with a study of archaeological historical iconographical and anthropological sources In addition ethnographic fieldwork has been conducted to come to a better understanding of the offerings made in the Calvario today In three parts the thesis first addresses the history of Mitla as The Place of the Dead then of the Calvario as a ritual location and finally of the offerings for the dead Combining these three lines of research an interesting image is formed of the continuity of ancestor veneration in this busy tourist town      **Course Corrections to Faith and Identify the Real Gospel Authors** John Zavicar,2022-07-19 The author believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn t wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn t fully commit to Jesus Read John s story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did      **Shaken Creeds: the Resurrection Doctrines** Jocelyn Rhys,1924      **The Open Court** ,1921      The Open Court Paul Carus,1921 vols 46 47 have special title New Orient Society monograph      **C.S. **State of the Kingdom Address** David G Newby,2017-12-13

Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president s speech is one that unifies the nation and encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn t SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That s to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God s Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God s Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God s Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is

approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare *New-Church Messenger* ,1918 **Connie'S**

**Message—Smile!** Jack B. Blount,2018-05-03 I wrote this book for two reasons both of which are tightly intertwined First is the fact that my daughter Connie and I discussed writing this book together while she was a freshman at the University of Kentucky After her death I needed to accomplish that goal we had set together to share our faith in God with others who were not fortunate to have been brought up in a Christian home Second is the fact that I know Satan was controlling the drunk driver who was responsible for Connies death Therefore I want to honor God by sharing my faith that Connie is in heaven Satan took Connies life in this world but God gave Connie eternal life in heaven Through faith in Jesus Christ we will someday be in heaven together again The Bible is the most published book in the world by far at over nine billion copies Yet I acknowledge that the Bible is not the easiest place for someone new to Christian theology to begin a journey with God in our modern science dominated politically correct culture Therefore I have captured a lifetime of study and discussions about the Bible and shared it with you in this book in the hopes it will make you aware of what God offers everyone Heaven's Glory;

Hell's Terror Christopher Love,1738 Mary's Call to Prayer John D. Smatlak,2021-01-19 Over multiple centuries visionaries have reported seeing and speaking with the apparition of Mary mother of Jesus Nearly all of these apparition events include evidence of other miracles Within the apparitions Mary s primary message is intended for all Christians to hear the time to pray more is now In an insightful spiritual discussion enhanced by biblical references John Smatlak relies on the voice of Mary to directly answer many of the common questions asked by Christians such as what is important to gain eternal life and what is not What behaviors cause a person to go to hell Can prayer prevent war Do we keep our earthly bodies in the afterlife Throughout the presentation Mary communicates clear expectations for Christians while providing a better understanding of Jesus herself and other supernatural beings In perfect alignment with the Bible and Jesus Mary expresses her deep love for people warns of dire future events on earth and explains how to either mitigate or avoid these events with prayer Mary the mother of Jesus is a valuable resource for Christians that provides twentieth century answers from heaven to many common questions while addressing the need for prayer **Heaven's Purge** Isabel
