Help Me Believe:

Help Me Believe Cliffe Knechtle, 2009-09-20 It's natural for you to have questions about Christianity. What does Jesus really have to offer in a world that is so complicated where there's so much pain? What difference could he possibly make in your life? For years Cliffe Knechtle has been fielding questions about and objections to Christianity from thousands of people. They want to know what you want to know: what does Jesus have to do with the real world with real life? In this book Knechtle provides the answers to some of the toughest questions you have, including: Don't all religions teach the same thing? Why do Christians try to impose their morality on others? What is so valuable about life? What is God's answer to evil in the world? Why can't people seem to get along with each other? Why is forgiving others so difficult? Isn't God kind of old and boring? How do I know I can trust Jesus? I still have some doubts. Can you help me believe? Life isn't easy. And what Knechtle offers you in this book are not pat answers. Rather, they are direct responses to real people with real questions. If you have questions about Christianity, **Help Me Believe** will grapple with them squarely, honestly, and helpfully. **See Me, Believe Me** Yolanda Denson-Byers, 2024-10-31 In **See Me, Believe Me**, Rev. Dr. Yolanda Denson Byers offers an honest and unflinching look at the challenges faced by leaders of color in the predominantly white ELCA. Her insights and concrete suggestions for action illustrate how seeing and believing leaders of color are essential steps in the journey of allyship. **Make Me Believe** Lia Costa, 2015-04-24 Lara is a young beautiful and well-succeeded woman who is about to experience the happiest day of her life. However, everything changes when the man of her life abandons her at the church's door. After many days of sadness and loneliness, she gets her man back. Unfortunately, not for long. And one day, coming from nowhere, love strikes again. But nothing is easy in her life. She faces a choice, and at the same time, she is haunted by the past. She doesn't believe in love anymore, does she? But in the end, she discovers one thing worth believing in: love. *Dream of Me/Believe in Me* Josie Litton, 2008-12-10 Complete in one breathtaking volume, Books One and Two of an unforgettable historical romance series by an exciting new author. Together, these three men will strive to overcome centuries-old rivalries and hatred. Each will unite in marriage with an extraordinary woman who has her own special gift and her own dreams of bringing about an end to war.
