**The Works of that Eminent Servant of Christ, Mr. John Bunyan, Late Minister of the Gospel, and Pastor of the Congregation at Bedford** John Bunyan, 1737      **THE VOICE** ABINA MARY S, Poetry      **New York** Edward Rutherford, 2009-11-10 A brilliant mix of battle romance family struggles and personal triumphs New York gloriously

captures the search for freedom and prosperity at the heart of America's history. A blockbuster masterpiece that combines breath-taking scope with narrative immediacy, this grand historical epic traces the history of New York through the lenses of several families: The Van Dycks, a wealthy Dutch trading family; the Masters, scions of an English merchant clan torn apart during the Revolution; the Hudsons, slaves who fight for their freedom over several generations; the Murphys, who escape the Famine in Ireland and land in the chaotic slum of Five Points; the Rewards, robber barons of the Gilded Age; the Florinos, an immigrant Italian clan who work building the great skyscrapers in the 1920s; and the Rabinowitzs, who flee anti-Semitism in Europe and build a new life in Brooklyn. Over time, the lives of these families become intertwined through the most momentous events in the fabric of America: The founding of the colonies; the Revolution; the growth of New York as a major port and trading centre; the Civil War; the Gilded Age; the explosion of immigration and the corruption of Tammany Hall; the rise of New York as a great world city in the early 20th century; the trials of World War II; the tumult of the 1960s; the near demise of the city in the 1970s; its roaring rebirth in the 1990s; culminating in the World Trade Center attacks at the beginning of the new century.

The Numerical Discourses of the Buddha, 2012-10-16 The present work offers a complete translation of the Aguttara Nikaya, the fourth major collection in the Sutta Piṭaka or Basket of Discourses belonging to the Pali Canon.

*Trust* Aprille Canniff, 2019-12-24 In the military and law enforcement, the line between right and wrong is clear. Who you trust absolutely has never been questioned until now. Air Force Security Forces Master Sergeant Alex Thomas just got back from a rough deployment and already has a new assignment: to train a new team in everything she knows. Much to her dismay, her new team is not military but members of the Boston Police Department. When she finally meets them, she realizes why the military and local law enforcement don't team up. Officer Jen Miceli doesn't play by the rules and is all too willing to take risks. The two women are locked in a battle of the wills, but when the team comes across a large stash of weapons and drugs, their world is turned upside down by who it implicates. As members of the Boston PD are ambushed and friends are fighting for their lives, Alex must find a way to complete the mission and keep her team alive. What do you do when the lines that you have always counted on become blurred? When you don't know who to trust?

*Virgilian Identities in the French Renaissance* Phillip John Usher, Isabelle Fernbach, 2012 Virgil's works, principally the *Bucolics*, the *Georgics*, and above all the *Aeneid*, were frequently read, translated, and rewritten by authors of the French Renaissance. The contributors to this volume show how readers and writers entered into a dialogue with the texts, using them to grapple with such difficult questions as authorial, political, and communitarian identities. It is demonstrated how Virgil's works are more than Ancient models to be imitated. They reveal themselves instead to be part of a vibrant moment of exchange central to the definition of literature at the time.
