Heavens My Destination:

Heaven's My Destination Thornton Wilder, 2003-09-16 Drawing on such unique sources as the author's unpublished letters, business records and obscure family recollections, Tappan Wilder's Afterword adds a special dimension to the reissue of this hilarious tale about goodness in a fallen world. Meet George Marvin Brush, Don Quixote come to Main Street in the Great Depression and one of Thornton Wilder's most memorable characters. George Brush, a traveling textbook salesman, is a fervent religious convert who is determined to lead a good life. With sad and sometimes hilarious consequences, his travels take him through smoking cars, bawdy houses, banks and campgrounds from Texas to Illinois and into the soul of America itself. *Heaven's My Destination* Thornton Wilder, 1934 [The Thornton Wilder Encyclopedia](#) Thomas S.

Hischak, 2022-03-15 Thornton Wilder is one of America's greatest writers and the only author to win Pulitzer Prizes in both fiction and drama. Equally well known for his plays and novels, his unique and diverse body of work also includes essays, journals, lectures and film and television scripts. In *The Thornton Wilder Encyclopedia*, Thomas S. Hischak exhaustively covers Wilder's life and extensive career. Entries not only contain every one of his novels, plays and scripts but also his letters, journals and all other existing works by Wilder, published or unpublished. In addition, this valuable reference features entries on the individuals who worked with Wilder and friends and family members who were a great influence on him. With a biography of Wilder to introduce the work and a chronology and selected bibliography to augment the entries, *The Thornton Wilder Encyclopedia* is the most comprehensive reference available on one of America's greatest playwrights and finest novelists. *Going to Heaven on a Dark Cloudy Day* Edmundo Barreto, 2018-10-25 The author chronicles in this book the metamorphosis he experienced that are invaluable lessons that we can all apply to our own lives. He was guided and inspired by God to write this book and was enlightened with wisdom, warnings, prophecies and new ways to do businesses to aid the extreme poverty that afflicts Nicaragua, which is about to be overrun by modern pirates that will decimate the poor and force them out of their land. Nicaragua is facing an irrefutable potential devastation of the land as a result of a geopolitical war developing in that small nation. It is due to an unconstitutional dictator that has illegally given away the patrimony and decided unilaterally to give the sovereignty of a nation to a Chinese counterfeit businessman with close ties to the Republic of China and they intend to build a mega canal to supplant the Panama canal. That project could cause irreparable damages beyond anyone's imagination, damages that could have consequences well beyond the borders of the poor nation of Nicaragua. But God, in his divine wisdom, has chosen to intervene and will use this book to tell the story of Nicaragua to the world and to stop this travesty from happening. **The Spiritual Path: How to Create Heaven on Earth** Lily Rose, 2019-11-25 If happiness is found within and not in some form of external material trappings, would you let go and let God provide for all your needs?
