Hebrews To Revelation:

From Hebrews to Revelation Lewis R. Donelson, 2001-01-01 In this clearly written introduction to the latter half of the New Testament Lewis Donelson begins by asking if we read this text in this way what voices do we hear Such a reading strategy requires historical imagination because the documents are separated from us by time space language and culture It also requires making these texts conversation partners in our understanding about God and ourselves **Hebrews to Revelation** John G. Butler, 2010 Hebrews, the General Letters, and Revelation Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion Hebrews to Revelation Frank Binford Hole, 2007-02 Frank Binford Hole 1874 1964 evangelist teacher author editor and publisher played a significant role during the first half of the twentieth century in the dissemination of dispensational Bible teaching popularised by such as John Nelson Darby and William Kelly in the late nineteenth century Whether speaking or writing he was noted for his clarity of expression and apt illustrations For many years he edited and contributed to two periodicals Edification and later Scripture Truth Between 1928 and 1947 he wrote a series of articles in each of which he worked systematically chapter by chapter through a book in the New Testament These have been collected into four volumes The Gospels and Acts Romans and Corinthians Galatians to Philemon and Hebrews to Revelation to create a substantial commentary covering the whole of the New Testament Today in the twenty first century they provide as valuable an aid to interpreting and applying New Testament principles as when they were first written In his clear pithy style the writer lays bare the heart of the teaching of the New Testament Difficulties in interpretation are not avoided nor the need to examine the practical response which understanding truth requires This volume contains a succinct and lucid study of the later books of the New Testament *New Testament - Hebrews to Revelation* Nick King, 2006-01 **Faithful to the End** Terry L. Wilder, J. Daryl Charles, Kendell H. Easley, 2007-09-01 In classroom and scholarly study the Gospels Acts and the Pauline letters receive far

more attention than does the so called end of the New Testament Hebrews James 1 and 2 Peter 1 2 and 3 John Jude and Revelation Faithful to the End An Introduction to Hebrews Through Revelation offers a careful study of these latter biblical letters closely examining each one s authorship and origin destination and audience purpose and major themes Appropriate as a reference work or textbook in college and seminary classrooms this volume uniquely combines head knowledge with a challenge to the heart for it is purposefully titled after each book s recurring theme of persevering in the faith Coauthor Terry L Wilder writes Our hope is that God might use this text to help readers not only learn about these New Testament books but also to appropriate the message contained in each May we be faithful to the end **Hebrews - Revelation** David E. Garland,2011-01-04 Continuing a Gold Medallion Award winning legacy the completely revised Expositor s Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor s Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor s Bible Commentary
