Heiner Muller Reader Plays Poetry Prose:

A Heiner Müller Reader Heiner Müller, 2001 Heiner Müller lived through Germany's tumultuous history from Hitler's rise through Soviet occupation to the building and eventual demolition of the Berlin Wall. One of his earliest memories was of his father being beaten by Brownshirts and taken away to a concentration camp; later Müller chose to stay in the Soviet Zone even when his father defected to the West. His work presents a phantasmagoric vision of culture and history. Though a committed Marxist, Müller loathed the East German government, and his works were often censured for their caustic portrait of a Germany whose history was an unending act of division and violence. Searching for a New German Identity Theresa M. Ganter, 2008 Theresa M. Ganter investigates Heiner Müller's use of the Geschichtsdrama as a tool in his search for post-World War II and post-reunification German identity in Germania Tod in Berlin 1956 1971 and Germania 3 Gespenster am Toten Mann 1996 respectively. A Heiner Müller Reader Heiner Müller, 2001 Heiner Müller lived through Germany's tumultuous history from Hitler's rise through Soviet occupation to the building and eventual demolition of the Berlin Wall. Perspectives on Gender in Post-1945 German Literature Georgina Paul, 2009 Recent studies of German modernity have tended to approach the subject from either a uniquely masculine or uniquely feminine viewpoint. In this work, however, Georgina Paul examines these two gendered perspectives side by side via a sequence of readings of major thematically related German literary texts by both male and female authors. The Theater of Tony Kushner James Fisher, 2021-09-30 The Theater of Tony Kushner is a comprehensive portrait of the forty-year-long career of dramatist Tony Kushner as playwright, screenwriter, essayist, and public intellectual and political activist. Following an introduction examining the influences of Kushner's development as an artist, this updated second edition features individual chapters on his major plays including *A Bright Room Called Day*, *Hydriotaphia* or *The Death of Dr Browne*, *Angels in America*, *Slavs Thinking About the Longstanding Problems of Virtue and Happiness*, *Homebody*, *Kabul*, *Caroline or Change*, and *The Intelligent Homosexual's Guide to Capitalism and Socialism with a Key to the Scriptures*, along with chapters on Kushner's adaptations, one-act plays, and screenplays, including his two Academy Award-nominated screenplays *Munich* and *Lincoln*. A book for anyone interested in theater, film, literature, and the ways in which the past informs the present, this second edition of *The Theater of Tony Kushner* explores how his writings reflect key elements of American society from politics and economics to race, gender, and spirituality, all with the hope of inspiring America to live up to its ideals. **The Cambridge Companion to the Literature of Berlin** Andrew J. Webber, 2017-02-27 This collection of essays by international specialists in the literature of Berlin provides a lively and stimulating account of

writing in and about the city in the modern period The first eight chapters chart key chronological developments from 1750 to the present day while subsequent chapters focus on Berlin drama and poetry in the twentieth century and explore a set of key identity questions ethnicity migration gender writing by women and sexuality queer writing Each chapter provides an informative overview along with closer readings of exemplary texts The volume is designed to be accessible for readers seeking an introduction to the literature of Berlin while also providing new perspectives for those already familiar with the topic With a particular focus on the turbulent twentieth century the account of Berlin's literary production is set against broader cultural and political developments in one of the most fascinating of global cities

A Concise Companion to the Study of Manuscripts, Printed Books, and the Production of Early Modern Texts Edward Jones, 2015-09-28 Bringing together a broad range of case studies written by a team of international scholars this Concise Companion establishes how manuscripts and printed books met the needs of two different approaches to literacy in the early modern period Features essays illustrating the particular ways a manuscript and a printed book reflect the different emphases of an elite private and an egalitarian public culture both of which account for the literary achievements of the Renaissance Includes wide ranging essays from printing the Gospels in Arabic to a contemporary reconceptualization of Shakespeare's Titus Andronicus Increases accessibility through a rubric organized around archival and manuscript studies the provenance of texts and the authority of editions and studies of genre religion and literary history Announces the recovery of archival documents which in some instances are over four hundred years old Places translations of Milton's Latin Greek and Italian alongside the original texts to increase accessibility for a wide audience of students and scholars Provides an invaluable platform for highlighting on going attention to the history of the book and its corollary subjects of reading and writing practices in the 1500s and 1600s

Scenographies of the Subject Lars Friedrich, Karin Harrasser, Céline Kaiser, 2019-03-21 Under what circumstances do subjects become visible And how do subjects themselves change and move the circumstances that allow them to appear Rather than describing medial architectural or rhetorical arrangements that are readily available to subjects or concentrating on the processes of subject constitution without their scenic arrangements this volume is dedicated to the reciprocal production of both subjects and scenes From various perspectives it underlines the abysmal conditions in which subjects arrive on stage and vice versa the stages arrive at their subjects Through articles that analyze concrete scenes in a highly focused manner and question the concept of the scene itself this volume argues that there is not subject without a scene and no scene without an instance of description Based on this thesis this volume investigates antique drama and revolutionary rhetoric therapeutic and bureaucratic facilities experiments in fine art and film and not least scenes of theory rhetorical stages that perform arguments and politics Editors Dr Lars Friedrich works at the Institute for German Literature at the University of Frankfurt am Main Dr Karin Harrasser is a professor at the Art University in Linz Dr Céline Kaiser is a professor at the University of Applied Sciences and Arts in Ottersberg

Rethinking Brechtian Film Theory and Cinema

Angelos Koutsourakis,2018-09-20 Making a compelling argument for the continuing relevance of Brechtian film theory and cinema this book offers new research and analysis of Brecht the film and media theorist placing his scattered writings on the subject within the lively film theory debates that took place in Europe between the 1920s and 1960s *Transcultural Theater* Günther Heeg,2023-03-31 Transcultural Theater outlines the idea of a transcultural theater as enabling an approximation to and an interaction with the foreign and the alien In consideration of the allure of fundamentalist and populist movements that promote the development and practices of xenophobia worldwide this book makes a powerful plea for the art of theater as a medium of conviviality with the foreigner that should not be underestimated This study contributes to transcultural experience artistic practice and education in the medium of theater The book's investigation extends far into space and time and pays particular attention to the relationship between aesthetic experience artistic practice and academic representation This book is for scholars and students as well as for all those working in the cultural field especially in the field of cultural transfer *Theatre of Catastrophe* Karoline Gritzner,David Ian Rabey,2016-03-02 Fifteen essays on the style language and vision of one of Britain's most influential and controversial playwrights Focusing on different aspects of what Barker has called the Theatre of Catastrophe an international range of academics offer illuminating interpretations of his work Includes analyses of the political moral and historical aspects of his writing its poetry and eroticism its depiction of the figure of the artist and Barker's writing in performance Includes contributions from Elisabeth Angel Perez Mary Karen Dahl Helen Iball Christine Kiehl Charles Lamb Chris Megson Roger Owen Dan Rebellato James Reynolds Elizabeth Sakellaridou Andy Smith Liz Tomlin Heiner Zimmerman *The Living Art of Greek Tragedy* Marianne McDonald,2003-07-18 Marianne McDonald brings together her training as a scholar of classical Greek with her vast experience in theatre and drama to help students of the classics and of theatre learn about the living performance tradition of Greek tragedy The Living Art of Greek Tragedy is indispensable for anyone interested in performing Greek drama and McDonald's engaging descriptions offer the necessary background to all those who desire to know more about the ancient world With a chapter on each of the three major Greek tragedians Aeschylus Sophocles and Euripides McDonald provides a balance of textual analysis practical knowledge of the theatre and an experienced look at the difficulties and accomplishments of theatrical performances She shows how ancient Greek tragedy long a part of the standard repertoire of theatre companies throughout the world remains fresh and alive for contemporary audiences *Teaching Postdramatic Theatre* Glenn D'Cruz,2018-04-06 This book explores the concept and vocabulary of postdramatic theatre from a pedagogical perspective It identifies some of the major anxieties and paradoxes generated by teaching postdramatic theatre through practice with reference to the aesthetic cultural and institutional pressures that shape teaching practices It also presents a series of case studies that identify the pedagogical fault lines that expose the power relations inherent in teaching with a focus on the higher education sector as opposed to actor training institutions It uses auto ethnography performance analysis and critical theory to assist university teachers involved in

directing theatre productions to deepen their understanding of the concept of postdramatic theatre

The Enigma of Isaac Babel Gregory Freidin, 2009-10-21 A literary cult figure on a par with Franz Kafka Isaac Babel has remained an enigma ever since he disappeared along with his archive inside Stalin's secret police headquarters in May of 1939 Made famous by Red Cavalry a book about the Russian civil war he was the world's first embedded war reporter another book about the Jewish gangsters of his native Odessa and yet another about his own Russian Jewish childhood Babel has been celebrated by generations of readers all craving fuller knowledge of his works and days Bringing together scholars of different countries and areas of specialization the present volume is the first examination of Babel's life and art since the fall of communism and the opening of Soviet archives Part biography part history part critical examination of the writer's legacy in Russian European and Jewish cultural contexts *The Enigma of Isaac Babel* will be of interest to the general reader and specialist alike

Hungarian Perspectives on the Western Canon László Bengi, Gábor Mezei, Ernő Kulcsár Szabó, 2017-05-11 In this collection Hungarian literature is read together with canonical works of the Western literary tradition The book studies the distinction between major and minor literatures showing that such parallel readings may highlight previously unknown components of the literary tradition The book does not hold traditional comparative methods based on verifiable mediations or transactions between national philologies and national literary narratives to be the exclusive standard of interpretation readings can concentrate on common surfaces and textual events instead This is what is meant by post comparative perspectives a term to indicate that the conditions of a comparative reading never precede the reading itself On this basis the present volume points at several possibilities of how a common ground between texts can be created especially because the chapters within it perform parallel readings in highly different ways

Brill's Companion to the Reception of Sophocles, 2017-04-03 Brill's Companion to the Reception of Sophocles offers a comprehensive account of the influence reception and appropriation of all extant Sophoclean plays as well as the fragmentary Satyr play *The Trackers* from Antiquity to Modernity across cultures and civilizations encompassing multiple perspectives and within a broad range of cultural trends and manifestations literature intellectual history visual arts music opera and dance stage and cinematography A concerted work by an international team of specialists in the field the volume is addressed to a wide and multidisciplinary readership of classical reception studies from experts to non experts Contributors engage in a vividly and lively interactive dialogue with the Ancient and the Modern which while illuminating aspects of ancient drama and highlighting their ever lasting relevance offers a thoughtful and layered guide of the human condition
