Vidar, 2012-06-29 Simon Mollat woke up in the dunes of Arambol Beach Goa India with an agonizing hangover The year was 2000 and the apocalypse was still a figment of collective imagination the millennium celebration had lasted Simon for four consecutive months A more enlightened soul would have enjoyed the sunrise but not Simon He was being pissed on by a stray dog and somewhere in the back of his mind Pink Floyd wandered in and around his aching head Is there anybody out there Once he had been a promising young man from the land of the midnight sun Current status Man on the lam suffering from depression and aimlessness a stray dog s pissing post His thoughts turned to the stones he d stuffed in his pocket during the night the boat he could easily borrow that could take him away far into the water He would slip out of the boat and dive downward and away from all of his suffering Something intervened and took Simon out of his suicidal head and the recurring Pink Floyd soundtrack it was something itchy and stuffed in the neck opening of his t shirt It was a balled up piece of paper with the photograph of a withered Indian man and a message that read Freedom from this me and signed by someone named Raman Kavalam It smelled of incense and made Simon think of sects robes and cultist brainwashing Simon was by no means a religious person he didn t even believe in God But something compelled him forward to seek out this Raman Kavalam something much larger than himself And so begins the odyssey of Simon Mollat s spiritual awakening Within the Space of the Moment takes readers on an unforgettable journey from despair and outer pleasure to inner peace and the feeling of being intensely alive If there is any formula at all to discovering the truth of who you are it lies in the distinction between an occupied mind and a still or clear one      **I Am Divine Within** C. J. Savage, 2016-03-18 The purpose of this

meditation journal is to create a sacred space where you can practice expressive writing A safe place where you can write release and embrace your truth After your time of silence going within you can write down inspiring thoughts prayers or what has been revealed to you during your meditation You can look back on the gifts that you received from the Divine through inspiration and practicing gratitude I am grateful for the opportunity to share this meditative journal and my deepest reflective thoughts with you I believe it is my life purpose to provide spiritual inspiration to those who are on the path of self realization and spiritual development The ability to pray meditate and tap into the transformed mind of the Divine within has been a rewarding process I have learned so much about my Divine self and all my hidden talents The process of meditating

and journaling has allowed me to reconnect with my higher self the Divine within I have spent a great deal of time meditating and praying in an attempt to give this journal a broad perspective on the journey of self realization and spiritual development while embracing the many spiritual paths that leads me back to my home in the body of Jesus Christ Most importantly knowing I am still as God created me I AM LIGHT I Am Divine Within This book was birthed out of asking God for divine directive on how to be of service to others on the path of self discovery and spiritual development     **Fraser's Magazine** ,1873     **Fraser's Magazine for Town and Country** James Anthony Froude,John Tulloch,1873 Contains the first printing of Sartor resartus as well as other works by Thomas Carlyle     *A Fallen Redemption* Vince Seim,2016-07-10 Book II of the Heaven Hell Humanity Trilogy As angels descend from the High Heavens and the demonic armies of Hell rise from the depths Humanity balances on the precipice of extinction The war of immortals has returned     The rare jewel of Christian contentment, etc. The preface signed: Thomas Goodwin and others Jeremiah BURROUGHS (Puritan Divine.),1840
