## **Heavenly Counsellor In Isaiah XI 13 14:**

**The Heavenly Counsellor in Isaiah XI 13-14** R. N. Whybray, 1971-05-02 This detailed study is an attempt to shed some light on the interpretation of Deutero Isaiah as a whole *Isaiah 34-66, Volume 25* John D. W. Watts, 2018-06-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

**The Message of Isaiah 40-55** John Goldingay, 2005-12-27 The Message of Isaiah 40 55 traces the argument of Isaiah 40 55 to show how the chapters bring a message of encouragement and challenge about God's intention to restore the Judean community some of whose members are in exile in Babylon others living in the city of Jerusalem that has lain devastated since it fell to the Babylonians in 587 The chapters hold before this community's eyes a vision of the nature of its God as the powerful creator and the loving restorer In the course of following the argument the reader becomes aware that the chapters have to deal with their audience's mysterious resistance to their message It cannot give God the kind of response the message needs and deserves nor can it fulfil the role as God's servant that is designed for it God nevertheless remains committed to it The prophet eventually becomes aware of a distinctive personal calling to embody that response until the

people are ready to do so It is the prophet s willingness to do this notwithstanding the suffering it brings that embodies the kind of ministry that needs to be exercised to them so that they may be brought back to God and find a restoration of spirit as well as a physical restoration

**The 'Way of the LORD' in the Book of Isaiah** Bo H. Lim,2010-05-13 What is the way of the LORD in the book of Isaiah Many scholars have adopted Walter Zimmerli s proposal that the way in Second Isaiah is a literal and physical highway extending from Babylon to Jerusalem only to be reinterpreted as a spiritual metaphorical and pious way of living in Third Isaiah This book will properly define each mention of the way in Isaiah as well as provide a coherent interpretation of this theme s theological significance within the book The way of the LORD is initially conceived of in the 1st half of the book as a highway leading to Zion common to both the dispersed Israelites as well as the nations In Isaiah Chs 34 35 provide a paradigm of what this way will entail and its theological significance

Wisdom in Theology Ronald Ernest Clements,2006-08-01 In this book respected Old Testament scholar Ronald Clements explores and elucidates a much debated subject the place and significance of the Old Testament wisdom writings in Jewish and Christian theology Based on the Didsbury Lectures delivered by Clements at British Isles Nazarene College in October 1989 Wisdom in Theology first looks at the wisdom tradition in terms of its ancient Near Eastern background its distinctiveness in Israelite life and its historical development Clements then discusses major wisdom themes under various headings 1 wisdom and the world 2 wisdom and health 3 wisdom and politics 4 wisdom and the household and 5 wisdom and the divine realm In explicating the unique role of the wisdom tradition particularly in post exilic Israel Clements shows how wisdom as opposed to the torah and prophecy provided the Jews of the dispersion with the basis for a new noncultic universalistic worldview Clements s scholarly discussion demonstrates to modern readers how much is yet to be learned regarding the inheritance of wisdom from the ancient world
