Revelation 12-22 (ITC) Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensure that it would always be a source of controversy This commentary focuses on the theological content gleaming the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition

With an Everlasting Love Hugh Cartwright, 2016-01-14 As a preacher Rev Hugh M Cartwright 1943 2011 excelled at opening up Scripture in a way which pointed his hearers to the Saviour This volume contains a small sample of his sermons all preached during his pastorate in Edinburgh Topics include the nature of saving faith why a sinner s repentance causes joy in heaven and how we can enjoy fellowship with the God who loves his people with an everlasting love The reader will find this book s Christ centred content to be spiritually satisfying and profitable

Psalms 96: A Theology of Praise C. Matthew McMahon, 2014-02-04 This work is a simple theological look at the praise the church offers to God God requires that his people have a theology of praise Psalm 96 delivers to them the directives they need in order to praise God rightly It is in and of itself a condensed theology of praise for the Church of Jesus Christ God has called his people to praise him Psalm 96 shows the church what should fill their theology of praise so that they praise God in holiness and truth This is only possible through Jesus Christ and his work on the cross for them as the one and only Messiah the Messiah David was looking forward to and the Messiah the church looks back to who has already come This Psalm is a call to all people to praise God correctly and then demonstrates God's government and judgment over the whole earth in response to those who praise him rightly and those who do not God as the glorious Savior of his covenant people has redeemed a people of praise those whose theology of praise extends from the word of God into their mind then to their regenerated heart to their mouth and finally seen in their actions Such a people will be a community of those who offer testimony and witness to the great acts and wonders of God's being and grace to a fallen world from being a witness to their children to their next door neighbor their cities and country to all those across the world While such work is going on this covenant community will also be watchful as a community of believers knowing that Christ may choose to return and judge the world in righteousness at any time where Christ will finally usher them into an eternity of praise a place where creation and the church will praise Christ forever the Lamb who was

slain before the foundation of the world A Bible Study Investigation into Our Relationship to God and into “The Time of the End” Trevor Pope, 2011-03-24 Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent This book is a reminder that until some awesome prophecies of which Jesus warned have been fulfilled His return cannot be imminent When questioned about the signs preceding His return Jesus warned of deception of international hatred of Christians and of the prophet Daniel’s forecast of an unprecedented time of trouble that would almost destroy mankind To those in Thessalonica long ago who believed the Lord’s return was imminent the apostle Paul wrote You must allow no one to deceive you in any way That day cannot come until the Great Rebellion has taken place Quoting from Daniel Paul describes an appalling rebel and how the Lord’s appearing will remove him Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as largely metaphorical and as having been fulfilled To their infinite loss they overlook them and perpetuate the age old prediction that the Lord’s return is imminent In contradiction to that many prophecies related herein prove that the three and a half years of the time of the end have not yet begun

Gschwandtner, 2019-10-01 What does it mean to experience and engage in religious ritual How does liturgy structure time and space How do our bodies move within liturgy and what impact does it have on our senses How does the experience of ritual affect us and shape our emotions or dispositions How is liturgy experienced as a communal event and how does it form

the identity of those who participate in it Welcoming Finitude explores these broader questions about religious experience by focusing on the manifestation of liturgical experience in the Eastern Christian tradition Drawing on the methodological tools of contemporary phenomenology and on insights from liturgical theology the book constitutes a philosophical exploration of Orthodox liturgical experience
