Heavenly Man:

The Heavenly Man Brother Yun, Paul Hattaway, 2009 An account of how God took a young half starved boy from a poor village in Henan Province and used him to spread the gospel in the face of unrelenting persecution Jacket *Living Water* Brother Yun, 2008-09-23 In *The Heavenly Man* you learned the story of how God took a young half starved boy from Henan Province and enabled him to stand strong on the frontlines for Jesus Christ braving horrific opposition and impossible odds *Living Water* is a collection of Brother Yun's dynamic teachings that evolved from his life experiences of persecution and revival in China Brother Yun shares how the grace of God sustained him during his darkest hours and how that darkness transformed into the infectious joy and zeal for the Lord that are the hallmark of his ministry today This unique book teaches us that radical faith is not for a chosen few but for every believer who dares to call Jesus Christ Lord **The Heavenly Man** Brother Yun, Paul Hattaway, 2002 This astonishing biography has sold more than 750 000 copies in English since 2002 and has been translated into over 30 languages The Gnostics, the New Versions and the Deity of Christ Jay P. Green, Sr., George Whitefield, 2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ's goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it Israel's Lord David E. Wilhite, Adam Winn, 2024-07-15 Israel's Lord YHWH as Two Powers in Second Temple Literature addresses the nature of Jewish monotheism in Second Temple literature advancing an argument that much of the literature reflects the existence of two powers in heaven that are both rightly understood as YHWH To this end Wilhite and Winn review various figures such as God's Word God's Wisdom the Angel of the Lord the Son of Man and others that bear features closely associated with the God of Israel Using criteria related to these features they argue that most though not all of these figures are rightly identified as the figure who appeared in Israel's scriptures and was called YHWH Such a two powers paradigm is relevant for understanding early Christian commitments regarding Jesus The debate about Jesus divinity depends in large part on what options were available for the earliest Christians when considering his titles and status The authors contend that with such a two powers paradigm available to the earliest Christians it should inform any reading of New Testament texts and their varying depictions of Jesus as Lord The Heavenly Arcana Emanuel

Swedenborg,1837 Aseneth's Transformation Kirsten Marie Hartvigsen,2018-12-17 The story of Joseph and Aseneth is a fascinating expansion of the narrative in Genesis of Joseph in Egypt and in particular of his marriage to the daughter of an Egyptian priest This study examines the portrayal of Aseneth s transformation in the text focusing on three perspectives How did Aseneth s encounter with Joseph and her subsequent transformation affect various aspects of her identity in the narrative In what ways do the portrayals of Aseneth her transformation and her abode relate to select metaphors and other symbolic features depicted in the Septuagint the Hebrew Bible and the Pseudepigrapha And how do the ritualized components through which Aseneth s transformation occurred function in the narrative and why are they perceived as effective In order to shed light on these facets of Joseph and Aseneth the author draws on the contemporary approaches of intersectionality conceptual blending intertextual blending and the cognitive theory of rituals using these theoretical frameworks to explore and illuminate the complexity of Aseneth s transformation **A New Literal Translation from the Original Greek, of All the Apostolical Epistles. Foreword by Jacob Neusner **A History of the New Testament Times** Adolf Hausrath, 1895 *Letters and Papers, Foreign and Domestic, of the Reign of Henry VIII.* Henri VIII ((roi d'Angleterre et d'Irlande ;), 1880 *The Foundations of New Testament Christology* R. H. Fuller, 2022-07-28

One of the key tasks of New Testament study is to construct a correct doctrine of the person of Jesus Christ which is central to the Christian faith In *The Foundations of New Testament Christology* R H Fuller fulfils this task through a close examination of the first century texts in both their Palestinian and Hellenistic contexts An exponent of the neo orthodox position that dominated post war scholarship in the field central to Fuller s argument is the traditio historical approach to New Testament criticism As Fuller sees it the Church s Christology was a response to its total encounter with Jesus not only in his earthly history but also in the Church s continuing life By emphasising the continuity between the historical Jesus and the witness and message of the early post resurrection church he offers a comprehensive and thorough survey of this most important facet of exegesis **The Form of a Servant** Donald G. Dawe, 2011-06-17

This is both a historical and a systematic exploration of the basic Christian belief in God s self emptying in creation and redemption In Christ God has emptied himself taking the form of a servant Not only does the author review the thinking on the kenotic motif from earliest Christian times even antedating the Pauline Epistles to the present but he views it as a source of fresh insight for Christology today Kierkegaard introduced the kenotic motif to contemporary theology which views it as the ultimate paradox In Barth s doctrine of the freedom of God kenosis means God is free to become a man Thus says Dr Dawe kenosis is to be interpreted in dynamic personalistic modes of thought and is the key to a fresh understanding of creation history and redemption Seminary students will welcome this book for its wealth of biblical and historical theology But because of its nontechnical vocabulary adult study groups will find much material for interesting and rewarding discussion Initiation, Human and Solar Alice Bailey, 2022-11-13

and spiritual growth *Initiation, Human & Solar: Treatise on Theosophy and Esotericism* Alice Bailey, 2023-11-16 In *Initiation Human Solar Treatise on Theosophy and Esotericism* Alice Bailey delves into the intricate tapestry of Theosophical thought investigating the evolution of the human spirit through the lens of esoteric philosophy With an eloquent and reflective literary style Bailey employs a meticulous yet accessible approach weaving together complex concepts such as the nature of initiation spiritual evolution and the interplay between human and divine forces Drawing upon diverse spiritual traditions the text situates itself within the broader context of esoteric literature offering a profound exploration of the soul's journey toward enlightenment Alice Bailey a prominent figure in the early 20th century occult movement was profoundly influenced by her time with the Theosophical Society and her tutelage under eclectic spiritual thinkers Her extensive writings which include over twenty books and numerous teachings exhibit her commitment to synthesizing various spiritual philosophies making esoteric wisdom accessible to a wider audience Bailey's background rooted in both personal transformation and cosmological inquiry informs this work as she seeks to illuminate the paths of spiritual seekers This book is an essential reading for anyone interested in esoteric philosophy spirituality and the process of awakening Bailey's profound insights guide readers through the complexities of human and divine interplay providing a roadmap for those on the path of self discovery Whether a seasoned esotericist or a curious newcomer *Initiation Human Solar* invites you to embark on a transformative journey toward deeper understanding *Moral Play and Counterpublic* Ineke Murakami, 2011-02-25 In this study Murakami overturns the misconception that popular English morality plays were simple medieval vehicles for disseminating conservative religious doctrine On the contrary Murakami finds that moral drama came into its own in the sixteenth century as a method for challenging normative views on ethics economics social rank and political obligation From its inception in itinerant troupe productions of the late fifteenth century moral play served not as a cloistered form but as a volatile public forum This book demonstrates how the genre's apparently inert conventions from allegorical characters to the battle between good and evil for Mankind's soul veiled critical explorations of topical issues Through close analysis of plays representing key moments of formal and ideological innovation from 1465 to 1599 Murakami makes a new argument for what is at stake in the much discussed anxiety around the entwined social practices of professional theater and the emergent capitalist market Moral play fostered a phenomenon that was ultimately more threatening to the peace of the realm than either theater or the notorious market a political self consciousness that gave rise to ephemeral non elite counterpublics who defined themselves against institutional forms of authority
