righteousness of God and believe in it and he must spread it throughout the world for only then can all others also come to know this righteousness and believe in it And through the Word of God all sinners must learn about His righteousness And they must believe for this is how they can take the righteousness of God by faith Without the faith that allows one to attain God's righteousness from His Word no one can accept the Lord as his Savior We must now return to the true faith that knows and believes in the righteousness of God for only those who believe in this righteousness of God can become His royal priests The royal priests here refer to those who have received the remission of their sins by believing in God's righteousness We can become true believers who have this true faith only by believing in God's righteousness and becoming His righteous people It is more than possible for all of us to have the same faith that the Apostles had The New Life Mission <https://www.bjnewlife.org>
