*Hebrews* Ambakattuparambil Chacko George, 2000      **The Epistle to the Hebrews** David J. Garrard, 2023-08-31 The author to the Hebrews tells us that in the past God spoke through the prophets but now he has spoken through the Son Jesus. The message transmitted is now complete and clear. The entire letter is concerned with the superiority of this new covenant of the Son. It is better in every way when compared with Sinai's rules and regulations as it is now no longer based on shadows of the heavenly reality but the reality itself. There can be no going back to the former since all is better including the promises, the priesthood and the relationship with the Father through the Son. He shares the heavenly throne with the Father and is our unique intercessor. His new covenant means that there is no need for any other mediator and the Holy Spirit's power enables a complete forgiveness of sin for all who persevere and give themselves to following the purposes of God with passionate faith. However, experiences of the past do not guarantee the future and there is a race to be run which means that passion and purpose are required on an ongoing basis.

This book explores the connection forged between suffering and participation by engaging in close readings of texts resourcing letters usually dismissed because of doubts about authenticity and pulling together an overall characterization of Paul's thought on the basis of common patterns of reference that emerge Utilizing a tripartite reading strategy of exegesis canon and theology offers nuance for and yields fresh insight into a central Pauline motif

**Polemic in the Book of Hebrews** Lloyd Kim, 2006-11-01 The author of Hebrews is arguing that God himself has brought about the fulfillment of these institutions through his Son's priesthood his once for all sacrifice and the new covenant he inaugurated in the last days These new institutions are never denied the Jews In fact the context of the epistle presumes that these are primarily for the Jews considering that the author was speaking to a Jewish Christian community The author is not arguing for the abandonment by God of the Jewish people but rather for the abandonment of the shadowy means by which God's people drew near to him It is here we can speak of a qualified supersessionism According to the author of Hebrews the Levitical priesthood the Mosaic covenant and the Levitical sacrifices have been superseded by Jesus' priesthood the new covenant and Jesus' once for all sacrifice However we conclude that the polemical passages in Hebrews do not promote hatred of the Jews nor do they advocate the destruction of the Jewish people Rather the author of Hebrews stresses the fulfillment of specific Jewish institutions for the benefit of the Jews It is this idea of fulfillment that rules out the charge that the epistle promotes the supersession of the Jewish people Because of God's great love for his people he has provided a superior way by which his people can draw near to him from the Conclusion

**Hebrews (Catholic Commentary on Sacred Scripture)** Mary Healy, 2016-08-16 Well respected New Testament scholar and popular speaker Mary Healy unpacks the Letter to the Hebrews making its difficult and puzzling passages accessible to pastoral ministers lay readers and students Her commentary shows how Hebrews reveals the meaning of Christ's death in light of the Old Testament figures' rites and sacrifices that foreshadowed it Healy explains that Hebrews when fully understood transforms our understanding of who God is what he has done for us and how we are to live as Christians today

**By the Waters of Babylon** Scott Aniol, 2019-03-21 A guide to biblically shaped worship which has the greatest missional impact in a post-Christian culture By the Waters of Babylon examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance Imagine how the Hebrews felt during their years of captivity in Babylon How could they sing the songs they once sang in the splendor of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post-Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture

The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post Christian context     **Explanatory Notes on the Sermon of Hebrews** Kenneth Schenck, 2023-09-18 In 1755 John Wesley was forced to rest for a year because of illness In that year he wrote his Explanatory Notes upon the New Testament These were meant to provide brief commentary on the text for his lay preachers and others to use These Explanatory Notes on the Sermon of Hebrews are also meant to provide brief interpretations of the text of Hebrews without extensive engagement with scholarship The goal is for the reader to gain a good overview of Hebrews train of thought its overall purpose as well as some engagement with contemporary application for a Christian In the case of Hebrews a good deal is unknown If we knew the details the sermon's argument would come clearly into view For this reason these notes engage in a little more speculation than a normal commentary might
