Together in Christ Victor Knowles, 2006 **Bound Together** Chris Brauns, 2013-03-05 We are not just isolated individuals Instead our lives are woven together with others We have solidarity with other people the choices one person makes affects the lives of others for good and for bad Because much of the pain we endure in life is in the context of relationships this truth often strikes us as unfair Why should a child suffer because of the choices of his parents And on a grander scale why do we all suffer the curse of Adam s sin Why should anyone be judged for someone else s sin In Bound Together Chris Brauns unpacks the truth that we are bound to one another and to the whole of creation He calls this the principle of the rope Grasping this foundational principle sheds new light on marriage the dynamics of family relationships and the reason why everyone lives with the consequences of the sins that others commit Brauns shows how the principle of the rope is both bad news and good news revealing a depth to the message of the gospel that many of us have never seen before *The Whole Works of Robert Leighton* Robert Leighton (Abp. of Glasgow), 1851 **The works of Robert**

[The epistles of st. James, st. Peter, st. John, & st. Jude explained by G.B. Gracilla Boddington, 1852](#)

The Biblical Illustrator - Vol. 60 - Pastoral Commentary on 1 Peter Charles Spurgeon, Alexander Maclaren, Henry Ward Beecher, 2013-11-05 This ebook version of *The Biblical Illustrator: Pastoral Commentary on 1 Peter* contains nearly 1200 pages of commentary. What if Charles Spurgeon helped you prepare next Sunday's sermon? Or what if you could talk over your preaching with Joseph Parker, Richard Baxter, Henry Ward Beecher, and H. P. Liddon? Do you think it would make a difference to get the input of some of the greatest preachers who ever lived? That's precisely what Joseph Exell had in mind when he put together the massive series of volumes called *The Biblical Illustrator*. In what can only be called a Herculean feat, he spent years gathering preaching notes and sermon outlines from the very best preachers of his day in the late 1800s and early 1900s and he did it, covering every book of the Bible. And it is amazingly comprehensive. Exell approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past. Though there is plenty of exegetical material here, this is not primarily a commentary. This series is for preachers, teachers, Bible students, and anyone else looking for penetrating pastoral insights from some of the all-time greats of the faith.
