**J. Paul Getty Museum**

## **Hellenistic Royal Portraits:**

*Hellenistic Royal Portraits* R. R. R. Smith, 1988      **Hellenistic Royal Portraits** R. R. R. Smith, 1988 The visual image of the ruler particularly in sculpture played an important role in expressing the character of the new distinctive style of monarchy brought to Greece and the East by Alexander and the Hellenistic kings Royal portraits survive on coins and in sculpture and we read about them in inscriptions and literature evidence that is here combined to give an historical interpretation of the royal image from Alexander to Kleopatra Part I looks at the historical setting of royal portrait statues which functioned as an important medium of exchange between the king and the Greek cities They gave a visual presentation of royal ideology and expressed the basis of the king's power in a personal godlike charisma Part II collects together and analyses the major surviving portraits grouped broadly by time and place and Part III sets them in the wider political context of the period The dated coin portraits are used to show broad changes in the royal image and how it responded to the major political challenges from Parthia to the East and Rome to the West      **Hellenistic Royal Portraits** Alan John Bayard

Wace, 1905      **Smith, R.R.R.: Hellenistic royal portraits** Robert Fleischer, 1992      **Portraits of the Ptolemies** Paul Edmund Stanwick, 2010-07-22 As archaeologists recover the lost treasures of Alexandria the modern world is marveling at the latter day glory of ancient Egypt and the Greeks who ruled it from the ascension of Ptolemy I in 306 B C to the death of Cleopatra the Great in 30 B C The abundance and magnificence of royal sculptures from this period testify to the power of the Ptolemaic dynasty and its influence on Egyptian artistic traditions that even then were more than two thousand years old In this book Paul Edmund Stanwick undertakes the first complete study of Egyptian style portraits of the Ptolemies Examining one hundred and fifty sculptures from the vantage points of literary evidence archaeology history religion and stylistic development he fully explores how they meld Egyptian and Greek cultural traditions and evoke surrounding social developments and political events To do this he develops a visual vocabulary for reading royal portraiture and discusses how the portraits helped legitimate the Ptolemies and advance their ideology Stanwick also sheds new light on the chronology of the sculptures giving dates to many previously undated ones and showing that others belong outside the Ptolemaic period

Ancient Greek Portrait Sculpture Sheila Dillon, 2006-04-24 This book offers a new approach to the history of Greek portraiture by focusing on portraits without names Comprehensively illustrated it brings together a wide range of evidence that has never before been studied as a group Sheila Dillon considers the few original bronze and marble portrait statues preserved from the Classical and Hellenistic periods together with the large number of Greek portraits known only through Roman copies In focusing on a series of images that have previously been ignored Dillon investigates the range of strategies and modes utilized in these portraits to construct their subject's identity Her methods undermine two basic tenets of Greek portraiture first that it was only in the late Hellenistic period under Roman influence that Greek portraits exhibited a wide range of styles including descriptive realism and second that in most cases one can easily tell a subject's public role that is

whether he is a philosopher or an orator from the visual traits used in this portrait The sculptures studied here instead show that the proliferation of portrait styles takes place much earlier in the late Classical period and that the identity encoded in these portraits is much more complex and layered than has previously been realized Despite the fact that these portraits lack the one feature most prized by scholars of ancient portraiture a name they are evidence of utmost importance for the history of Greek portraiture

**Royal Portraits in Sculpture and Coins** Blanche R. Brown,1995 This book begins with a specific problem the date style and iconography of a marble portrait head identified as Pyrrhos King of Epeiros Largely by collating with portraits on coins the head is defined stylistically dated c 305 304 c 280 B C when the Successors ruled as kings and confirmed as Pyrrhos Further study of both coins and sculptures yields a fuller more complex account of the portraiture of that period in historic context as well as style and also of the periods directly before c 305 304 B C and after c 280 B C In the course of making comparisons later Hellenistic portraits are discussed as well

**Making an Appearance** Bailey Elizabeth Barnard,2024 Analysis of surviving royal statue bases literary accounts honorific decrees detailing royal portrait commissions and royal portraits in other media e g coins seals bronze figurines mosaics etc reveals that royal portrait statues were often more diverse conspicuous theatrical and divinizing than portrait statues representing non royal individuals The study demonstrates the resonances between these portrait features and the marvelous bodily adornments choreographed movements and calculated performances of kings real bodies in royal rituals and spectacles ultimately revealing that like the staged appearances of kings Hellenistic royal portrait statues were conceived as conspicuous material syntheses of royal actors and royal roles

**The Female Portrait Statue in the Greek World** Sheila Dillon,2010-02-15 The first detailed analysis of the female portrait statue in the Greek world from the fourth century BCE to the third century CE

**Julia Augusta** Tracene Harvey,2019-07-05 Julia Augusta examines the socio political impact of coin images of Augustus s wife Livia within the broader context of her image in other visual media and reveals the detailed visual language that was developed for the promotion of Livia as the predominant female in the Roman imperial family The book provides the most comprehensive examination of all extant coins of Livia to date and provides one of the first studies on the images on Roman coins as gender infused designs which created a visual dialogue regarding Livia s power and gender roles in relation to those of male members of the imperial family While the appearance of Roman women on coins was not entirely revolutionary having roughly coincided with the introduction of images of powerful Roman statesmen to coins in the late 40s BCE the degree to which Livia came to be commemorated on coins in the provinces and in Rome was unprecedented This volume provides unique insights into the impact of these representations of Livia both on coins and in other visual media Julia Augusta Images of Rome s First Empress on the Coins of the Roman Empire will be of great interest to students of women and imperial imagery in the Roman Empire as well as the importance of visual representation and Roman imperial ideology

New Perspectives in Seleucid History, Archaeology and Numismatics Roland Oetjen,2019-12-16 Dedicated to Getzel M

Cohen a leading expert in Seleucid history this volume gathers 45 contributions on Seleucid history archaeology numismatics political relations policy toward the Jews Greek cities non Greek populations peripheral and neighboring regions imperial administration economy and public finances and ancient descriptions of the Seleucid Empire The reader will gain an international perspective on current research The Wall Paintings from the Oecus of the Villa of Publius Fannius Synistor in Boscoreale Frank G.J.M. Müller,2023-08-21 The cycle of frescoes from the oecus or banqueting hall in the Villa of Publius Fannius Synistor in Boscoreale is generally interpreted as a portrait gallery of a Hellenistic dynasty The iconological study presented in this volume offers historical and art historical arguments against this supposition On the basis of a meticulous iconographic analysis the author arrives at an entirely new interpretation He demonstrates that the individual panels of which the fresco cycle is composed are not unique as was hitherto assumed but that they belong to an iconographical tradition which has left traces elsewhere in ancient art On the basis of this new interpretation the author comes to the conclusion that the fresco cycle from the Villa of Fannius was intended as an eloquent testimony to the cultural aspirations of a well to do Roman from the middle of the first century B C **Portraiture** Shearer West,2004-04-08 This fascinating new book explores the world of portraiture from a number of vantage points and asks key questions about its nature How has portraiture changed over the centuries How have portraits represented their subjects and how have they been interpreted Issues of identity modernity and gender are considered within a cultural and historical context Shearer West uncovers much intriguing detail about a genre that has often been seen as purely representational featuring examples from African tribes to Renaissance princes and from stars such as David and Victoria Beckham to ordinary people In the process she shows us how to communicate with the past in an exciting new way The New Politics of Olympos Michael Brumbaugh,2019-10-02 The New Politics of Olympos explores the dynamics of praise power and persuasion in Kallimachos hymns detailing how they simultaneously substantiate and interrogate the radically new phenomenon of Hellenistic kingship taking shape during Kallimachos lifetime Long before the Ptolemies invested vast treasure in establishing Alexandria as the center of Hellenic culture and learning tyrants such as Peisistratos and Hieron recognized the value of poetry in advancing their political agendas Plato too saw the vast power inherent in poetry and famously advocated either censoring it Republic or harnessing it Laws for the good of the political community As Xenophon notes in his Hieron and Pindar demonstrates in his politically charged epinikian hymns wielding poetry's power entails a complex negotiation between the poet the audience and political leaders Kallimachos poetic medium for engaging in this dynamic the hymn had for centuries served as an unparalleled vehicle for negotiating with the super powerful The New Politics of Olympos offers the first in depth analysis of Kallimachos only fully extant poetry book the Hymns by examining its contemporary political setting engagement with a tradition of political thought stretching back to Homer and portrayal of the poet as an image maker for the king In addition to investigating the political dynamics in the individual hymns this book details how the poet's six hymns once juxtaposed within

a single bookroll constitute a macro narrative on the prerogatives of Ptolemaic kingship Throughout the collection Kallimachos refigures the infamously factious divine family as a paradigm of stability and good governance in concert with the self fashioning of the Ptolemaic dynasty At the same time the poet defines the characteristics and behaviors worthy of praise effectively shaping contemporary political ethics Thus for a Ptolemaic reader this poetry book may have served as an education in and inducement to good kingship

**Power, Politics and the Cults of Isis** ,2014-07-24 In the Hellenistic and Roman world intimate relations existed between those holding power and the cults of Isis This book is the first to chart these various appropriations over time within a comparative perspective Ten carefully selected case studies show that the Egyptian gods were no exotic outsiders to the Hellenistic and Roman Mediterranean but constituted a well institutionalised and frequently used religious option Ranging from the early Ptolemies and Seleucids to late Antiquity the case studies illustrate how much symbolic meaning was made with the cults of Isis by kings emperors cities and elites Three articles introduce the theme of Isis and the *longue dur e* theoretically simultaneously exploring a new approach towards concepts like ruler cult and Religionspolitik

The Journal of Hellenic Studies ,1905 *The Journal of Hellenic Studies* Percy Gardner,Ernest Arthur Gardner,Max Cary,1922 Vols 1 8 1880 87 plates published separately and numbered I LXXXIII

Brill's Companion to the Reception of Alexander the Great ,2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas Arguably no other historical figure has cast such a long shadow for so long a time Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure

Handbook of Greek Sculpture Olga Palagia,2019-07-22 The Handbook of Greek Sculpture aims to provide a detailed examination of current research and directions in the field Bringing together an international cast of contributors from Greece Italy France Great Britain Germany and the United States the volume incorporates new areas of research such as the sculptures of Messene and Macedonia sculpture in Roman Greece and the contribution of Greek sculptors in Rome as well as important aspects of Greek sculpture like techniques and patronage The written sources literary and epigraphical are explored in dedicated chapters as are function and iconography and the reception of Greek sculpture in modern Europe Inspired by recent exhibitions on Lysippos and Praxiteles the book also revisits the style and the personal contributions of the great masters

*Alexandria and Alexandrianism* J. Paul Getty Museum,1996-09-26 One of the great seats of learning and repositories of knowledge in the ancient world Alexandria and the great school of thought to which it gave its name made a vital contribution to the development of intellectual and cultural heritage in the Occidental world This book brings together twenty papers delivered at a symposium held at the J Paul Getty Museum on the subject of Alexandria

and Alexandrianism Subjects range from The Library of Alexandria and Ancient Egyptian Learning and Alexander's Alexandria to Alexandria and the Origins of Baroque Architecture With nearly two hundred illustrations this handsome volume presents some of the world's leading scholars on the continuing influence and fascination of this great city The distinguished contributors include Peter Green R R R Smith and the late Bernard Bothmer

### **Hellenistic Royal Portraits Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Hellenistic Royal Portraits PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Hellenistic Royal Portraits PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Hellenistic Royal Portraits free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Hellenistic Royal Portraits Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
