Hell Bound:

Hell Bound Courtney Sigler, 2022-05-04 Jackson was born with a rebel spirit a lost past and an inevitable destiny Found wandering the city streets of Munich Germany hungry and abandoned the turmoil within this child alienated him from any who would help except for the unlikely companion of Will Herrington Will is a German psychologist and professor whose cherished freedom reluctantly wavered to a needy obligation to this highly oppositional and grossly ungrateful child Will's futile efforts a mere attempt at damage control Beyond surprised to find this youth with no gravity in thought of a future he could ultimately change the world to come A remote pull of indebtedness lands Jackson's otherwise reckless judgement in an ambiance of earthly affliction Through the fire of the abounding peril to come a depth emerges The once a European inconsequential damning of a life then desperately longs to persevere to escape an inevitable destiny With the impossible love of a tyrant's oppressed daughter a buried path resurrects and sets into motion an innate truth Sustained by the unlikely allies of a desperate family searching for a miracle As their journeys collide their path extends from the ends of the world and beyond This damning adventure will both bewilder and excite you right up until the last breathtaking beat

A Father's Love Dante Keith, 2018-10-22 A Father's Love is a true story of the author's long and treacherous journey which by all accounts should have simply ended in his unheralded death imprisonment insanity or all of the above But there is a different ending because this story is also a testimony of God's love the Father's love and just some of the miracles he did on behalf of a young man who had no clue as to the true nature and character of God The story begins with the author's struggles in an abusive home environment mixed in with the strict legalistic teachings of his church He enters his teen years with a twisted unrealistic perspective of God viewing him as a cruel merciless ogre intent on damning him to hell The author recounts his bout with mental illness and the final incident of parental abuse which pushed him over the edge where he gave up all hope Resigning himself to hell the author vows never to end up there for pettiness and wastes no time in pursuing a life of worldly pleasure taking to the streets and highways But he is soon blindsided falling in love with a girl who changed his mind his heart and his world forever He shares his failure at intimate relationship and the radical effect his loss has on his life Estranged from his family he faces life alone and lonely sure that God is indifferent to his pain which finally drives him back to the highway where he lives as a gypsy and a criminal Desperate to outrun his pain and regain the love he lost he runs thousands of miles rolling the dice with his life again and again Just when it seems he has finally succeeded in destroying himself the unthinkable happens God begins to reveal himself and then another journey begins that of experiencing the Father's love
