From Land to Lands, from Eden to the Renewed Earth Munther Isaac,2015-10-14 The land is an important theme in the Bible It is a theme through which the whole biblical history found in the Old and New Testaments can be studied and analyzed Looking at the land in the Bible from its beginnings in the garden of Eden this publication approaches the theme from three distinct perspectives holiness the covenant and the kingdom Through careful analysis the author recognises that the land has been universalized in Christ as anticipated in the Old Testament and as a result promotes a missional theology of the land that underlines the social and territorial dimensions of redemption

The New Heaven and New Earth Raymond R. Hausoul,2020-04-09 There is a growing focus on the Christian confession of God s completed kingdom the new heaven and the new earth This theme has time and again seduced people into elaborate fantasies that stimulated the senses How can we talk about it meaningfully Raymond R Hausoul relates systematic theology to biblical theology by comparing three theologians the Catholic theologian Karl Rahner the Protestant Jurgen Moltmann and the Reformed Gregory Beale This leads to reflections on differences between matter space and time of the new heaven and new earth and those of our present reality The hope for renewal and resurrection is thus linked to the prophecies of the new Jerusalem the tree of life and the resurrection body
