Heaven Hell And The Victorians:

Heaven, Hell, and the Victorians Michael Wheeler, 1994-10-13 The Victorians were obsessed with death bereavement and funeral rituals and speculated vigorously on the nature of heaven hell and divine judgment This popular abridgement of Michael Wheeler's award winning *Death and the Future Life in Victorian Literature and Theology* looks at the literary implications of Victorian views of death and the life beyond and recreates vividly the fear and hope embodied in the theological positions of the novelists and poets of the age Now accessible to a wide readership *Heaven Hell and the Victorians* offers a wide ranging and attractively illustrated cultural history of nineteenth century religious experience belief and language in the face of death

Heaven, Hell, and the Victorians , Death in England Peter C. Jupp, Clare Gittings, 1999 *Death in England* provides the first ever social history of death from the earliest times 500 000 BC to Diana Princess of Wales The book reveals how attitudes practices and beliefs about death have undergone constant change how why and at what ages people died plagues and violence wills and deathbeds funerals and memorials beliefs and bereavement Richly illustrated striking and often very powerful images In time with the spirit of the age and coming Millenium key scholars in their field write on their respective periods With the recent upturn of popular interest in death through films TV books and newspapers this book will prove stimulating to the general reader to students of archaeology art history medicine and sociology

Evolution and Victorian Musical Culture Bennett Zon, 2017-10-12 This engaging book explores the dynamic relationship between evolutionary science and musical culture in Victorian Britain drawing upon a wealth of popular scientific and musical literature to contextualize evolutionary theories of the Darwinian and non Darwinian revolutions Bennett Zon uses musical culture to question the hegemonic role ascribed to Darwin by later thinkers and interrogates the conceptual premise of modern debates in evolutionary musicology Structured around the Great Chain of Being chapters are organized by discipline in successively ascending order according to their object of study from zoology and the study of animal music to theology and the music of God *Evolution and Victorian Musical Culture* takes a non Darwinian approach to the interpretation of Victorian scientific and musical interrelationships debunking the idea that the arts had little influence on contemporary scientific ideas and by probing the origins of musical interdisciplinarity the volume shows how music helped ideas about evolution to evolve

Christ Triumphant Thomas Allin, 2015-06-08 I plead for the acceptance of this central truth as the great hope of the gospel that the victory of Jesus Christ must be final and complete i e that nothing can impair the power of his cross and passion to save the entire human race Thomas Allin In 1885 the Rev Thomas Allin waded into the debates on final punishment that had plagued the Church of England during the nineteenth century His contribution was a radical book that sought to demonstrate that reason tradition and Scripture all affirm that God will one day redeem his whole creation through Jesus Christ Universal salvation he maintained was the only way to coherently affirm the victory of God over evil Allin's book is one of the first detailed attempts to show that global salvation was not some modern heresy but an ancient

Christian tradition with a serious claim to catholicity and orthodoxy Turning the tables on the critics Allin boldly argued that universalism far from being dangerous was actually needed to defend the orthodox faith of the church This new edition of Allin s classic work includes an introduction that sets it in its historical context the addition of subtitles to help readers navigate the argument and numerous explanatory annotations

Death and Disaster in Victorian Telford Allan

Frost,2009-05-15 Death and Disaster in Victorian Telford provides an engaging account of Victorian attitudes towards death

Women's Poetry and Religion in Victorian England Cynthia Scheinberg,2002-05-30 Victorian women poets lived in a time when religion was a vital aspect of their identities Cynthia Scheinberg examines Anglo Jewish Grace Aguilar and Amy Levy and Christian Elizabeth Barrett Browning and Christina Rossetti women poets and argues that there are important connections between the discourses of nineteenth century poetry gender and religious identity Further Scheinberg argues that Jewish and Christian women poets had a special interest in Jewish discourse calling on images from Judaism and the Hebrew Scriptures their poetry created complex arguments about the relationships between Jewish and female artistic identity She suggests that Jewish and Christian women used poetry as a site for creative and original theological interpretation and that they entered into dialogue through their poetry about their own and each other s religious and artistic identities This book s interdisciplinary methodology calls on poetics religious studies feminist literary criticism and little read Anglo Jewish primary sources

Judgment in the Victorian Age James Gregory,Daniel J.R.

Grey,Annika Bautz,2018-10-09 This volume concerns judges judgment and judgmentalism It studies the Victorians as judges across a range of important fields including the legal and aesthetic spheres and within literature It examines how various specialist forms of judgment were conceived and operated and how the propensity to be judgmental was viewed

The Year That Shaped the Victorian Age Michael Wheeler,2022-12-22 What was special about 1845 and why does it deserve

particular scrutiny In his much anticipated new book one of the leading authorities on the Victorian age argues that this was

the critical year in a decade which witnessed revolution on continental Europe the threat of mass insurrection at home and radical developments in railway transport communications religion literature and the arts The effects of the new poor law now became visible in the workhouses a potato blight started in Ireland heralding the Great Famine and the Church of England was rocked to its foundations by John Henry Newman's conversion to Roman Catholicism What Victorian England became was moulded says Michael Wheeler in the crucible of 1845 Exploring pivotal correspondence together with pamphlets articles and cartoons the author tells the riveting story of a seismic epoch through the lives loves and letters of leading contemporaneous figures

A Novel Hope? Bernard Marcus Woodley, 2025-06-13 Christians today are often struggling with many of the same theological problems that Victorians were especially regarding hell and the God of love One answer to these questions found in nineteenth century Britain was the seemingly surprising reappearance of the early Christian eschatological theory of universalism the belief that all of humanity will be saved Even though this re emergence has already been acknowledged by scholars of Victorianism its extent has been widely underestimated This book then aims to describe why universalism became an increasingly viable option in a time of growing religious doubt and especially how it established itself in and with the help of the century's fiction not only in the more overtly universalist novels of Gaskell and Anne Bronte but also across works ranging from Dickens Gissing Linton and Oliphant all the way to Ward and Wells

Hell's Destruction Revd Dr Catherine Ella Laufer, 2013-06-28 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ's descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ's descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ's descent means that he is truly hell's destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith

British Romanticism and Italian Literature Laura Bandiera, Diego Saglia, 2005 Covers comparative literature English literature Italian literature in the 18th and 19th centuries

The Evolution of the English Churches, 1500-2000 Doreen Rosman, 2003-09-18 This book tells the story of the English churches over a 500 year period from the Reformation to the present day Unlike some general histories which concentrate on church leaders it focuses upon the lives of ordinary church goers and of the local clergy who ministered to them The author traces changes in church life charting the emergence and

distinctive characteristics of different denominations She gives full weight to recent developments bringing the story up to date by examining the growth of new independent churches in the late twentieth century

Space and the 'March of Mind' Alice Jenkins, 2007-01-18 Discussing the idea of space in the first half of the 19th century this book uses contemporary poetry essays and fiction as well as scientific papers textbooks and journalism to give an account of 19th century literature's relationship with science

Modern Spiritualism and the Church of England, 1850-1939 Georgina Byrne, 2010 Shows how some of the ideas about the afterlife presented by spiritualism helped to shape popular Christianity in the period From the moment of its arrival in Britain in 1852 modern spiritualism became hugely popular among all sections of society As well as offering mysterious and entertaining strange phenomena spiritualism was underpinned by a belief that the living could communicate with the departed and even come to know what life after death looked like This book offering the first detailed account of the theology of spiritualism examines what happened when the Church of England itself already grappling with questions about the nature of the afterlife met with such a vibrant and confident presentation Although this period saw a gradual liberalising in the Church's own theology of heaven and hell this was not communicated to the wider public as long as sermons and liturgy remained largely framed in traditional language Over time spiritualism already embedded in common culture explicitly influenced the thinking of some Anglican clergy and implicitly began to permeate and shape popular Christianity to the extent that even some of spiritualism's harshest critics made use of its colourful imagery This study sets one significant aspect of Christian doctrine alongside an attractive alternative and provides a fascinating example of the negotiation of belief the way in which in the interface between Church and culture religious belief came to be refreshed and redefined

GEORGINA BYRNE is an ordained Anglican priest and currently Director of Ordinands for the Diocese of Worcester and a Residentiary Canon at Worcester Cathedral

Commemorative Modernisms Alice Kelly, 2020-07-06 One of the key questions of modern literature was the problem of what to do with the war dead Through a series of case studies focusing on nurse narratives Edith Wharton Katherine Mansfield H D and Virginia Woolf as well as visual and material culture this book provides the first sustained study of women's literary representations of death and the culture of war commemoration that underlie British and American literary modernism

A Larger Hope?, Volume 2 Robin A. Parry, Ilaria L. E. Ramelli, 2019-03-15 This book aims to uncover and explore the ideas of notable people in the story of Christian universalism from the time of the Reformation until the end of the nineteenth century It is a story that is largely unknown in both the church and the academy and the characters that populate it have for the most part passed into obscurity With carefully located bore holes drilled to release the long hidden theologies of key people and texts the volume seeks to display and historically situate the roots shapes and diversity of Christian universalism Here we discover a diverse and motley crew of mystics and scholars social prophets and end time sectarians evangelicals and liberals orthodox and heretics Calvinists and Arminians Puritans Pietists and a host of others The story crisscrosses Continental Europe Britain and America and its

reverberations remain with us to this day **Epic** Herbert F. Tucker, 2012-11-29 Literary history has conventionally viewed Milton as the last real practitioner of the epic in English verse Herbert Tucker's spirited book shows that the British tradition of epic poetry was unbroken from the French Revolution to World War I The Victorians Since 1901 Miles Taylor, Michael Wolff, 2004-09-04 Over a century after the death of Queen Victoria historians are busy re appraising her age and achievements However our understanding of the Victorian era is itself a part of history shaped by changing political cultural and intellectual fashions Bringing together a group of international scholars from the disciplines of history English literature art history and cultural studies this book identifies and assesses the principal influences on twentieth century attitudes towards the Victorians Developments in academia popular culture public history and the internet are covered in this important and stimulating collection and the final chapters anticipate future global trends in interpretations of the Victorian era making an essential volume for students of Victorian Studies
