Hello Methuselah Living To 100 And Beyond:

Hello Methuselah! George Webster, 2013-07-01 Nationally recognized authority on aging George Webster Ph D brings us the first book to use current biomedical research to project future trends in life span According to Webster health conscious adults today can expect to live to 100 and beyond In Hello Methuselah Webster examines both scientific advances in fighting major diseases and the progress in slowing the aging process Webster backs his theories with scientific data yet makes them understandable to the layman He covers a range of topics from outlining actions you can take now to live a longer healthier life to what science is doing to slow the aging of human cells You can even estimate your own longevity from the formula Dr Webster provides Table of contents 47 illustrations extensive bibliography index **The Gift of Sublimation** Nathan Carlin, Donald Capps, 2015-06-23 There is not and never was a monolithic masculinity there are and always have been multiple masculinities Today diversity with regard to gender and sexuality is beginning to be recognized and celebrated even while many religious denominations still resist these cultural changes This book offers pastoral interpretations of these social shifts in light of psychological principles applying them to topics such as the moral disapproval of masturbation the efforts of some churches to convince homosexual men to adopt a heterosexual orientation the dynamics of male envy of female longevity the homosexual tendencies of King James of England and Scotland and biblical portraits of God's body gender and sexuality The authors make a special use of the psychoanalytic concept of sublimation that is the redirection of sexual desires that are considered unacceptable or unworthy toward interests and aspirations that are considered acceptable and worthy While the use of psychoanalytic hermeneutics here is likely to raise various red flags for potential religious readers especially for those who have been informed that Sigmund Freud was hostile toward religion this book presents a rather different Freud by focusing on religious sublimation *Your Right to Be Beautiful* Tonya Zavasta, 2003 **Library Journal** , 1998-05

Living to 100 and Beyond Timothy Harris, 2009 Designed to build upon recent Symposia on the same topic Living to 100 and Beyond explores the research that has focused on increasing life expectancies and the lifestyles of longer lived individuals It provides a basic understanding of the actuarial mathematics associated with life expectancies their calculation and their projection It also highlights the important issues facing society as populations age The book also provides a discussion of a host of products targeted for the aged It can thus serve as a reference source for anyone who is impacted by any aspect of this fascinating topic It concludes with an extensive bibliography for those who would like additional information Health Boosters for Seniors , 1999 **Excel Modeling in Corporate Finance** Craig W. Holden, 2005 This book teaches readers how to build financial models with step by step instructions in Excel Progressing from simple examples to practical real world applications this book covers the time value of money valuation capital budgeting financial planning and options and corporate finance For financial planners and analysts *Death Defiers* Selene Yeager, Kelly Garrett, 1998 A proactive guide designed to help men identify the top threats to their health including heart disease and prostate cancer so

that they can live longer better lives 11 photos 50 illustrations Understanding Parkinson's Disease David Lee Cram,1999
If You've Been Diagnosed with Parkinson's Disease you are probably worried and full of questions What course will the disease take How will it affect your life What are your treatment options Author David Cram both a physician and patient himself for ten years knows firsthand the questions that accompany the diagnosis of Parkinson's He understands how vital education and effective treatment are in coping with PD and maintaining the best quality perspectives to enlighten and encourage readers about PD Among the topics Dr Cram covers How PD is diagnosed Symptoms and stages of PD The emotional side of PD conquering fear and denial Choosing the right health care team Drug therapy Surgical options How exercise can help Coping with day to day problems Caring for caregivers A Fact Filled Book for Coping with Parkinson's Disease The Surgery Handbook Paul Ruggieri,2000 Discusses a variety of topics related to surgery including what questions to ask a doctor before surgery what do doctors learn from lab results and what type of anesthesia is used its effect

The Healing Touch David Lee Cram,1997 The traditional doctor patient relationship is in jeopardy In an era of hurry up medicine and patient quotas health care professionals are no longer able to apply good bedside manner the healing touch As the focus shifts from patients to profits this vital component of patient care diminishes and may eventually be lost In *The Healing Touch* David Cram M D a master clinician teaches the art of good bedside manner and offers a valuable resource for health care professionals striving to preserve the doctor patient relationship **Battle at Alcatraz** Ernest B. Lageson,1999 Ernest Lageson Sr was one of the guards shot His son Ernest Jr a teenager at the time agonized along with other hostage families waiting to hear if loved ones were alive Now Ernest Lageson Jr delivers an insider's account of both the notorious riot and life inside the most infamous prison in American history BOOK JACKET *The Street-smart Entrepreneur* Jay Goltz,1998 If you're in business now or have ever even thought about being in business read this book Starting with two thousand dollars and a gritty determination to succeed Jay Goltz built his business the hard way from the ground up Early on he realized that no amount of education could prepare him for the day to day rigors of building a business So he learned through experience Today thirty five years later Goltz operates the world's largest custom picture framing facility it is thirty times the size of the average framing shop No waxing philosophical here In *The Street Smart Entrepreneur* Goltz tells it like it is offering real life lessons that can help you succeed in the in your face world of business Among the important topics Goltz covers Savvy Marketing Analysis Starting up without throwing up Understanding Cash Flow How you can be swamped with business and still go broke Grounding Your Business Controlled growth or growth out of control Hiring Smart You're only as good as your worst employee Knowing the Numbers Good accounting won't make your business but poor accounting can ruin it Leveraging Assets All your assets No just the financial ones Serving Customers Is the customer always right **The Cumulative Book Index** ,1998 A world list of books in the English language **Hello, Methuselah!** George Webster,1997-08-01 *American Book Publishing Record* ,1997 **Books In Print 2004-2005** Ed Bowker Staff,Staff
